of those who depend upon them After recounting her personal story in one of the most prominent Catholic families in America she shows how America's neediest are now forgotten while their churches fight political battles against abortion rights and homosexual marriages She provides hope through powerful examples of individuals effecting change from obscure social workers to The Purpose Driven Life's Rick Warren and maintains that our individual actions can return our churches to their traditional role as shepherds to their flock *Index to Short Biographies: for Elementary and Junior High Grades*, 1971
