In the Name of Oil Ivan L. G. Pearson,2010 Using recently declassified documents author Ivan Pearson argues that although the Suez Crisis was cataclysmic on many dimensions it did not mark a precipitous turning point in Britain s ability to affect events in the Middle East decisively Although Suez wholly undermined British prestige and revealed severe shortcomings in its military capabilities this work states that these losses were considerably offset by the increasing ability of British policymakers to

influence the United States a country with an emerging presence in the region In the Name of Oil documents the frequent bureaucratic infighting between the administration state department and CIA on the American side as well as the way in which the British took advantage of the blurred line between communism and Arab nationalism in the Middle East to mislead the U S into pursuing policies that would protect the cheap oil supplied by British owned oil giants such as the Anglo Iranian Oil Company and the Iraq Petroleum Company *The Protocols of Spying* Merle Nygate,2025-10-09 Simply put Merle Nygate is one of the best spy novelists writing today I S Berry Sophisticated and pulse pounding writing Express In the aftermath of Hamas s October 7th attack on Israel Mossad s London station chief Eli Amiram is fighting battles on all fronts When his ambitious rival plans an assassination on British soil supposedly authorized by Trump supporters Eli suspects a deeper conspiracy Meanwhile British intelligence asset Petra is hunting for redemption Tasked with recruiting Wasim Al Arikhi whose sister she failed to save from becoming a suicide bomber Petra s drawn into a deadly game of cat and mouse Can Wasim be trusted or has she become a target As Eli and Petra s paths converge they discover that in the shadow world of international espionage the greatest threats often come from within They must confront not just their enemies but their own moral choices A sophisticated spy thriller that weaves together tradecraft betrayal and the human cost of intelligence work **The Middle East, Abstracts and Index** ,2006 **The Gospel According to John** Colin G. No End to War Walter Laqueur,2004-07-30 Describes the latest events and trends in terrorism against the United States

Terror Out of Zion J. Bowyer Bell,2017-07-28 We fight therefore we are This revision of Cartesian wisdom was enunciated by the late premier of Israel Menachim Begin It is the leitmotif of this brilliant study of the military origins of modern Israel J Bowyer Bell argues that the members of Irgun Lehi the Stern Gang and the Zionist underground in British mandated Palestine had clear motives for the violent path they took the creation of a sovereign homeland for the Jewish people in oppressed lands These advocates of terror pitted themselves against not only the British and the Arabs but also against less violent brethren like Ben Gurion Moshe Dayan and Yitzhak Rabin This is the definitive story of desperate dedicated revolutionaries who were driven to conclude that lives must be taken if Israel were to live The dynamite bombing of the King David Hotel the assassination of Lord Moyne in Cairo and Count Bernardotte in Palestine were but a few acts of terror which forced the British out of the Middle East Terror Out of Zion evaluates whether these acts were extremist or necessary and whether these men and women were fanatics or freedom fighters Terror Out of Zion serves as a primer for those who would understand contemporary political divisions in Israel It is based on careful historical research and interviews with surviving members of the Irgun chronicling bombings assassinations hah breadth prison escapes and endless cycles of retaliation in the terror that gave birth to Israel but no less continues to inform its political relations Bell has fashioned an adventure story that also explains the sources of current tensions and frictions within Israel Publishers Weekly wrote that Bell s book crackles with suspense and explodes with tales of carnage and violence it could hardly be otherwise Yet he writes with compassion and insight into the black despair that engendered the terrorist s brutal deeds And a highly laudat **Banshees** Mark C. Marino,2018-08-06 In a world where supernatural and mythical beings coexist with humans a 244 year old banshee named Siobhan goes to Paris with three of her best friends to spend the week for a vacation Eventually after an attack on the Eiffel Tower the four friends bond together on a journey to Jordan to bring down a powerful paramilitary organization led by the ghoul king known as Azraghul **Nato and the Transatlantic Alliance in the Twenty-First Century** G. Williams,B. Jones,2001-03-13 This book examines the nature of international politics in the twentieth century It encapsulates those essential and enduring features likely to be present in the twenty first century One important feature is the friction generated by nation states attempting to coexist in a still largely unequal and hierarchical

system of states The possible impact of three powerful simultaneous and intersecting revolutions on international relations and the future of NATO is assessed in relation to the twenty first century *Hellfire from Paradise Ranch* Joseba Zulaika,2020-03-03 In this intimate and innovative work terror expert Joseba Zulaika examines drone warfare as manhunting carried out via satellite Using Creech Air Force Base near Las Vegas as his center of study he interviews drone operators as well as resisters to the war economy of the region to expose the layers of fantasy on which counterterrorism and its self sustaining logic are grounded Hellfire from Paradise Ranch exposes the terror and warfare of drone killings that dominate our modern military It unveils the trauma drone operators experience in part due to their visual intimacy with their victims and explores the resistance to drone killings in the same apocalyptic Nevada desert where nuclear testing pacifist militancy and Shoshone tradition overlap Stunning and absorbing Zulaika offers a richly detailed account of how we continue to manufacture deconstruct and perpetuate terror Palestine ,1943 Chouinard, an Art Vision Betrayed Robert Perine,1985
