spiritually in the church On the subject of church life there are countless books that have been published many seminars to attend and church conferences arranged The Body of Christ is not devoid of teaching in relation to what the church needs and much of it is excellent revelation and we need to thank God that we live in a day when such teaching is readily available Having acknowledged that we must never forget the words Jesus said to His disciples in those final moments make disciples and teach them to obey my commands This suggests that people are not born disciples but that they need to enter a process by which they will become disciples Jesus knew the importance and impact of a life touching another life Therefore it is vital that we who have already submitted our own will and are true disciples give ourselves to the process of building people so that they in turn will do the same to others We were not told to gather a crowd and use techniques of the day to accomplish that aim this is not about how many people we gather on a Sunday but how effective we are in making people true followers of Jesus Christ This is what YOUR NEW LIFE is about making people disciples and true followers of Jesus Christ Ngozi Okiye is a woman who all her life has understood these principles Before she penned anything in this manual she has lived through it and tested it in her own life Her desire is to see the Body of Christ built up and a lifestyle to begin the moment a person surrenders his her life to Christ so that it will ultimately produce true discipleship in their lives Because of her deep conviction and belief that a person should be taught to lean upon the Lord and know what He is commanding us to do she has given us the Church this tool by which we can achieve this objective in people s lives You will find that YOUR NEW LIFE is a very basic manual written in plain easy to understand language so as not to alienate anyone from the truth Ngozi herself is very educated yet she has been able to communicate life changing principles in a style that all will understand It is her sincere desire that any new believer who gets hold of this book will not be in any doubt as to what the Christian life entails Ngozi prays that every believer who reads this book will go on to maturity and help others find Christ Every church Christian group or organization that is passionate about seeing souls saved and nurtured in the faith should find this book an invaluable tool

Keys For Living a Solid Successful Christian Life Robbie L. Rogers,2024-06-30 A straight forward simple life changing easy to read common sense look at the complexity of today s difficulties according to and surrounding God s Word the Bible and Christianity Did God simply hit the start button on creation and walk away like it sometimes feels He is almost always active with us daily hourly minute by minute Life is beautiful if we allow it to be and we are blessed beyond measure Your success depends on what you truly believe what drives your existence If you work hard enough at what your heart s desire is about it will happen especially if you are working at something in God s name and in His timing Remember God s plans for you existed before you were born So what do you spend your time on Ask God for help in changing the part of you that He dislikes those things that are negative in nature learn to love yourself Beware of distractions piddling deviations from your purposes mostly they are wrong for you to do at that time However sometimes fires do occur and must be put out The

distractions I am alluding to come from fragmented thoughts that lead you to deviate from your plan you end up in a room and don't even remember why you are there If something pops up that requires your attention write it down on your to do list Everyone should have such a list but often they also are simply a distraction list that keeps you from what you ought to be doing People within a congregation those on the edge or outside of Christianity and those trying to make some sense out of their career and life experiences in these difficult times while hanging on to Christian principles they believe in need this book Millions of Christians and non Christians alike need more information and guidance for clarity in a confusing world that often conflicts with one's normal Christian values This book helps define how we can keep a firm grasp on what we believe and apply those principles with a new sense of realization in our life and career It is in that mode that it was developed
