in Late Victorian Detective Fiction Dr Christopher Pittard,2013-05-28 Concentrating on works by authors such as Fergus Hume Arthur Conan Doyle Grant Allen L T Meade and Marie Belloc Lowndes Christopher Pittard explores the complex relation between the emergence of detective fictions in the 1880s and 1890s and the concept of purity The centrality of material and moral purity as a theme of the genre Pittard argues both reflected and satirised a contemporary discourse of degeneration in which criminality was equated with dirt and disease and where national boundaries were guarded against the threat of the criminal foreigner Situating his discussion within the ideologies underpinning George Newnes s Strand Magazine as well as a wide range of nonfiction texts Pittard demonstrates that the genre was a response to the seductive and

impure delights associated with sensation and gothic novels Further Pittard suggests that criticism of detective fiction has in turn become obsessed with the idea of purity thus illustrating how a genre concerned with policing the impure itself became subject to the same fear of contamination Contributing to the richness of Pittard s project are his discussions of the convergence of medical discourse and detective fiction in the 1890s including the way social protest movements like the antivivisectionist campaigns and medical explorations of criminality raised questions related to moral purity *The Academy and Literature* ,1897 Mary Shelley Charlotte Gordon,2022 Famous for her novel Frankenstein Mary Shelley was also infamous in her own time for breaking social and literary conventions and taking a political and philosophical stance advocating for the rights of women Charlotte Gordon explores the context and key themes in the life and work of this courageous complicated and accomplished woman *The Novels and Selected Works of Mary Shelley Vol 1* Nora Crook,Pamela Clemit,Betty T Bennett,2020-09-23 These eight volumes contain the works of Mary Shelley and include introductions and prefatory notes to each volume Included in this edition are Frankenstein 1818 Matilda 1819 Valperga 1823 The Last Man 1826 Perkin Warbeck 1830 and Lodore 1835 **101 Tips on Writing and Selling Your First Novel** Prudy Taylor Board,2003-09 101 Tips on Writing and Selling Your First Novel takes you from the baby steps of getting organized to full blown marketing with well written well organized information packed pages that have even the greenest of writers submitting a professional and polished manuscript for publication Ms Taylor s readers will be empowered with confidence having the knowledge that all their bases are covered when submitting their first and subsequent novels for publication Ingrid Taylor Small Press Review As a novice writer you must have a good grasp of the basics and now it s here Not only will 101 TIPS show you how to write but once your book is ready how to sell Allow yourself to be one of the very small percentage of writers who approach agents editors and publishers in a professional manner with your work ready to be seen Babs Lakey Publisher Futures Mysterious Anthology Magazine [www fmam biz](http://www.fmam.biz) For years I have been struggling with a novel in progress Prudy Taylor Board s worksheet pages calendars making the characters alive and functioning have all helped me see my novel as a living moving productive vehicle Every writer should have this book and every workshop facilitator should use it as a textbook It is the most complete trip ticket for writers I have come across in 40 years of writing Virginia B Elliott Naples Florida Book News ,1894 **Mont Oriol; or, A romance of Auvergne, a novel** Guy de Maupassant,1903
