Six Fools and a Dancer Anthony G. Barrand, 1991

The Six Fools Joyce Carol Thomas, 2005-12-27 Based on a story collected by the author during her travels along the Gulf States a tale finds a young man searching for three people more foolish than his fianc e and her parents

Fool Peter K. Andersson, 2025-09-23 The first biography of Henry VIII s court fool William Somer a legendary entertainer and one of the most intriguing figures of the Tudor age In some portraits of Henry VIII there appears another striking figure a gaunt and morose looking man with a shaved head and in one case a monkey on his shoulder This is William or Will Somer the king s fool a celebrated wit who reportedly could raise Henry s spirits and spent many hours with him often alone Was Somer an artificial fool a cunning comic who could speak freely in front of the king or a natural fool someone with intellectual disabilities like many other members of the profession And what role did he play in the tumultuous and violent Tudor era Fool is the first biography of Somer and perhaps the first of a Renaissance fool After his death Somer disappeared behind his legend and historians struggled to separate myth from reality Unearthing as many facts as possible Peter K Andersson pieces together the fullest picture yet of an enigmatic and unusual man with a very strange job Somer s story provides new insights into how fools lived and what exactly they did for a living how monarchs and courtiers related to commoners and people with disabilities and whether aspects of the Renaissance fool live on in the modern comedian But most of all we learn how a commoner without property or education managed to become the court s chief mascot and a continuous presence at the center of Tudor power from the 1530s to the reign of Elizabeth I Looking beyond stereotypes of the man in motley Fool reveals a little known world surprising and disturbing when comedy was something crueler and more unpleasant than we like to think

Six Fools (Classic Reprint) Rollo Franklin Hurlburt, 2017-01-27 Excerpt from Six Fools Fool is used in the Bible and it is an exceedingly interesting study when we come to inquire into the root meanings of the word In the different contexts where the various terms for the English word fool are found it means in the original an evil person a boaster a self confident one an empty fellow a contemptible indi vidual a villain one who 1s thickheaded thoughtless unwise heedless or rebellious So true are the Scriptures to universal human experience that whenever we read the references to fools in the Bible or come to study their several individual histories their portrayal is so vivid and so true to human nature that we somehow feel the various writers must be describing esh and blood existences in this twentieth century rather than men and women who lived thousands of years ago We find that the modern kinds of fools are like the Bible types boasters bragging of their great exploits wise in their own conceit but superficial and vacuous indifferent to life s greatest and best opportunities im prudent and rash careless and improv About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses
