

SIR HENRY  
POTTINGER

FIRST GOVERNOR OF  
HONG  
KONG

GEORGE POTTINGER

# Sir Henry Pottinger The First Governor Of Hong Kong

**Cindy Wong, Gary McDonogh**

## **Sir Henry Pottinger The First Governor Of Hong Kong:**

*Sir Henry Pottinger* George Pottinger, 1997 Hong Kong Island was occupied by Britain in 1841 and formally ceded by the Chinese government under the Treaty of Nanking the following year The Kowloon Peninsula was acquired under the 1860 Peking Convention and the New Territories secured on a ninety nine year lease from 1898 At the end of more than 150 years of British rule this book examines the career of an outstanding imperial servant in order to explain why and how the British came to assume power there at all Sir Henry Pottinger soldier and diplomat was involved in some of the great issues of nineteenth century foreign and military policy As this book shows Pottinger s role in Hong Kong was decisive Without his influence it is most unlikely that the island would have been brought under the Crown It was his decision against advice from London to make Hong Kong the British base and he became the first Governor and Commander in Chief of the colony and its dependants Pottinger created the structure of Hong Kong s administration applying a British system of government to an overwhelmingly Chinese population and initiating its development into a major centre for Sino British trade during the late nineteenth and early twentieth centuries *Hong Kong History* Man-Kong Wong, Chi-Man Kwong, 2021-11-10 This book aims at providing an accessible introduction to and summary of the major themes of Hong Kong history that has been studied in the past decades Each chapter also suggests a number of key historical figures and works that are essential for the understanding of a particular theme However the book is by no means merely a general survey of the recent studies of Hong Kong history it tries to suggest that the best way to approach Hong Kong history is to put it firmly in its international context

A Biographical Sketch-book of Early Hong Kong G. B. Endacott, 2005-01-01 The biographical essays in this book first published in 1962 give a sharp and fascinating picture of some of the Europeans who helped establish the colony of Hong Kong and lived through its early years The history of the laws and courts of Hongkong, tracing consular jurisdiction in China and Japan and including parliamentary debates, and the rise, progress and successive changes in the various public institutions of the colony from the earliest period to the present time James William Norton-Kyshe, 1898 The History of the Laws and Courts of Hong-kong James William Norton-Kyshe, 1898 **History of the Laws and Courts of Hongkong. Tracing Consular Jurisdiction in China and Japan and Including Parliamentary Debates, and the Rise, Progress, and Successive Changes in the Various Public Institutions of the Colony from the Earliest Period to the Present Time. With Illustrations** James William Norton-Kyshe, 1898 Sikunder Burnes Craig Murray, 2016-10-20 A biography that restore s this remarkable young man to his rightful position as a leading figure in Scotland s contribution to our imperial history The Scottish Review This is an astonishing true tale of espionage journeys in disguise secret messages double agents assassinations and sexual intrigue Alexander Burnes was one of the most accomplished spies Britain ever produced and the main antagonist of the Great Game as Britain strove with Russia for control of Central Asia and the routes to the Raj There are many lessons for the present day in this tale of the folly of invading Afghanistan and Anglo Russian tensions in the

Caucasus Murray's meticulous study has unearthed original manuscripts from Montrose to Mumbai to put together a detailed study of how British secret agents operated in India. The story of Burnes' life has a cast of extraordinary figures including Queen Victoria, King William IV, Earl Grey, Benjamin Disraeli, Lola Montez, John Stuart Mill, and Karl Marx. Among the unexpected discoveries are that Alexander and his brother James invented the myths about the Knights Templars and Scottish Freemasons, which are the foundation of the Da Vinci Code, and that the most famous nineteenth-century scholar of Afghanistan was a double agent for Russia. An important re-evaluation of this most intriguing figure, William Dalrymple, bestselling author of *The Anarchy*. Murray's book is a terrific read. He has done full justice to the life of a remarkable British hero without ignoring his faults. *Daily Mail*. A fascinating book, his research has been prodigious both in libraries and on foot. He knows a huge amount about Burnes' life and work. *The Scotsman*.

**Hong Kong's History** Tak-Wing Ngo, 2002-09-11  
 Rewriting Hong Kong's history from the bottom up, the chapters investigate vital but hitherto obscured aspects of the colony's rise. They cover the Chinese collaboration with the colonial regime, legal discrimination and intimidation, rural politics, social movements, government-business relations, industrial policy, flexible manufacturing, and colonial historiography. Drawing together contributions from historians, sociologists, and political scientists, the book highlights the role played by a variety of social actors in Hong Kong's history and differs both from recent celebrations of British colonialism and anti-colonial Chinese nationalism.

**Global Hong Kong** Cindy Wong, Gary McDonogh, 2014-06-03  
 Global Hong Kong locates Hong Kong in the contemporary globalizing world. Hong Kong, as the authors argue, is an archetypal place sitting at the intersection of East and West. It is also a major center for global capital flows and world trade. Moreover, in recent years, the island's global cultural power has become increasingly evident as Hong Kong popular culture has spread to the West via a booming film industry. While looking at issues of postcoloniality, transnationalism, and economic globalization, Wong and McDonogh focus on the new cultures and social formations of contemporary Hong Kong as well as the transformation of the physical city itself. They also trace the new interconnections, economic, demographic, social, and cultural, between Hong Kong and other parts of the world that have been fostered by globalization. Books in this series look at how nations and regions across the world are navigating the tumultuous currents of globalization. Concise, descriptive, interdisciplinary, and theoretically informed, they serve as ideal introductions to the peoples and places of our increasingly globalized world.

**Status Anxiety** Bruce VonCannon, 2020-09-17  
 In this book, retired banking CEO Bruce VonCannon considers the past, present, and future of Hong Kong, the dynamic finance-driven autonomous city that is beset by global issues: US-China tension, income inequality, housing scarcity, climate change within the microcosm of a small island archipelago, and a hyper-specific local culture. The Hong Kong Special Administrative Region is today one of the world's foremost economic and financial hubs and a repository for 18% of the world's stored wealth, home to the region's most vibrant stock market, a major free-trade port city, and traditional gateway to mainland China, the world's 2nd largest economy. The recent street protests which broke out in June 2019 have been

described as a pro democracy movement However other analysts disagree and argue that the street protests have more in common with the populist movements springing up in other parts of the world as the result of a growing divide between rich and poor This book delves into financial realities Hong Kong s position within the new global competition between China and the United States and as a model for the urbanization of the future History of the Indian Navy Charles Rathbone Low,1877 *City Between Worlds* Leo Ou-fan Lee,2010-05-01 Hong Kong is perched on the fault line between China and the West a Special Administrative Region of the PRC Leo Ou fan Lee offers an insider s view of Hong Kong capturing the history and culture that make his densely packed home city so different from its generic neighbors The search for an indigenous Hong Kong takes Lee to the wet markets and corner bookshops of congested Mong Kok remote fishing villages and mountainside temples teahouses and noodle stalls Cantonese opera and Cantopop But he also finds the real Hong Kong in a maze of interconnected shopping malls a jungle of high rise residential towers and the neon glow of Chinese owned skyscrapers in the Central Business District where land development global trade capital accumulation consumerism and free market competition trump every value except family Lee illuminates the relationship between Hong Kong s geography and its colonial experience revisiting colonial life on the secluded Peak in the opium filled godowns along the harborfront and in crowded plague infested tenements He examines with a critic s eye the Hong Kong story in film and fiction romance in the bars and brothels of Wan Chai crime in the walled city of Kowloon ennui on the eve of the 1997 handover Whether viewed from Tsing Yi Bridge or the deck of the Star Ferry from Victoria Peak or Lion Rock Hong Kong sparkles here in all its multifaceted complexity a city forever between worlds **Forgotten Souls** Patricia Lim,2011-02-01 The author has recorded the inscriptions on all 8000 graves in the HK Cemetery These by the way will be available in due course as an on line database through the Hong Kong Memory project She has selected from the graves she has recorded a wide range of people whose lives shed light on the nature of society in Hong Kong Inevitably as this was the Colonial cemetery they are predominantly Europeans although there are numerous Chinese and a surprising number of Japanese too She has then sought out information on these people from contemporary newspapers land records court records etc to provide a rich description of life in Hong Kong during the first 100 years approximately from its colonization and a wonderful series of anecdotes Patricia Lim has lived in Hong Kong for more than thirty years and is married to a Chinese She studied at Cambridge University and had a long and happy career teaching English History and Latin in various schools and bringing up a family of three daughters On her retirement from teaching she decided to try to bring the often hard to find heritage of Hong Kong Island Kowloon and the New Territories to the attention of a wider public by publishing two books of walks This book followed on from the second book When gathering material for a walk round the cemeteries of Happy Valley the old silent granite monuments and headstones sparked a keen interest in the lives of the forgotten people who lay buried in Hong Kong Cemetery Patricia Lim turns a tour of the Cemetery into a tantalizing historical journey rediscovering the many

