Sitting Ducks:

Sitting Ducks Michael Bedard, 2001-06-25 Day after day brand new ducks roll off a giant assembly line operated by alligators at the Colossal Duck Factory They are loaded into trucks and taken to Ducktown where they are fattened up in preparation for their final destination into the stomachs of alligators Everything proceeds smoothly until the day one of the alligators decides to take a wayward duck home Over time the alligator grows fond of his future dinner Can a duck and an alligator really be friends in an alligator eat duck world Find out in this charming and humorous friendship story [Sitting Ducks at Guadalcanal](#) Lawrence A. De Graw, 2023-12-15 On August 7 1942 U S Marines waded ashore in the Solomons

defended by warships of the U S Navy The amphibious landing was the first major American ground campaign of the Pacific War intended to prevent the Japanese from establishing naval and air bases in the island chain and to establish Allied bases for future operations Most famously and most gruelingly the invasion marked the beginning of the months long Guadalcanal campaign Caught off guard the Japanese swiftly regrouped for a seaborne counterattack on the night of August 8 9 The result was one of the worst American naval defeats of the war after Pearl Harbor In this meticulous minute by minute retelling of the First Battle of Savo Island Lawrence De Graw covers the navy's role in the initial landings on Guadalcanal before setting the stage for the naval clash that would come the next night On the eighth the American commander fearing Japanese attacks and cautious about fuel levels withdrew his aircraft carriers and let his cruisers and destroyers exhausted from two days of high alert and combat operate with only half their crews on duty The navy was unaware the Japanese had been training to fight at night The American ships were sitting ducks when the Japanese fleet steamed through The Slot between Savo Island and Guadalcanal and into what became known as Ironbottom Sound In little more than thirty minutes the Japanese sent three U S and one Australian heavy cruisers to the bottom and damaged three other vessels The American fleet withdrew from the area for the foreseeable future and limited shipments of men and materiel to the daytime helping turn the battle of Guadalcanal into a long hard slog **Sitting Ducks at Guadalcanal** is naval history featuring a colorful narrative that covers the big picture as well as stories of individual vessels and sailors as well as a careful analysis of the battle and just what went wrong for the U S Navy off the island of Guadalcanal **Sitting Duck Division** John W.

Morse, 2001-01-05 This is the story of one boy soldier and his fellow GIs from draft to disaster and back during WW II From basic blunders to bitter battle and prisoner of war persevering a small town kid learns about life and death love laughter and more **Freaks Talk Back** Joshua Gamson, 1998-05-13 With wit and passion **Freaks Talk Back** illuminates the joys

dilemmas and practicalities of media visibility in an age of shock amusement and turmoil 9 photos *Gender, Race, and Class in Media* Gail Dines, 2003 *Gender Race and Class in Media* examines the mass media as economic and cultural institutions that shape our social identities Through analyses of popular mass media entertainment genres such as talk shows soap operas television sitcoms advertising and pornography students are invited to engage in critical mass media scholarship

A comprehensive introductory section outlines the book's integrated approach to media studies which incorporates three distinct but related areas of investigation: the political economy of production, textual analysis, and audience response. The readings include a dozen new original essays edited for maximum accessibility. The book provides a comprehensive critical introduction to Media Studies. An analysis of race that is integrated into all chapters. Articles on Cultural Studies that are accessible to undergraduates. An extensive bibliography and section on media resources. Expanded coverage of queer representations in mass media. A new section on the violence debates. A new section on the Internet. Together with new section introductions, these provide a comprehensive critical introduction to mass media studies.

The Sitting Duck

George Bagby, 1981. Five years after he had testified against some dangerous underworld gangsters and been given a new identity by the FBI, Jack Sterling reappears in New York and is murdered. Inspector Schmidt, with the help of writer George Bagby, has to find out who's responsible.

Minnesconsin Bill Klein, 2006-08-01. The rich history of the ill-fated town of Minnesconsin is detailed in all its ragged, shameful, and downright moronic glory. Enjoy history written as it really should be by the losers.

Sockology Brenna Maloney, 2021-07-30. A gallery of fabulously funky projects. Instructions are provided for some lovely little animals from the author of the bestselling *Socks Appeal*. Australian Homespun Breanna Maloney is back with a new posse of cute creatures. In this sequel book *Sockology*, you are encouraged to take it one step further with slightly more complex construction and endless inspiration. From a lovable jointed bear and fluffy sheep to a quirky many-eyed alien, these 16 projects will surely keep you entertained and challenged for hours. Don't worry: detailed hand-drawn templates are included to guide you every step of the way. Praise for *Socks Appeal*: Assigned to cover the recession and housing crises that was brewing in 2008, Maloney started making sock animals for her children as a stress reducer. Maloney found that the more traumatic her job got, the more creating a new sock animal each night seemed to help. Maloney's wit and candor in how she writes the instructions is hilarious. Publishers Weekly. Her collection takes the classic idea of the sock monkey and makes it into something new using basic techniques and imagination. Most of the projects are easy enough for supervised children, but adults who like a little whimsy won't be disappointed either. Library Journal.

I Once Was Lost Theron J. Houston, 2009-05-20. Have you ever felt so down that you feel like God has turned away from you? In this pensive anthology, Theron J. Houston shares reflections of a life journey filled with inner and external struggles that led him astray. *I Once Was Lost* captures his battle in spiritual warfare. It is a frank reflection of an imperfect life filled with wrong turns, trauma, and bad decisions. Yet there remains a hope that things will get better once you surrender yourself to God. The author held on to his hopes, dreams, memories, and faith in God. He once was lost but now is found.
