IN THE MIDDLE EAST

Suez Britains End Of Empire In The Middle East

Nick Whittaker

Suez Britains End Of Empire In The Middle East:

Suez Keith Kyle, 2011-01-30 This title includes a new Foreword by WM Roger Louis On 26 July 1956 the British Empire received a blow from which it would never recover On this day Egypt's President Gamal Abdul Nasser nationalized the Suez Canal Company one of the gems of Britain's imperial portfolio It was to be a fateful day for Britain as a world power Britain France and Israel subsequently colluded in attacking Egypt ostensibly in the case of Britain and France to protect the Suez Canal but in reality in an attempt to depose Nasser The US opposition to this scheme forced an ignominious withdrawal leaving Nasser triumphant and marking a decisive end to Britain's imperial era In this the seminal work on the Suez Crisis Keith Kyle draws on a wealth of documentary evidence to tell this fascinating political military and diplomatic story Including new introductory material this revised edition of a classic work will be essential reading for anyone interested in the history of the twentieth century military history and the end of empire

Reassessing Suez 1956 Simon C. Smith, 2016-04-08 The nationalization of the Suez Canal in 1956 triggered one of the gravest international crises since the Second World War The fiftieth anniversary of the Suez crisis in 2006 presented an ideal opportunity to re visit and reassess this seminal episode in post war history Although much has been written on Suez this study provides fresh perspectives by reflecting the latest research from leading international authorities on the crisis and its aftermath By drawing on recently released documents by including previously neglected aspects of Suez and by reassessing its more familiar ones the volume makes a key contribution to furthering research on and understanding of the crisis The volume explores the origins of the crisis the crisis itself and the aftermath all from a broad perspective An introduction by the editor presents the current state of the historiography and provides an overview of the debates surrounding the crisis while the conclusion by Scott Lucas not merely draws the themes of the book together but also explores the crisis in its regional and international context Within the overall context of focussing on the international and military aspects of the crisis it is an explicit intention to embody in the contributions the multifaceted nature of Suez Although Britain as in many ways the principal actor is strongly represented there are also highly original chapters on both the regional and international dimensions to the crisis and crucially the interaction between the two As well as exploring the role of the main protagonists essays also deal with American Jordanian and Turkish reactions to the invasion The overall result is an innovative thought provoking and wide ranging reassessment of Suez and its aftermath which at a time when the Middle East once again holds the world's attention is particularly appropriate

Ending Empire in the Middle East Simon C. Smith, 2013-03-01 This book is a major and wide ranging reassessment of Anglo American relations in the Middle Eastern context It analyses the process of ending of empire in the Middle East from 1945 to the Yom Kippur War of 1973 Based on original research into both British and American archival sources it covers all the key events of the period including the withdrawal from Palestine the Anglo American coup against the Musaddiq regime in Iran the Suez Crisis and its aftermath the Iraqi and Yemeni revolutions and the Arab Israeli conflicts

It demonstrates that far from experiencing a loss of nerve or tamely acquiescing in a transfer of power to the United States British decision makers robustly defended their regional interests well into the 1960s and even beyond It also argues that concept of the special relationship impeded the smooth running of Anglo American relations in the region by obscuring differences stymieing clear communication and practising self deception on policy makers on both sides of the Atlantic who assumed a contiguity which all too often failed to exist With the Middle East at the top of the contemporary international policy agenda and recent Anglo American interventions fuelling interest in empire this is a timely book of importance to all those interested in the contemporary development of the region

Churchill and the Anglo-American Special Relationship
 Alan P. Dobson, Steve Marsh, 2017-02-24 This book examines Winston Churchill's role in the creation and development of the Anglo American special relationship Drawing together world leading and emergent scholars this volume offers a critical celebration of Churchill's contribution to establishing the Anglo American special relationship Marking the seventieth anniversary of Churchill's pronouncement in 1946 of that special relationship in his famous Iron Curtain speech the book provides new insights into old debates by drawing upon approaches and disciplines that have hitherto been marginalised or neglected The book foregrounds agency culture values ideas and the construction and representation of special Anglo American relations past and present The volume covers two main themes Firstly it identifies key influences upon Churchill as he developed his political career especially processes and patterns of Anglo American convergence prior to and during World War Two Second it provides insights into how Churchill sought to promote a post war Anglo American special relationship how he discursively constructed it and how he has remained central to that narrative to the present day From this analysis emerges new understanding of the raw material from which Churchill conjured special UK US relations and of how his conceptualisation of that special relationship has been shaped and re shaped in the decades after 1946 This book will be of much interest to students of Anglo American relations Cold War Studies foreign policy international history and IR in general

