Situation And Theology Old Testament Interpretations Of Syroephraimite War:

Situation and Theology Michael E. W. Thompson,1982 **Situation and Theology** Michael E. W. Thompson,1982

The Birth Report Genre in the Hebrew Bible Timothy D. Finlay,2005 Timothy D Finlay conducts a comprehensive analysis of all birth reports in the Hebrew Bible These passages include genealogies stories of annunciation to barren women and prophetic narratives The birth reports may be short but they contribute greatly to the plot **BOOK JACKET The Old**

Testament and Folklore Study Patricia G. Kirkpatrick,1988-01-01 Since Gunkel folklore studies have exercised a great influence upon theories of oral composition and transmission of the patriarchal narratives Dr Kirkpatrick subjects the underlying premises supporting many of these theories to a careful examination in the light of the most recent folklore research *A History of Israelite Religion in the Old Testament Period* Rainer Albertz,1994-01-01 This book the first of two

volumes offers a comprehensive history of Israelite religion It is a part of the Old Testament Library series The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing **Isaiah 40-66** Michael E. W.

Thompson,2012-04-01 This commentary explores some of the most thrilling chapters of the Old Testament The Israelites exile is at an end and in Isaiah 40 55 the prophet calls them to leave Babylon Chapters 55 66 are about how these people deal with aspects of restored life in Jerusalem the old political and religious centre but now so different Here also are significant passages about a Servant of the Lord and the challenging call to servanthood on the part of God s people Michael Thompson examines these chapters both against their original backgrounds and also as scripture for God s people today **The Last**

Days of the Kingdom of Israel Shuichi Hasegawa,Christoph Levin,Karen Radner,2018-11-05 Despite considerable scholarly efforts for many years the last two decades of the Kingdom of Israel are still beneath the veil of history What was the status of the Kingdom after its annexation by Assyria in 732 BCE Who conquered Samaria the capital of the Kingdom When did it happen One of the primary reasons for this situation lies in the discrepancies found in the historical sources namely the Hebrew Bible and the Assyrian texts Since biblical studies and Assyriology are two distinct disciplines the gaps in the sources are not easy to bridge Moreover recent great progress in the archaeological research in the Southern Levant provides now crucial new data independent of these textual sources This volume a collection of papers by leading scholars from different fields of research aims to bring together for the first time all the available data and to discuss these conundrums from various perspectives in order to reach a better and deeper understanding of this crucial period which possibly triggered in the following decades the birth of new Israel in the Southern Kingdom of Judah and eventually led to the formation of the Hebrew Bible and its underlying theology *Retribution and Eschatology in Chronicles* Brian E.

Kelly,1996-01-01 The Jews who returned from exile in Babylonia to Jerusalem and Judah faced difficult and straitened times in which the bright hopes of the Restoration had faded The Chronicler wrote his history partly to encourage his community to

have faith in God's ancient promises to David that better things would come to a penitent people. Although not often recognized as such, the books of Chronicles belong to the mainstream of biblical teaching on divine grace and hope as the present study shows by analysing its themes of reward and punishment and its teaching on the future. It differs significantly from the interpretation given by Sara Japhet in her monograph on Chronicles of 1989 and her major new commentary of 1993.

The Sanctuary of Bethel and the Configuration of Israelite Identity Jules Francis Gomes, 2012-02-14. After Jerusalem Bethel is the most frequently cited sanctuary in the Hebrew Bible. The book offers a detailed analysis of Bethel and its sanctuary from archaeological and biblical evidence. It reconstructs the history of Bethel and by analysing the presence of pro and anti Bethel propaganda it argues that the latter with its own pro Jerusalem Judah bias has resulted in an unfair denigration of Bethel as an idolatrous place of worship. The study suggests that Bethel was a legitimate Yahwistic shrine and continued to be so even after the fall of the Northern Kingdom of Israel to the Assyrians. Hence Bethel in a real sense was the principal means of configuring Israelite identity.

Hosea 2 Brad E. Kelle, 2005. The complex and at times violent metaphorical discourse of Hosea 2 has elicited a variety of interpretive approaches. This study explores the text from the perspective of rhetorical criticism. The classical conception of rhetoric as the art of persuasion and the function of metaphor within persuasive discourses and social settings correlate with the oracular characteristics of Hosea 2 and illuminate its use of specific metaphors. A reading of Hosea 2 from this perspective proposes that the prophets of Israel may have functioned in a manner similar to the orators of ancient Greece who delivered extended rhetorical discourses designed to discern meaning in contemporary events and to persuade audiences. This study offers a distinctively political reading of Hosea 2 that explores the text as a metaphorical and theological commentary on the political and religious dynamics in Israel at the close of the Syro Ephraimitic War 731-730 BCE. Paperback edition is available from the Society of Biblical Literature www.sbl-site.org.

