Sister In Waiting:

Sister in Waiting Cathy Linton,1987 **Our Stories: Still Surviving 2017** autobiography of the Class of 2021,2017-08-13 We may not wear our stories on our faces our hearts on our sleeves but beneath the masks please know We are indeed a group of heart A group of tolerance A group who struggles silently and laughs loudly We are the ones with courage with love and devotion We may have lost our cool a time or two but we always got it back These people meant more to us than anything These dreams were not handed over It didn't come easily So we tell you these stories that you also may have heart That you also may persevere With great love This book is our autobiography These are OUR STORIES We are STILL SURVIVING *KID SISTER* Judy Light,2007-12-10 Is it always with brothers and sisters that there are those days when you just don't see eye to eye on much of anything It is on those days that we wonder was I adopted or what Then you hear someone say Well you can pick your friends however you can't pick your family And you laugh and say to yourself at times I can't even pick good friends Family members are onboard through it all the good and the bad Judy Light has lived in Northern California since she was twenty eight years old However she grew up in Pine Bluff Arkansas attending schools and doing all the normal things a young southern girl does and then she moved away This story is about the interaction over a long period of time between Judy and her brother Lonnie The journey will take you first to their childhood days and then quickly to adulthood You will see how two people who didn't get along as children are more or less the same two people as adults How circumstances and love bring these two people together and how life teaches the human compassion of loving someone and letting them go The story is humorous and will tickle your funny bone yet at times it will make you sad and reflective about how life can throw you a curve ball The writer writes from her heart allowing you to see as she paints the pictures of her happiness her sadness and the wonderful people that she calls family and friends Read and enjoy
