Floetry in the Spirit Jonika Smith, 2008-05-13 I've entitled this book Floetry In The Spirit because though it is poetry I flow in the Spirit This book entails a lot of my life yet even in its entirety you are seeing but a glimpse or a shadow When it comes to my life and ministry I am naked and not ashamed as you will soon discover God has given me a boldness to speak the truth without abandon because we all suffer from the same disease sin we just bite from different trees It took me a long time to get the following truth When God gives you a Vision He will also give you the Provision whether spiritually emotionally financially or otherwise It is He Who gives one the wherewithal to carry out His Will God has done so much for me in my life and this book is just a piece of all that He has done As you read you will see yourself But before you begin I ask that you pray Ask the Lord to speak to your heart concerning your heart Ask Him to reveal to you you My prayer is that the Spirit of God will speak to you through these words even if it's just through 1 word May you be forever changed **I am**

Hill, 2025-04-29 From blue note turmoil to grace note power Black women preachers stand tall In *Colored Women Sittin on High* Melanie R Hill offers a new perspective on the art of the sermon in African American literature music and theology Drawing on the womanist cadence of Alice Walker in literature and the rhythmical flow of named womanist theologians Hill makes interventions at the intersections of African American literary criticism music and religious studies Pushing against the patriarchal dominance that often exists in religious spaces Hill argues that Black women's religious practice creates a sermonic space that thrives inside and outside the church allowing for a critique of sexism and anti Black racism She examines literature by writers such as Zora Neale Hurston and James Baldwin music by Aretha Franklin and Ms Lauryn Hill and sermons by theologians Ruby Sales and Vashti M McKenzie and she takes readers into a sermonic artwork of artists preachers and freedom movement activists who are as Hill contends the greatest virtuosic alchemists of our time *Billboard*, 2002-10-19 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends My World, My Words Jacob Grovey, 2009-05 To many the world is a place where people are friendly to each other and value the company of others For the rest of the population they seem to live in a racist section of the world that time seems to have forgotten My opinion lies somewhere in the middle It is because of this my mind became cluttered It became a place where thoughts of love and optimism were constantly battling hatred and pessimism This particular collection of poetry is an inside look at that battle It is a journey through my life experiences and my viewpoint of the world It is written as if each poem is a conversation with the reader which gives everyone a sense of comfort and it allows the words to be genuine The poems were therapy during my time of need and I hope they are meaningful to all who see them What is life What is love What is death These questions among others have been able to stump the minds of the world's scholars since the beginning of time Each word brings up different emotions and forces every person to recall moments in their lives that can easily go from one extreme to the other The journey individuals take to find their own answers to these questions vary just as much as the people themselves This book just happens to be a small poetic sample of my journey thus far Like everyone else I have been in love but I have also had my heart broken There have been times when I have enjoyed life but I have also had to deal with the pain of death For some verbally speaking about their experience helps them deal with their pain Others such as myself have a difficult time speaking about the past So we choose to write about it With my writing

I have been able to recall and deal with the emotions of my past Although I have dealt with negativity seeing a written record of days gone by allows my outlook on life to remain positive We all have individual views and descriptions on the world this is just My World My Words JACOB G GROVEY began writing early in life At the age of eight he first saw people actually valued his words He was offered the opportunity to write for a magazine but as great as the opportunity was Jacob passed on it because he didn't want any pressure to be associated with his writing As the years passed he found himself writing less and less and before he knew it he had gone several years without writing anything As he thought back to the times when he wrote daily he soon became upset with himself for going so long without putting his thoughts onto paper In 2003 he vowed to never let that happen again Now he says I promise you the times that you'll catch me without some sort of notepad and pencil are gonna be few and far between because you never know when the inspiration will hit
