Sissyphobia Gay Men And Effeminate Behavior

Tommaso M. Milani

Sissyphobia Gay Men And Effeminate Behavior:

Sissyphobia Tim Bergling, 2001 Here is a revealing look into male effeminacy why some gay men are swishy why other gay men are more masculine and why effeminate men arouse anger disgust and disdain in both gay and straight men Sissyphobia explores those negative feelings that are aimed at people termed fairies faggots flamers and queens men who as author Tim Bergling puts it run more toward what we could term the Quentin Crisp school of homosexuality Publisher description **Gendered Outcasts and Sexual Outlaws** Chris Kendall, Wayne Martino, 2012-12-06 A candid re examination of what it means to be a gay man Gendered Outcasts and Sexual Outlaws Sexual Oppression and Gender Hierarchies in Queer Men s Lives explores the impact and effects of sexual oppression and power relationships within the gay male community This controversial book features thoughtful and provocative essays from authors educators and activists who challenge the stigmatization and issues of power they face as gay men who don t fit the masculine mold formed by the gay porn industry and the media Their poignant words reveal the sting of finding discrimination and alienation where least expected as the rise of sexualized hyper masculinity racism and femiphobia among gay men has created a need to re examine appropriate gay male identity and sexuality Editors Christopher Kendall and Wayne Martino who have written about and researched the negative side of gay male pornography the links between sexism and homophobia gay male suicide and the impact of masculinity and sexuality on gay men divide the book s powerful essays into two sections The Dynamics of Sex Gender Oppression and When Gender Harms and Oppression Becomes the Norm The first section challenges the assumptions that form the basis of gay male identity Relying on the work of radical feminists and cultural theorists the authors explore the meaning of gender in a society that expects men to act according to a masculine ideal and punishes them when they don t The book s second section analyzes the reality of gender oppression caused by inequality and sexualized gender hierarchies Contributors discuss what can happen when gay men take seriously the sexual role models that are offered and what happens if they dare to reject them Gendered Outcasts and Sexual Outlaws examines effeminacy in gay men s lives the idealization of the gay male body straight acting masculinities and the rejection of the feminine narcissism masculinity and body absorption racialized masculinity the feminization of the Asian gay male in gay pornography gay male rape domestic violence and much more Gendered Outcasts and Sexual Outlaws is an eye opening re evaluation of what being gay means why being gay is still considered socially unacceptable and how the gay male community can respond to systemic stigmatization and hate *The Social Psychology of Gay Men* Rusi Jaspal, 2019-08-14 This book focuses on the social psychological aspects of gay men s lives and provides a cutting edge examination of topics including sexual orientation sexual behavior identity relationships prejudice and health The Social Psychology of Gay Men forces us to re think existing theory and research much of which has taken heterosexuality for granted With identity process theory at its heart this book advocates a social psychology of gay men which incorporates three levels of analysis the psychological interpersonal and

societal The book promises not only a deeper understanding of gay men s lives but also pathways for enhancing wellbeing intergroup relations and equality in this key population This illuminating and thought provoking text is an invaluable resource not only for psychologists but for students scholars and practitioners working in the area of gay men s life

Queer Issues in Contemporary Latin American Cinema David William Foster, 2009-08-17 Viewing contemporary Latin American films through the lens of queer studies reveals that many filmmakers are exploring issues of gender identity and sexual difference as well as the homophobia that attempts to defeat any challenge to the heterosexual norms of patriarchal culture In this study of queer issues in Latin American cinema David William Foster offers highly perceptive queer readings of fourteen key films to demonstrate how these cultural products promote the principles of an antiheterosexist stance while they simultaneously disclose how homophobia enforces the norms of heterosexuality Foster examines each film in terms of the ideology of its narrative discourse whether homoerotic desire or a critique of patriarchal heterosexism and its implications for Latin American social life and human rights His analyses underscore the difficulties involved in constructing a coherent and convincing treatment of the complex issues involved in critiquing the patriarchy from perspectives associated with queer studies The book will be essential reading for everyone working in queer studies and film studies The films discussed in this book are *De eso no se habla* I Don t Want to Talk about It *El lugar sin lmites* The Place without Limits *Aqueles dois* Those Two *Convivencia* Living Together *Conducta impropia* Improper Conduct *The Disappearance of Garc a Lorca* *La Virgen de los Sicarios* Our Lady of the Assassins *Do a Herlinda y su hijo* Do a Herlinda and Her Son *No se lo digas a nadie* Don t Tell Anyone *En el para so no existe el dolor* There Is No Suffering in Paradise *A intrusa* The Interloper *Plata quemada* Burnt Money *Afrodita* Aphrodite *Fresa y chocolate* Strawberry and Chocolate **Queer South Rising** Reta Ugena Whitlock, 2013-03-01 *Queer South Rising* Voices of a Contested Place is a collection of essays about the South by people who identify as both Southern and queer The collection s name hints at the provocative nature of its contents placing Queer and South side by side challenges readers to think about each word differently The idea that a queer South might rise undermines the Battle Cry of The South s Gonna rise Again embedded in the collective memory of a conservative South This rising does not refer to a kind of Enlightenment transcendence where the region achieves some sort of distinctive prominence It suggests instead ruptures like furrows in a plowed field where seeds are sown The rising Whitlock envisions is akin to breaking and turning over meanings of Southern place The title further serves to remind readers of the complexities of the place as it calls into question notions of a universal homogenous LGBT queer identity *Queer South Rising* is the first truly interdisciplinary collection of essays on the South and queerness that deliberately aims for multiple approaches to the topics This collection is intended for a wide audience of regular folks Essays explore multiple intersections of Southern place religion politics sexuality race education that transcend regional boundaries This book counters conventional scholarly texts it invites all readers interested in the South and queer themes to engage with the narratives it holds and perhaps question