The Reforming Kings Rich Lowry, 1991-08-01. An illuminating examination of the emergence of deuteronomistic theology in pre-exilic Judah. Judaeans' deuteronomism grew as a response to the social unrest of the Assyrian period, channelling popular discontent away from the Davidic monarchy and towards foreign imperialism. The author brings together different strands of current scholarship studying the economy of monarchical Judah and Israel and examining the commanding social role of the Davidic monarchy. Lowry also discusses Ahaz and the economic and religious impact of Assyrian imperialism and concludes with a discussion of the Manasseh narrative in Kings as a systematic rejection of the pre-deuteronomistic First Temple status quo.

King and Cultus in Chronicles William Riley, 1993-01-01. Revised and edited version of a dissertation presented to the Pontifical University of St Thomas in Rome in October 1990. p. 5.

Power Through Weakness Timothy B. Savage, 2004-12-02. Dr Savage seeks to understand the apostle Paul's apparently contradictory description of his ministry in 2 Corinthians as one in which power is manifested through weakness. When I am weak then I am strong. This paradox becomes intelligible when it is understood that Paul's critics were influenced by a perspective which was the exact opposite of his: they imbibed the self

exalting outlook of their contemporary world while he embraced the self emptying gospel of Christ Drawing from archaeological data on first century Corinth this study is unique in establishing both the secular underpinnings of Paul s paradoxical language and the devastating critique which that language offers on the general outlook of the first century Paul emerges as a radical foil to the spirit of the age **Hosea** Ehud Ben Zvi,2005-10-28 Ehud Ben Zvi s Hosea features a comprehensive introduction and careful commentary with special attention to themes of exile and restoration as well as extended discussion of didactic prophetic readings An excellent form critical interpretation of the book of Hosea this volume will be a valuable aid to scholars students and teachers **King and Cultus in Chronicles** William Riley,1993-09-01 By means of a final form consideration of the Chronicler s narrative this study focuses attention on Chronicles portrayal of the interactive relationship between the Jerusalem kings and the Jerusalem cultus The Chronicler s development of ancient Near Eastern royal and temple ideologies is examined a development that allowed the monarchical ideologies to be applied to Judah long after kingship had ceased How the Chronicler s portrayal of the relationship between the kings and the Jerusalem cultus allowed monarchical ideologies to be applied to Judah long after kingship had ceased *Prophetic Drama in the Old Testament* David Stacey,2018-09-12 Most books on the prophets contain a page or two on what is usually called prophetic symbolism but full scale treatments are remarkably few and in English entirely lacking Dr Stacey examines all the evidence in detail considers the various explanations of the phenomenon that have been offered gives particular attention to the apparent link with magic and provides a model whereby these dramatic actions can be properly understood This book is significant for the study of Hebrew religion it also paves the way for further investigation of similar actions in the New Testament **Jerusalem's Rise to Sovereignty** Ingrid Hjelm,2004-09-01 Ingrid Hjelm examines the composition of the Books of Kings using the Hezekiah narratives in 2 Kings 18 20 as a focus She argues that this narrative is taken from that of the book of Isaiah with which it shares linguistic and thematic elements In Kings it is used with the specific purpose of breaking the compositional pattern of curse which threatens to place Jerusalem on a par with Samaria Jerusalem traditions are examined against theories of a late Yahwist author and the Pentateuch s origin within a Jerusalem cult While the Pentateuch in its final form became a common work acceptable to all groups because of its implied ambiguity the Deuteronomistic History s favoring of David and Jerusalem holds a rejection of competitive groups as its implied argument *David and Zion* Jimmy Jack McBee Roberts,2004 J J M Roberts was graduated from Harvard University taught at The Johns Hopkins University and then spent the bulk of his teaching career at Princeton Theological Seminary where he influenced and was well loved by several generations of students Here 21 colleagues and former students contribute essays that reflect Roberts core interests **2 Kings** Burke O. Long,1991 2 Kings is Volume 10 of The Forms of the Old Testament Literature a series that aims to present a form critical analysis of every book and each unit in the Hebrew Bible Fundamentally exegetical the FOTL volumes examine the structure genre setting and intention of the biblical literature in

question They also study the history behind the form critical discussion of the material attempt to bring consistency to the terminology for the genres and formulas of the biblical literature and expose the exegetical process so as to enable students and pastors to engage in their own analysis and interpretation of the Old Testament texts Long views 1 2 Kings as a substantially unified written work of historiography produced during the Babylonian exile Hence he begins his detailed form critical commentary on 2 Kings where he left off in his volume on 1 Kings Following the series format Long discusses the text of 2 Kings unit by unit in terms of structure genre setting and intention concluding each unit with a bibliography As in his volume on 1 Kings Long here integrates his form critical work with a discussion of the book s literary art e g style metaphor imagery to expose the narrative genius which awakens imaginative response in the reader The volume concludes with a glossary of the genres and formulas identified in 2 Kings Publisher Constituting the Community Samuel Dean McBride, 2005 This fresh collection of essays honors the life and work of Professor Dean McBride Revolving around the theme of polity in ancient Israel this festschrift addresses many aspects of ancient Israelite society organization and political affairs The 15 contributors discuss themes such as justice self definition ethnicity constitutionalism reform and community as understood over the course of time in the books of Moses the Prophets and the Writings

Situation And Theology Old Testament Interpretations Of Syroephraimite War Book Review: Unveiling the Power of Words
