Snap Crackle Popular Taste:

American Media and Mass Culture Donald Lazere, 1987-12-07 On subjects from Superman to rock n roll from Donald Duck to the TV news from soap operas and romance novels to the use of double speak in advertising these lively essays offer students of contemporary media a comprehensive counterstatement to the conservatism that has been ascendant since the seventies in American politics and cultural criticism Donald Lazere brings together selections from nearly forty of the most prominent Marxist feminist and other leftist critics of American mass culture from a dozen academic disciplines and fields of media activism The collection will appeal to a wide range of students scholars and general readers **Snap, Crackle, and Popular Taste** Jeffrey Schrank, 1977-04 Examines some of the usually invisible factors which shape our everyday decisions and our experience of and ideas about freedom and which result in our confusing the available pseudo choices with free choice *Snap, Crackle, and Popular Taste* Jeffrey Schrank, 1977 Gift from Dr Marsden *Polpop* James E. Combs, 1984 This book discusses various components of popular culture and the effects they have on politics Some of the areas of mass culture which are discussed are popular dramas folk heritage the Western myth sports religion media propaganda and show business *Herbert Marcuse and the Crisis of Marxism* Douglas Kellner, 1984 Critical overview of the entirety of Marcuse's work and discusses his enduring importance Kellner had extensive interviews with Marcuse and provides hitherto unknown information about his road to Marxism his relations with Heidegger and Existentialism his involvement with the Frankfurt School and his reasons for appropriating Freud in the 1950s In addition Kellner provides a novel interpretation of the genesis and structure of Marcuse's theory of one dimensional society of the development of his political theory and of the role of aesthetics in his critical theory **Celebrity** James Monaco, 1978 Media Culture James Monaco, 1978 **CLASH!** Sandra Vavra, Sharon L. Spencer, 2011-09-01 This book offers ideas that secondary teachers university content faculty and teacher educators can use to challenge traditional literacy practices and demonstrate creative innovative ways of incorporating new literacies into the classroom all within a strong theoretical framework Teachers are trying to catch up to the new challenges of the twenty first century It is a superheroic feat that must be achieved if education is to stay relevant and viable There is a lot of zip bam whap and wow in the fast paced social networking technological world but not so much in the often laboriously slow paced educational world Where is the balance How do teachers and students learn together since one group has seasoned wisdom with limited technological know how and the other uses all the cool new tools but not in the service of learning These are some important issues to consider in finding the balance in an unstable fast moving ever changing world This book is practical and useful to literacy teachers teacher educators and university faculty by bringing together the expertise of composition rhetoric researchers and writers literacy specialists technology specialists and teachers who are on the cutting edge of new literacies **The Coke Machine** Michael Blanding, 2011-09-06 The Coke Machine takes readers deep inside the Coca Cola Company and its international franchisees to reveal how they became the number one

brand in the world and just how far they'll go to stay there Ever since its I'd like to teach the world to sing commercials from the 1970s Coca Cola has billed itself as the world's beverage uniting all colors and cultures in a mutual love of its caramel sweet sugar water The formula has worked incredibly well making it one of the most profitable companies on the planet and Coca Cola the world's second most recognized word after hello However as the company expands its reach into both domestic and foreign markets an increasing number of the world's citizens are finding the taste of Coke more bitter than sweet Journalist Michael Blanding's *The Coke Machine* probes shocking accusations about the company's global impact including Coca Cola's history of winning at any cost even if it meant that its franchisees were making deals with the Nazis and Guatemalan paramilitary squads How Coke has harmed children's health and contributed to an obesity epidemic through exclusive soda contracts in schools The horrific environmental impact of Coke bottling plants in India and Mexico where water supplies have been decimated while toxic pollution has escalated That Coke bottlers stand accused of conspiring with paramilitaries to threaten kidnap and murder union leaders in their bottling plants in Colombia A disturbing portrait drawn from an award winning journalist's daring in depth research *The Coke Machine* is the first comprehensive probe of the company and its secret formula for greed COKE is a registered trademark of The Coca Cola Company This book is not authorized by or endorsed by The Coca Cola Company

Psychology of the Consumer and Its Development Robert C. Webb, 2012-12-06 An unusually understandable survey of the forces or perception and feeling that determine the purchases we make the roles played by fashion fads and status and the psychological needs that they fulfill The book discusses how children become consumers and how they change as they age Research based throughout it shows how ads use classical conditioning harnessing psychological motivation to create image and sell products