Crises of Empire Martin Thomas, Bob Moore, Larry Butler, 2015-04-23 Crises of Empire offers a comprehensive and uniquely comparative analysis of the history of decolonization in the British French and Dutch empires By comparing the processes of decolonization across three of the major modern empires from the aftermath of the First World War to the late 20th century the authors are able to analyse decolonization as a long term process They explore significant changes to the international system shifting popular attitudes to colonialism and the economics of empire This new edition incorporates the latest developments in the historiography as well as Increased coverage of the Belgian and Portuguese empires New introductions to each of the three main parts offering some background and context to British French and Dutch decolonization More coverage of cultural aspects of decolonization exploring empire from below This new edition of Crises of Empire is essential reading for all students of imperial history and decolonization In particular it will be welcomed by those who are interested in taking a comparative approach putting the history of decolonization into a pan European framework

The Formation of the UAE Kristi Barnwell, 2024-04-04 December 2 1971 ushered the United Arab Emirates into existence and marked the end of one hundred fifty years of British protection of the Arab states of the Gulf Today the UAE projects an image of modernity and prosperity but before its formation the emirates endured poverty and political upheaval while the rulers and people navigated the transition from autonomous city states to modern nation states under informal British rule This book shows how the Trucial States came to form a sovereign federation paying particular attention to the role of nationalism and anti imperialism Kristi Barnwell demonstrates that the ruling sheikhs of the Gulf Arab rulers in the Gulf strove to create their new state with close ties to Great Britain which provided technical military and administrative assistance to the emirates while also publicly embracing the popular ideologies of anti imperialism and Arab socialism that were still dominating the political discourse in the Arab world In the process she situates the Emirates modern history in the broader narratives of the history of the Middle East The research draws on primary source materials from British and American government archives speeches and government publications from the Arab Emirates as well as memoirs and secondary sources

Understanding the Bush Doctrine Stanley A. Renshon, Peter Suedfeld, 2013-05-13 In this volume leading scholars of U S foreign policy international relations and political psychology examine one of the most consequential and controversial statements of national security policy in contemporary American history Unlike other books which focus only on unilateralism or preventive war Stanley A Renshon and Peter Suedfeld provide a comprehensive framework with which to analyze the Bush Doctrine by identifying five central and interrelated elements of the doctrine American pre eminence assertive realism equivocal alliances selective multilateralism democratic transformation Given its centrality to American national security and the fact that the effects of it are likely to be felt well into the twenty first century Understanding the Bush Doctrine provides a critically balanced and pointed assessment of the Bush Doctrine and its premises as well as a fair appraisal of its implications and prospects

Reflections on Rawls Shaun P. Young, 2016-04-08 The late John Rawls was one of the most inspiring provocative and influential political philosophers of the twentieth century In this collection a panel of distinguished political philosophers critically explore the intellectual legacy of Rawls The essays herein engage Rawls s political theorizing from his earliest published writings in the 1950s to his final publication in 2001 Justice as Fairness A Restatement and explore a diversity of issues related to his arguments such as the attractiveness of his methodology methodologies and the normative coherence and empirical validity of his claims In turn the effectiveness both of his arguments and those of various supporters and critics are evaluated from the perspective of a variety of analytical approaches including cosmopolitanism communitarianism perfectionism liberalism and legal theory This book is an edifying and engaging dialogue with ideas and arguments that have provided the theoretical framework for much of contemporary political philosophy and a thoughtful assessment of their continuing significance and place within the pantheon of political philosophy

Britain and the Dhofar War in Oman, 1963-1976 Geraint Hughes, 2024-03-16 This book explores Britain s

involvement in the Dhofar War of 1963-1976 focusing on the military aspects of this conflict in Southern Oman. It reveals how both the Conservative and Labour governments in office during this time provided military and security assistance to Oman's rulers without parliamentary or press scrutiny. Based on archival material and witness accounts as well as existing secondary source literature and memoirs, this study provides new insights into Britain's clandestine embroilment in the Dhofar War, an often overlooked but historically significant intervention in the Middle East. This book will be a valuable resource for scholars and students interested in the complex and often controversial history of Britain's involvement in Middle Eastern politics in the post-colonial period. **Britain, America, and the Special Relationship since 1941** B. J. C. McKercher, 2017-06-07

