Six Months Off An American Familys Australian Adventure:

Six Months Off Lamar Alexander,1990 **Six Months Off** Lamar Alexander,1988 The two term governor of Tennessee deemed by national surveys as one of the brightest rising stars in American politics reflects on his experiences with his family during the six months the Alexanders spent in Australia 16 pages of photos **Dreamcrafting** Paul Levesque,Art McNeil,2003-02-16 A dreamer s guide to turning fantasies into reality teaches five macroskills Aspiration motivation projection inclusion and application required to achieve dreams in the real world *repacking your bags (EasyRead Super Large 20pt Edition)* , **The Governors of Tennessee** Margaret I. Phillips,2002-02-28 This meticulously researched work the fourth volume in Pelican s Governors of the States Series traces the lives and careers of the men who have held Tennessee s highest office beginning with the founding of the original independent state of Franklin in 1784 and continuing to the present As author Margaret I Phillips vividly documents Tennessee s history and culture have been profoundly shaped by a number of strong dynamic governors These leaders include the first governor charismatic John Sevier who served six terms the near legendary Sam Houston and two men who later became president of the United States James K Polk 1845 1849 and Andrew Johnson 1865 1869 Other notable figures who occupied the statehouse include the scholarly Archibald Roane William Blount the patriotic zealot William Carroll the pioneering Babbitt Joseph McMinn the peaceful negotiator tart tongued James Lean Jimmy Jones and Robert Love Taylor the pardoning governor *Repacking Your Bags* Richard J. Leider,David A. Shapiro,2012-08-10 Revised and updated The classic guide to unpacking your physical emotional and intellectual baggage and repacking for the journey ahead Richard Leider and David Shapiro define the good life as living in the place you belong with the people you love doing the right work on purpose But with longer lifespans technological advancements and economic shifts the particulars of this definition are bound to change over time which mean most of us will need to periodically reimagine our lives In this wise and practical guide Leider and Shapiro help you weigh all that you re carrying leverage what helps you live well and let go of those burdens that merely weigh you down This third edition has been revised with new stories and practices to help you repack your four critical bags place relationship work and purpose identify your gifts passions and values and plan your journey no matter where you are in life *Repacking Your Bags* Richard Leider,David A. Shapiro,1995 People everywhere feel overwhelmed today weighed down by countless responsibilities and buffeted by changes in their personal and professional lives Repacking Your Bags shows readers how to climb out from under these burdens and find fulfillment in their lives now and in the years ahead **Coup** Keel Hunt,Lamar Alexander,2021-04-30 Coup is the behind the scenes story of an abrupt political transition unprecedented in US history Based on 163 interviews Hunt describes how collaborators came together from opposite sides of the political aisle and in an extraordinary few hours reached agreement that the corruption and madness of the sitting Governor of Tennessee Ray Blanton must be stopped The sudden transfer of power that caught Blanton unawares was deemed necessary because of

what one FBI agent called the state's most heinous political crime in half a century a scheme of selling pardons for cash On January 17 1979 driven by new information that some of the worst criminals in the state's penitentiaries were about to be released and fears that James Earl Ray might be one of them a small bipartisan group chose to take charge Senior Democratic leaders friends of the sitting governor together with the Republican governor elect Lamar Alexander now US Senator from Tennessee agreed to oust Blanton from office before another night fell It was a maneuver unique in American political history Expanded edition with a newly discovered account of the events by Senator Lamar Alexander In December 2015 something unexpected happened Keel Hunt delivered to my Nashville office a brown three ring binder He had only recently discovered it in a box that had been in storage for thirty years Senator Lamar Alexander This binder contained the forgotten typescript written in 1985 of Alexander's recollections of the events leading up to his early inauguration on January 17 1979 In this expanded edition of *Coup* the Senator's 22 000 word text has been added as a lost footnote to Hunt's definitive account From the foreword by John L Seigenthaler The individual stories of those government officials involved in the coup each account unique but all of them intersecting were scattered like disconnected pieces of a jigsaw puzzle on the table of history until the author conceived this book Perhaps because it happened so quickly and without major disagreement protest or dissent this truly historic moment has been buried in the public mind In unearthing the drama in gripping detail Keel Hunt assures that the dark day will be remembered as a bright one in which conflicted politicians came together in the public interest

Crossing the Aisle Keel Hunt,2021-04-30 The latter third of the twentieth century was a time of fundamental political transition across the South as increasing numbers of voters began to choose Republican candidates over Democrats Yet in the 1980s and 90s reform focused policymaking from better schools to improved highways and health care flourished in Tennessee This was the work of moderate leaders from both parties who had a capacity to work together across the aisle The Tennessee story as the Pulitzer Prize winning author Jon Meacham observes in his foreword to this book offers striking examples of bipartisan cooperation on many policy fronts and a mode of governing that provides lessons for America in this frustrating era of partisan stalemate For more on *Crossing the Aisle* and author Keel Hunt visit KeelHunt.com