their assumptions Whitlock has sought in collecting these essays to seek out a diverse group of authors across disciplines professions and interests to shatter perceptions about a nostalgic romanticized Southern culture in general Language and Masculinities Tommaso M. Milani,2014-12-05 This volume showcases cutting edge research in the linguistic and discursive study of masculinities comprising the first significant edited collection on language and masculinities since Johnson and Meinhof s 1997 volume Overall the chapters are linked together by a critical analytical perspective that seeks to understand the relationships between discourse masculinities and power Whereas some of the chapters offer detailed linguistically informed critiques of the ways in which old and new expressions of masculinities are complicit in the reproduction of men s hegemonic positions of power others provide a more complex picture one in which collusion and subversion go hand in hand Contributions argue for the need for research on language and masculinities to expand its remit so as to engage with gay masculinities and unsettle gendered categories in order to consider the ways in which women transgender and intersex individuals also perform a variety of masculinities Finally unlike Johnson and Meinhof s 1997 collection this volume not only offers a wider and perhaps queerer perspective on the study of language and masculinities but also covers a broader geographical and socio cultural spectrum including work on Brazil Israel New Zealand Singapore and South Africa Transgender Voices Lori B. Girshick,2009-06-30 A revealing look at the lives and perspectives of transgender and gender variant people based on 150 personal interviews *Queer Sex Life* Terry Goldie,2010-09 Evocative of writers Patrick Califia Rice and Kate Bornstein whose best works explore gender and sexuality through personal memoir queer sex life is a frank and intimate collection of responses to theories of queer sexuality and identity as viewed through the author s own experiences By turns insightful and elegant Terry Goldie delves into contemporary subject matter both fraught and explicit revealing subtle fluid truths about human sexuality and desire drag queens feminism cross cultural sex bisexuality gay youth and the concept of being out among others Goldie explores this diverse terrain with a perceptive and provocative eye as he attempts to understand the complex issues of sexuality and gender from within and as a result to understand himself The result expands and deepens our understanding of the parameters and ramifications not only of queer sexuality but human sexuality in general in terms that are both beautiful and unapologetic Queer sex life is a book for LGBTQ studies and general readers alike *Under Bright Lights* Bobby Benedicto,2014-10-15 Gay friendly dance clubs upmarket bars and party circuits such commercial venues evoke the image of a gay globe but what happens when they are bound to a landscape of disorder mass poverty and urban decay Vividly describing this world of contradictions through the prism of twenty first century Manila Under Bright Lights challenges popular interpretations of the third world queer as a necessarily radical figure Drawing on ethnographic research Bobby Benedicto paints a remarkably counterintuitive portrait of gay spaces in postcolonial cities He argues that Filipino gay men s pursuit of an elusive global gay modernity sustains the very class gender and racial hierarchies that structure urban life in the Philippines Benedicto examines for example how practices such

as driving enable the emergence of a classed gay cityscape and how scenes of networked global cities engender discourse that positions Manila within a global system of gay capitals And yet he also analyzes how the fantasy of gay globality is imperiled when privileged gay men from Manila while traveling abroad encounter Filipino labor migrants and come face to face with the exclusionary racial orders that operate in gay spaces overseas Unique in its methodological approach Under Bright Lights employs affective first person storytelling techniques to capture the visceral experience of Manila and gay life in a third world city

