The National Real Estate Salesperson License Exam Prep Book Abbot Wardman, 2024-01-24 [Florida Real Estate License Exam Prep: All-in-One Review and Testing to Pass Florida's Real Estate Exam](#) David Cusic, Ryan Mettling, Jane Somers, 2017-12-11 Features of Florida Real Estate License Exam Prep FL RELEP Florida Practices Law Key Point Review in the same 19 sections as the FREC 1 prelicense course 70 pages Real Estate Math Key Formula Review Practice 20 pages 16 Practice Tests covering Florida and National Content 575 questions with explanations Florida License Exam Simulation 100 questions with explanations We know the real estate licensing exam can be tough and very nerve wracking to prepare for That's why we created the Florida Real Estate License Exam Prep FL RELEP the way we did Since we have been managing real estate schools and developing curriculum for forty

years we know how all this works or fails to work First FL RELEP is comprehensive It contains both extensive content review as well as testing practice And the text review unlike most competing books is Florida specific not just simplistic national content but terse relevant and accurate state and national laws and regulations presented as a set of key point reviews ideal for pre test memorization FL RELEP precisely follows the official 50 page Florida syllabus topic by topic in the correct ordered sequence Consequently the material serves as a more user friendly review for students who have taken pre license courses throughout Florida containing this required content and organization FL RELEP s national key point reviews are a succinct compression of tested national principles and practices drawn from our own national textbook Principles of Real Estate Practice one of the most widely used principles textbooks in the country Finally our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida As such the breadth and depth of the law reviews and test questions reflect the topic emphasis of Florida s license exam A word about the tests The FL RELEP s test questions are designed to cover the content covered by the law reviews which reinforces your learning of the total body of information tested by the state of Florida The questions are direct to the point and designed to test your understanding When you have completed a given test you can check your answers against the answer key in the appendix You may also note that each question s answer is accompanied by a brief explanation to further reinforce your understanding In the end as you know it s all up to you Unlike other publications we are not going to tell you that using this book will guarantee that you pass the Florida state exam It still takes hard work and study to pass But we have done our best here to get you ready Following that the most we can do is wish you the best of success in taking and passing your Florida exam So good luck
