Tropman, 1997 A manual for volunteers and professionals in community work showing techniques and skills to improve community group work It demonstrates how to manage problems of procedure process and people such as how to create an effective structure conduct a successful meeting and achieve objectives

Successful Community Leadership and Organization John E. Tropman, 2012 Rev ed of Successful community leadership a skills guide for volunteers and professionals c1997

Analytical Skills for Community Organization

Practice Donna Hardina, 2002-05-01 This guide promotes the use of analytical skills in community organization practice including information gathering and processing legislative research needs assessment participatory action research political analysis population forecasting and social indicator analysis power analysis program development and planning resource development budgeting and grant writing These analytical methods often used in practice but seldom systematically discussed assist the practitioner in identifying community problems planning interventions and conducting evaluations The text explicates a problem solving model that identifies concepts and theories underlying practice methods for problem identification and assessment and techniques for goal setting implementation and evaluation It features extensive listings of Web sites for community organization practice and is dedicated to the idea that the community organizer to be truly effective must be prepared to be an active learner

Community Leadership Development Mark A. Brennan, 2014-10-29 The development of leadership capacities addresses a vital and continuing need in communities and organizations as they attempt to adapt to a wide range of social economic environmental and political changes Leadership development activities that focus on building new skills and fostering new ideas directly shape local and organizational capacity At the organizational level leadership is a valued resource as organizations are faced with challenges of limited resources funding and other capacities Community leadership operates within a different domain an environment with different dynamics structures and goals Community leadership is distinctive in that leaders often do not have formal training or authority to dictate and facilitate change Instead community leaders must rely on informal networks of diverse citizens each with a unique local capacity as the basis for change This book brings together classic and contemporary articles drawn from Community Development Divided into two sections the book begins with a range of seminal leadership theory and conceptualization pieces These have been instrumental in shaping leadership development in a wide range of settings Following the theory section a variety of research and application chapters are presented These chapters operationalize theory through applied research and programming and provide replicable frameworks for future research and programs This book is a compilation of articles published in the journal Community Development

Youth-Led Community Organizing

Melvin Delgado, Lee Staples, 2008 Youth led organizing is increasingly receiving attention from scholars activists and the media Delgado and Staples have produced the first comprehensive study of this dynamic field Their well organized book

takes an important step toward bridging the gap between academic knowledge and community practice in this growing area

Straight Talk About Professional Ethics, Second Edition Kim Strom-Gottfried, 2014-08-15 How does one make the right choices when faced with ethical dilemmas Social service professionals use a unique set of principles to guide their decisions within a broad and complex array of situations Straight Talk about Professional Ethics Second Edition provides readers with the guidelines that will help them make decisions in a manner that is clinically and ethically effective This book explains the seven core concepts that guide ethical practice in the helping professions self determination informed consent competence confidentiality and privacy attention to conflicts of interest maintenance of professional boundaries and professionalism and integrity Developing a commitment to the ethics of a profession and an understanding of how those ethics apply to commonly occurring workplace situations is a major element of professional preparation

Building a Successful Volunteer Culture Rabbi Charles Simon, 2012-04-14 A step by step guide to cultivating volunteers who thrive within the Jewish community We can never forget that volunteering is a two way street Volunteers must be motivated but volunteer organizations also need to maximize volunteer satisfaction Blaming one or the other for the failures prevalent today in the world of Jewish volunteering helps no one The search is for a win win strategy from the Introduction Cultivating successful volunteers in the twenty first century is increasingly more challenging Budgets are tight hands are few and competition for a persons discretionary time is severe How do you develop and maintain the volunteers who are essential to the vitality of your organization and community What can you do to avoid volunteer burnout Rabbi Charles Simon draws on over thirty years of professional experience to provide you with the resources you need to build and retain a thriving volunteer culture for your organization regardless of size or complexity In a straightforward accessible style Simon provides you with Methods for analyzing your organizations needs Innovative ways for creating an environment that strengthens volunteer involvement and satisfaction while increasing your organizations effectiveness Plans for developing or modifying your leadership framework positions and styles The groundwork for creating a language of inclusion that will motivate and inspire your volunteers Practical tips for establishing healthy meaningful interpersonal relationships with and among your volunteers

Close to Home Emilia E. Martinez-Brawley, 2000 This latest work on rural social work and the small community follows decades of research on understanding and working with such communities Close to Home explains the dynamics of small communities in terms that are essential for scholars of rural services and rural life The book covers the major issues facing human services delivery in small towns in some cases for the first time in the professional literature The book will be essential reading for students and human services practitioners who are working in or aspire to serve in small towns and rural areas

The Practice of Macro Social Work William G. Brueggemann, 2002 This book covers the important components of macro social work practice including research community and organization development social action and planning and administrative tasks The Practice Of Macro Social Work views macro practice as the key to social work in the future carrying on a long and

rich tradition of social work in solving social problems and making social change The book s global perspective has been expanded The theory of action social macro social work practice has been expanded and more fully developed Expanded and updated sections on history of macro social work practice arenas give readers an appreciation and understanding of the breadth and importance of the field Expanded and updated listing of Web sites organizations and agency resources appear in an appendix Takes an experiential approach to macro social work by including 53 exercises 8 checklists and other learning components integrating theory and practice Offers many practical exercises in each chapter that challenge readers to consider their role in macro practice and get some hands on experience

Social Work and Social Welfare Rosalie Ambrosino,2001 This revision of the authors best selling text continues to inspire student interest in the profession of social work while helping them to understand the role that the profession plays in the social welfare system The authors systems ecological approach to understanding social welfare focuses on specific social welfare areas in which social workers play major roles in policy and practice The authors encourage students to consider the many reasons social problems occur and to begin to think critically about the issues in a new way drawing on the book s coverage of the history values economic political and cultural factors that affect social work and social welfare The book gives students a broad understanding of the profession of social work itself including a brief history of its origin a discussion of various theoretical principles as well as applications of these principles to common social problems

A Dictionary of Nonprofit Terms and Concepts David Horton Smith,Robert A. Stebbins,Michael A. Dover,2006-11-08 This reference work defines more than 1 200 terms and concepts that have been found useful in past research and theory on the nonprofit sector The entries reflect the importance of associations citizen participation philanthropy voluntary action nonprofit management volunteer administration leisure and political activities of nonprofits They also reflect a concern for the wider range of useful general concepts in theory and research that bear on the nonprofit sector and its manifestations in the United States and elsewhere This dictionary supplies some of the necessary foundational work on the road toward a general theory of the nonprofit sector