Britain, America and the Special Relationship since 1941 examines the Anglo-American strategic and military relationship that developed during the Second World War and continued until recent years. Forged on a common ground of social, cultural and ideological values as well as political expediency, this partnership formed the basis of the western alliance throughout the Cold War, playing an essential part in bringing stability to the post-1945 international order. Clearly written and chronologically organized, the book begins by discussing the origins of the Special Relationship and its progression from uneasy coexistence in the eighteenth century to collaboration at the start of the Second World War. McKercher explores the continued evolution of this partnership during the conflicts that followed, such as the Suez Crisis, the Vietnam War, and the Falklands War. The book concludes by looking at the developments in British and American politics during the past two decades and analysing the changing dynamics of this alliance over the course of its existence. Illustrated with maps and photographs and supplemented by a chronology of events and list of key figures, this is an essential introductory resource for students of the political history and foreign policies of Britain and the United States in the twentieth century. **Jimmy Carter and the Anglo-American "Special Relationship"**; Thomas K. Robb, 2016-12-05

Robb Thomas draws upon a wealth of previously classified documents to reveal that relations between Britain and the United States of America during Carter's presidency were riven with antagonism and disagreement. Contrary to existing interpretations, even the most special aspects of intelligence and nuclear cooperation were not immune to high-level political tension. Robb exposes the true competitive nature of the relationship during Carter's presidency as well as providing an original understanding to how both countries approached the breakdown of superpower detente, the subject of international human rights promotion, the tackling of common economic and energy challenges, and to the Anglo-American nuclear and intelligence relationship. *Confronting the Colonies* Rory Cormac, 2014-03-01

An original exploration of how the intelligence community became aware of the growing insurgent threat in the twilight of Empire, the challenges this posed and its impact upon how Whitehall saw the world. **Small Wars, Faraway Places** Michael Burleigh, 2014-11-25

A sweeping history of the Cold War's many hot wars born in the last gasps of empire. The Cold War reigns in popular imagination as a period of tension between the two post-World War II superpowers, the United States and the Soviet Union, without direct conflict. Drawing from new archival

research prize winning historian Michael Burleigh gives new meaning to the seminal decades of 1945 to 1965 by examining the many largely forgotten hot wars fought around the world As once great Western colonial empires collapsed counter insurgencies campaigns raged in the Philippines the Congo Iran and other faraway places Dozens of new nations struggled into existence the legacies of which are still felt today Placing these vicious struggles alongside the period defining United States and Soviet standoffs in Korea Vietnam and Cuba Burleigh swerves from Algeria to Kenya to Vietnam and Kashmir interspersing top level diplomatic negotiations with portraits of the charismatic local leaders The result is a dazzling work of history a searing analysis of the legacy of imperialism and a reminder of just how the United States became the world s great enforcer

Eden D R Thorpe,2011-05-31 Anthony Eden who served as both Foreign Secretary and Prime Minister was one of the central political figures of the twentieth century He had good looks charm a Military Cross from the Great War an Oxford first and a secure parliamentary constituency from his mid twenties He was Foreign Secretary at the age of 38 and the first British statesman to meet Hitler Mussolini and Stalin Eden s dramatic resignation from Neville Chamberlain s Cabinet in 1938 outlined here in the fullest detail yet made an international impact This ground breaking book examines his controversial life and tells the inside story of the Munich crisis 1938 the Geneva Conference 1954 Eden s battles with Churchill over the modernisation of the post war Conservative Party and his rivalry with Butler and Macmillan in the early 1950s culminating in a fascinating analysis of the Suez crisis

International Authority and the Responsibility to Protect Anne Orford,2011-01-20 The idea that states and the international community have a responsibility to protect populations at risk has framed internationalist debates about conflict prevention humanitarian aid peacekeeping and territorial administration since 2001 This book situates the responsibility to protect concept in a broad historical and jurisprudential context demonstrating that the appeal to protection as the basis for de facto authority has emerged at times of civil war or revolution the Protestant revolutions of early modern Europe the bourgeois and communist revolutions of the following centuries and the revolution that is decolonisation This analysis from Hobbes to the UN of the resulting attempts to ground authority on the capacity to guarantee security and protection is essential reading for all those seeking to understand engage with limit or critique the expansive practices of international executive action authorised by the responsibility to protect concept

