Postcards Rachael Chadwick, 2015-02-26 The heartfelt and uplifting story of how a project to scatter 60 Postcards in memory of her mother helped a young girl come to terms with her loss On 11 February 2012 Rachael Chadwick lost her Mother to cancer just sixteen days after first being diagnosed and her world shattered right in front of her Utterly fed up of the milestones and reminders in December of that year she decided she would do something different and created a project based around her Mum s approaching 60th Birthday Desperate to spread the word about the wonderful person she had lost Rachael had the brainwave of leaving notes around a city in her memory Deciding she would take it a step further she wondered what would happen if she could ask people to respond to her Full of hope and energy she hand wrote sixty postcards each with her email address at the bottom asking the finder to get in touch But one question remained where should she go Knowing how much she longed to visit Paris the last gift that Rachael s mum had given her was Eurostar vouchers and so it seemed fitting that this would be her chosen city So off she went with a group of friends to celebrate discover and to scatter her memories Filling their time in Paris with sight seeing food and drink laughter and of course postcards Film, Fashion, and the 1960s Eugenia Paulicelli, Drake Stutesman, Louise Wallenberg, 2017-09-11 A fascinating

Miller,Dorothy Miller,1976 **The Bookseller, Newsdealer and Stationer** ,1907 Chichester in the 1960s Alan H.J. Green,2015-02-02 Chichester is the archetypal Georgian town with streets of elegant buildings gathered closely around the ancient cathedral It usually appears to today s first time visitor that the city has been largely untouched by the hand of time particularly the destructive hand that guided the 1960s However this is not the case in the 1960s Chichester faced the same challenges as all historic towns and much was lost but the brakes were applied in good time and it became one of the first conservation areas in the country This book the first of its kind looks at how Chichester fared in that turbulent decade how it gained its status as a city of culture with a new theatre and museum and how it expanded to meet the demands of its growing
