H.G. Wells and All Things Russian Galya Diment,2019-07-26 H G Wells and All Things Russian is a fertile terrain for research and this volume will be the first to devote itself entirely to the theme Wells was an astute student of Russian literature culture and history and the Russians in turn became eager students of Wells s views and works During the Soviet years in fact no significant foreign author was safer for Soviet critics to praise than H G Wells The reason was obvious He had met and largely approved of Lenin was a close friend of the Soviet literary giant Maxim Gorky and in general expressed much respect for Russia s evolving Communist experiment even after it fell into Stalin s hands While Wells s

attitude towards the Soviet Union was nevertheless often ambivalent there is definitely nothing ambiguous about the tremendous influence his works had on Russian literary and cultural life