Beyond the Arab Cold War Asher Orkaby,2017-06-01 Beyond the Arab Cold War brings the Yemen Civil War 1962-68 to the forefront of modern Middle East History During the 1960s in the wake of a coup against Imam Muhammad al Badr and the formation of the Yemen Arab Republic YAR Yemen was transformed into an arena of global conflict Believing al Badr to be dead Egypt the Soviet Union and most countries recognized the YAR But when al Badr unexpectedly turned up alive Saudi Arabia and Britain offered support to the deposed Imam drawing Yemen into an internationally sponsored civil war Throughout six years of major conflict Yemen sat at the crossroads of regional and international conflict as dozens of countries international organizations and individuals intervened in the local South Arabian civil war Yemen was a showcase

for a new era of UN and Red Cross peacekeeping clandestine activity Egyptian counterinsurgency and one of the first largescale uses of poison gas since WWI Events in Yemen were not dominated by a single power nor were they sole products of US Soviet or Saudi Egyptian Arab Cold War rivalry Britain Canada Israel the UN the US and the USSR joined Egypt and Saudi Arabia in assuming varying roles in fighting mediating and supplying the belligerent forces Despite Cold War tensions Americans and Soviets appeared on the same side of the Yemeni conflict and acted mutually to confine Egyptian President Gamal Abdel Nasser to the borders of South Arabia The end of the Yemen Civil War marked the end of both Nasser's Arab Nationalist colonial expansion and the British Empire in the Middle East two of the most dominant regional forces This internationalized conflict was a pivotal event in Middle East history overseeing the formation of a modern Yemeni state the fall of Egyptian and British regional influence another Arab Israeli war Saudi dominance of the Arabian Peninsula and shifting power alliances in the Middle East that continue to lie at the core of modern day conflicts in South Arabia

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

Lord Kilmuir Neil Duxbury, 2015-05-28 This short book examines the career and achievements of Lord Kilmuir David Maxwell Fyfe a British politician and former Lord Chancellor who is mainly remembered for some poor and unpopular decisions but who nevertheless made a considerable mark on twentieth century legal development After the Second World War Kilmuir not only excelled as a fellow prosecutor with Justice Robert Jackson at Nuremberg but also played a significant role in the effort to restore European unity particularly through his involvement in the drafting of the European Convention on Human Rights Drawing on archival and other primary sources this book considers Kilmuir's initiatives both at home and in Europe and concludes by marking out his achievements as a pro European Conservative who not only favoured the right of individual petition to a supranational Convention enforcing court but who also favoured Parliament legislating to replicate Convention norms in domestic law

Boutros Boutros-Ghali Adekeye Adebajo, 2022-12-29 This is the first historical biography in English to be published on Egyptian

scholar diplomat Boutros Boutros Ghali the most intellectually accomplished of the nine UN secretaries general The first African and first Arab to occupy the post Boutros Ghali held the office in the momentous five post Cold War years 1992 1996 massively expanding UN peacekeeping and leading intellectual debates on development democratisation and human rights He had earlier been a key architect of the Egypt Israel peace treaty as Egypt s minister of state for foreign affairs a major figure in Third World diplomacy and a Professor of International Law and International Relations This accessible biography sets Boutros Ghali s career within the political social and cultural contexts from which he emerged Please note T F does not sell or distribute the print version in Sub Saharan Africa

Geopolitics and Identity in British Foreign Policy Discourse Nick Whittaker, 2023-07-27 This is the first book to examine Britain s geopolitical identity and how it is expressed in foreign policy discourse It demonstrates how British imperial thought related to its island status has remained important for British Members of Parliament in their debates of contemporary issues It presents an exciting and provocative new reading of modern British foreign policy that decentres traditional notions of rationalism and pragmatism by foregrounding the much neglected aspects of identity and geopolitical space As British foreign policy makers wrestle with how to define Britishness outside of the EU this analysis provides a fresh perspective It presents a much needed historical contextualisation of long standing concepts such as insularity from Europe and a universal aspect on world affairs This book will be highly relevant for students researchers and professionals that are seeking to understand British foreign policy It will be of interest to those researching and working within geopolitics identity sociology foreign policy analysis and international relations

Getting the books **Suez Britains End Of Empire In The Middle East** now is not type of challenging means.