On Sexuality and Power Alan Sinfield,2004 This book argues that hierarchies in interpersonal relations are inextricably linked to the main power differentials of our social and political life gender class age and race therefore it is not surprising that they govern our psychic lives Recent writing enables an exploration of their positive potential especially in fantasy as well as their danger The book focuses on the writing of the last thirty years revisiting also Whitman Wilde Mann Forster and Genet and reassessing the very idea of a gay canon

Sex and Gender Heidi R. Riggio,2020-09-02 Using both scientific and feminist approaches in its analysis Sex and Gender A Biopsychological Approach provides a current and comprehensive understanding of its titular topics making it an invaluable textbook for instructors and students Sex and gender can only be properly understood when examined in the contexts of biological psychological and social processes and the interactions between those processes The structure of this book facilitates this necessary exhaustive discussion First section a biological analysis that discusses evolutionary cellular and genetic processes and their effects on physical and behavioral development Second section a psychological and sociological analysis that discusses stereotypes sexism and theories of gender Final section a discussion of the current global challenges surrounding sex and gender such as discrimination and religious and social oppression of various groups Across chapters bonus features that can be used as discussion topics student essay topics or special topics for instructors to expand the text s discussion into the classroom The text s unique focus on biological psychological and social processes as separate entities and interacting processes make Sex and Gender crucial for a comprehensive and advanced understanding of the subject This is an essential resource for instructors who want to bring a thorough and complex analysis of sex and gender studies to their classrooms

Sex in Antiquity Mark Masterson,Nancy Sorkin Rabinowitz,James Robson,2018-02-05 Looking at sex and sexuality from a variety of historical sociological and theoretical perspectives as represented in a variety of media Sex in Antiquity represents a vibrant picture of the discipline of ancient gender and sexuality studies showcasing the work of leading international scholars as well as that of emerging talents and new voices Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections Sex in Antiquity is a major contribution to the

field of ancient gender and sexuality studies

Getting Real About Inequality Cherise A. Harris, Stephanie M.

McClure, 2022-01-07 *Getting Real About Inequality* is a contributed reader for undergraduate courses in Race Class Gender Social Inequality or the Social Construction of Difference and Inequality. It gives instructors in these courses a set of materials to help them moderate civil productive and social science based discussions with their students about social statuses and identities. Like the book it is modeled after *Getting Real About Race* it is organized around myths and stereotypes that students might already believe or be familiar with through the media or popular culture. A panel of expert contributors were enlisted to write short accessible essays address the same questions: What is the myth or stereotype under investigation? How do we know that the myth or stereotype is widespread? What does the empirical data tell us and provide the same pedagogical features: a summary of the research data, discussion questions, suggestions for further study, suggested activities and assignments. All of the pieces in the book employ an intersectional perspective to help students see the nuanced mechanisms of power and inequality that are often lost in everyday discourse.

Encyclopedia of School Crime and Violence

Laura L. Finley, 2011-09-13 This book provides a thorough compilation of the types, specific incidents, relevant agencies, theories, responses, and prevention programs relevant to crime and violence in schools and on campuses. *Encyclopedia of School Crime and Violence* is the most comprehensive reference on this deeply unsettling topic ever undertaken. No other volume integrates as much information about the many types of crime and violence occurring in schools as well as the variety of responses and prevention efforts aimed at curbing it. In a series of alphabetically organized entries, *Encyclopedia of School Crime and Violence* looks at significant cases both at high schools and on college campuses with coverage that includes professional and community responses and theories as to why these events happened. Unlike other volumes that focus only on the most sensational events, the encyclopedia spans the full spectrum of school crime, not just the high profile cases like Columbine and Virginia Tech, but the insidious problems of theft, bullying, cybercrime, violence, sexual assault, and more. Coverage includes information on some cases outside the United States as well as entries on the government agencies and other organizations dedicated to analyzing and eradicating school crime and violence.

LGBQ Legislators in Canadian Politics Manon Tremblay, 2022-01-12 This book considers the impact that the increasing number of LGBQ politicians in Canada has had on the political representation of LGBTQ people and communities. Based on analysis of parliamentary speeches and interviews with 28 out LGBQ parliamentarians in Canada between 2017 and 2020, Tremblay shows how out LGBQ MLAs and MPs take advantage of their intermediary position between the LGBTQ movement and the state to represent LGBTQ people and communities. For example, the politicians in this study introduce pro LGBTQ bills, lobby cabinet ministers, act as a bridge between LGBTQ groups and the civil service, and give talks in schools about their identities. Most importantly, they act as role models for LGBTQ people, particularly children and teens, and contribute to lifting the social stigma around sexuality and gender identity. This latest volume in our Sustainable Development Goals series underlines that SDG 16 Peace

