*Spiritualism and Rationalism* Arthur Conan Doyle, 2001-04 **The Vital Message (EasyRead Comfort Edition)** Arthur Conan Doyle, 1919

*The History of Spiritualism* Arthur Conan Doyle, 2018-02-21 Arthur Conan Doyle discusses how the spiritualism movement began and grew and how he himself came to believe that talking with the spirits of the deceased was possible. The core tenet of spiritualism is the belief that the spirits of the deceased can communicate with the living. In order to establish contact, a person can attend a seance or privately consult the services of a spiritualist medium. Mediums are persons deemed consistently able to attain communication with spirits and receive messages from the spirit realm. Doyle's history recounts a number of incidents and people pertaining to spiritualism and the growth of interest over the years. Many of the events date to the 19th and early 20th centuries, and Doyle quotes various testimonies in support of spirit manifestations. The behaviors and messages of spirits are described while the author's own personal journey toward adherence is likewise alluded to. When Doyle professed his adherence to spiritualism in 1916, the public's reaction was mostly one of surprise and dismay. The stark differences between Doyle's legendary character Sherlock Holmes, who has a definitive commitment to logic and reason when solving his cases, and the unscientific practices of spiritualism proved irksome to many of Doyle's fans. Critics included Harry Price, a man famous for exposing and debunking spurious mediums. While Price praised Doyle's affable personality, he deemed the author uncritical and overly accepting of spiritualist incidents to the point of naivete. Despite this disparagement, many modern-day spiritualists and fans of Arthur Conan Doyle remain interested in the writer's beliefs and interpretations.

**The New Revelation** Arthur Conan Doyle, 2014-03 This is a new release of the original 1918 edition. *The New Revelation* Arthur Conan Doyle, 1918 Many more philosophic minds than mine have thought over the religious side of this subject, and many more scientific brains have turned their attention to its phenomenal aspect. So far as I know, however, there has been no former attempt to show the exact relation of the one to the other. I feel that if I should succeed in making this a little more clear, I shall have helped in what I regard as far the most important question with which the human race is concerned. A celebrated psychic Mrs. Piper uttered in the year 1899 words which were recorded by Dr. Hodgson at the time she was speaking in trance upon the future of spiritual

religion and she said In the next century this will be astonishingly perceptible to the minds of men I will also make a statement which you will surely see verified Before the clear revelation of spirit communication there will be a terrible war in different parts of the world The entire world must be purified and cleansed before mortal can see through his spiritual vision his friends on this side and it will take just this line of action to bring about a state of perfection Friend kindly think of this We have had the terrible war in different parts of the world The second half remains to be fulfilled