individuals whose lives even the most fleeting and obscure reflect significant developments and provide a nuanced understanding of Hong Kong's past. A solid database and a riveting good read. A winning combination. Elizabeth Sinn, University of Hong Kong. *The Englishman in China During the Victorian Era, Vol. I (of 2)* Alexander Michie, 2020-08-05. Reproduction of the original *The Englishman in China During the Victorian Era Vol I of 2* by Alexander Michie.

**Promoting Prosperity** Catherine M. Jones, 1990. *The Law and Regulation of Public Health* Eric C. Ip, 2023-11-10. Public health law has been a subject of much controversy and contestation especially since the COVID 19 pandemic broke out. This timely book inquires into the foundational principles of a form of public health law that takes seriously the inherent dignity of the human person. Written from a multidisciplinary perspective, this illuminating study makes the case that the rule of law just as much as population health is an essential determinant of human well-being. Choosing the case of the Hong Kong Special Administrative Region of the People's Republic of China where life expectancy is among the highest in the world yet whose well-established rule of law tradition is oft perceived to be under strain in describing the central dilemmas of public health law, it makes an original contribution to our knowledge of comparative public health law and public health ethics. Situating Hong Kong's public health law in the context of global health, *The Law and Regulation of Public Health* should appeal across the world to students and scholars of public health, medical law, public law, comparative law, and international law. It accessibly explains the law to epidemiologists and public health policymakers and public health to jurists and legal practitioners. This book lucidly urges professionals of public health and law to reflect on how the myriad legal instruments and legal institutions should best be used to promote and protect public health in ways that are at once ethical and lawful. It is a must-read for anyone who is interested in gaining insights into public health law and regulation in this highly internationalised Chinese Special Administrative Region. *The Hong Kong Health Sector* Robin Gauld, Derek Gould, 2002. The book covers the period from British colonisation of Hong Kong in 1841 through to the present day. It looks at the way in which the health sector developed the structural arrangements that resulted and the manner in which the health system functions today. **Insight Guides City Guide Hong Kong (Travel Guide eBook)** Insight Guides, 2019-01-01. ### **Sir Henry Pottinger The First Governor Of Hong Kong Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sir Henry Pottinger The First Governor Of Hong Kong free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sir Henry Pottinger The First Governor Of Hong Kong free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sir Henry Pottinger The First Governor Of Hong Kong free PDF files is convenient, its important to note that copyright laws must

be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Sir Henry Pottinger The First Governor Of Hong Kong. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sir Henry Pottinger The First Governor Of Hong Kong any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Sir Henry Pottinger The First Governor Of Hong Kong Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