Justice and Strong Institutions can only be accomplished with political representation for the LGBTQ community and minority groups in general

Acting Queer Conrad Alexandrowicz, 2020-01-14 This book is situated at the intersection of queer gender studies and theories of acting pedagogy and performance It explores the social and cultural matrix in which matters of gender are negotiated including that of post secondary theatre and drama education It identifies the predicament of gender dissident actors who must contend with the widespread enforcement of realist paradigms within the academy and proposes a re imagining of the way drama theatre performance are practised in order to serve more fairly and effectively the needs of queer actors in training This is located within a larger project of critique in reference to the art form as a whole The book stimulates discussion among practitioners and scholars on matters concerning various kinds of diversity of gender expression of approaches to the teaching of acting and to the way the art form may be imagined and executed in the early years of the 21st Century in particular in the face of the climate crisis But it is also an aid to practitioners who are seeking new theoretical and practical approaches to dealing with gender diversity in acting pedagogy

Straight Girls and Queer Guys Pullen Christopher Pullen, 2016-01-18 Exploring the archetypal representation of the straight girl with the queer guy in film and television culture from 1948 to the present day Straight Girls and Queer Guys considers the process of the hetero media gaze and the way it contextualizes sexual diversity and gender identity Offering both an historical foundation and a rigorous conceptual framework Christopher Pullen draws on a range of case studies including the films of Doris Day and Rock Hudson the performances of Kenneth Williams televisions shows such as Glee Sex and the City and Will and Grace the work of Derek Jarman and the role of the gay best friend in Hollywood film Critiquing the representation of the straight girl and the queer guy for its relation to both power and otherness this is a provocative study that frames a theoretical model which can be applied across diverse media forms

Fat Gay Men Jason Whitesel, 2014-07-25 To be fat in a thin obsessed gay culture can be difficult Despite affectionate in group monikers for big gay men chubs bears cubs the anti fat stigma that persists in American culture at large still haunts these individuals who often exist at the margins of gay communities In Fat Gay Men Jason Whitesel delves into the world of Girth Mirth a nationally known social club dedicated to big gay men illuminating the ways in which these men form identities and community in the face of adversity In existence for over forty years the club has long been a refuge and safe space for such men Both a partial insider as a gay man and an outsider to Girth Mirth Whitesel offers an insider s critique of the gay movement questioning whether the social consequences of the failure to be height weight proportionate should be so extreme in the gay community This book documents performances at club events and examines how participants use allusion and campy queer behavior to reconfigure and reclaim their sullied body images focusing on the numerous tensions of marginalization and dignity that big gay men experience and how they negotiate these tensions via their membership to a size positive group Based on ethnographic interviews and in depth field notes from more than 100 events at bar nights caf klatches restaurants potlucks holiday bashes pool parties movie nights and

weekend retreats the book explores the woundedness that comes from being relegated to an inferior position in gay hierarchies and yet celebrates how some gay men can reposition the shame of fat stigma through carnival camp and play A compelling and rich narrative Fat Gay Men provides a rare glimpse into an unexplored dimension of weight and body image in American culture

LGBT Identity and Online New Media Christopher Pullen, Margaret Cooper, 2010-06-04 LGBT Identity and Online New Media examines constructions of LGBT identity within new media The contributors consider the effects issues influences benefits and disadvantages of these new media phenomena with respect to the construction of LGBT identities A wide range of mainstream and independent new media are analyzed including MySpace Facebook YouTube gay men s health websites message boards and Craigslist ads among others This is a pioneering interdisciplinary collection that is essential reading for anyone interested in the intersections of gender sexuality and technology

Borderland on the Isthmus Michael E. Donoghue, 2014-04-23 The construction maintenance and defense of the Panama Canal brought Panamanians U S soldiers and civilians West Indians Asians and Latin Americans into close even intimate contact In this lively and provocative social history Michael E Donoghue positions the Panama Canal Zone as an imperial borderland where U S power culture and ideology were projected and contested Highlighting race as both an overt and underlying force that shaped life in and beyond the Zone Donoghue details how local traditions and colonial policies interacted and frequently clashed Panamanians responded to U S occupation with proclamations protests and everyday forms of resistance and acquiescence Although U S Zonians and military personnel stigmatized Panamanians as racial inferiors they also sought them out for service labor contraband sexual pleasure and marriage The Canal Zone he concludes reproduced classic colonial hierarchies of race national identity and gender establishing a model for other U S bases and imperial outposts around the globe
