**Sufism and American Literary Masters** Mehdi Aminrazavi, 2014-10-15 This book reveals the rich but generally unknown influence of Sufism on nineteenth and early twentieth century American literature. The translation of Persian poets such as Hafiz and Sa di into English and the ongoing popularity of Omar Khayyam offered intriguing new spiritual perspectives to some of the major American literary figures. As editor Mehdi Aminrazavi notes, these Sufi influences have often been subsumed into a notion of Eastern chiefly Indian thought and not acknowledged as having Islamic roots. This work pays considerable attention to two giants of American literature, Ralph Waldo Emerson and Walt Whitman, who found much inspiration from the Sufi ideas they encountered. Other canonical figures are also discussed, including Mark Twain, Herman Melville, Henry David Thoreau, and Henry Wadsworth Longfellow, along with literary contemporaries who are lesser known today, such as Paschal Beverly Randolph, Thomas Lake Harris, and Lawrence Oliphant. [The Teachings of a Sufi Master](#) Seyed Mostafa Azmayesh, 2016-01-27 In this book, the reader is exposed to teachings of Sufism, which is a branch of Gnosticism, the esoteric path to self-awareness. Each individual is composed of an existence and an essence. The latter is an evolving reality. At any moment, an individual can become a demon or an angel. One radically becomes a demon if the demonic drives of his ego take charge, an angel if the angelic attributes of his spirit occupy the terrain. The person who seeks victory of his spirit over his ego produces waves around his spirit waves that will be captured by him, who will teach the person the techniques of esoteric development. He will appear in the person's life at the opportune moment. [Travelling the Path of Love](#) Llewellyn Vaughan-Lee, 1995-01-01 Sufism is a path of love. With the passion and depth of feeling that belong to lovers, Sufi masters through the centuries have described the soul's journey towards union with God. This collection of sayings, dating from the ninth century to the present day, follows the stages of this journey, allowing the masters to beckon us along this ancient path. Speaking with the experience of those who have tasted the mysteries of divine love, their words reach beyond the mind and into the heart. Travelling the Path of Love is offered as an inspiration to all those who are drawn to follow love's call.

**Al-Junayd** Arin Salamah-Qudsi, 2025-06-02 This book presents a full and updated portrait of al-Junayd al-Baghdadi, a towering figure in the history of Islamic piety and thought. Examining the character of Junayd as both an architect of the Sufi mainstream as well as a charismatic and pragmatic personality, the book explores Junayd's sophisticated relationships within Sufi circles as well as the broader circle of Islamic piety. Besides constructing a balanced portrait of Junayd, this monograph also examines Junayd's legacy in order to flesh out some of the socio-religious and historical settings of that period. This book is an important read for scholars of religion, Islamic studies, mediaeval Muslim culture, as well as historians and researchers in the field of Islamic studies. **Sufism and American Literary Masters** Mehdi Aminrazavi, 2014-10-15 Explores the influence of Sufism on nineteenth and early twentieth century writers.
