Snatched Away:

The End Ken Hathcoat, 2015-03-22 People are fascinated with Revelation and end times Unfortunately Revelation studies and Bible prophecy books still remain a puzzle for many Christians Most end time books are either unnecessarily confusing or overly simplistic in their conclusions The End is a study of Revelation that presents a clear concise and thorough biblical analysis of the major end time events without simplistic explanations or wordy seminarian language The End is more than a commentary on Revelation and end time prophecies It offers fresh insights and applications on these subjects for your daily life

Truth in Translation Jason BeDuhn, 2003 Truth in Translation is a critical study of Biblical translation assessing the accuracy of nine English versions of the New Testament in wide use today By looking at passages where theological investment is at a premium the author demonstrates that many versions deviate from accurate translation under the pressure of theological bias

Aeneid Virgil, 1885 *Theological Dictionary of the Old Testament* G. Johannes Botterweck, Helmer Ringgren, Heinz-Josef Fabry, 1974 This multivolume work is still proving to be as fundamental to Old Testament studies as its companion set the Kittel Friedrich Theological Dictionary of the New Testament has been to New Testament studies Beginning with father and continuing through the alphabet the TDOT volumes present in depth discussions of the key Hebrew and Aramaic words in the Old Testament Leading scholars of various religious traditions including Roman Catholic Lutheran Reformed Anglican Greek Orthodox and Jewish and from many parts of the world Denmark France Germany Great Britain Greece Israel Italy the Netherlands Norway Sweden Switzerland and the United States have been carefully selected for each article by editors Botterweck Ringgren and Fabry and their consultants George W Anderson Henri Cazelles David Noel Freedman Shemaryahu Talmon and Gerhard Wallis The intention of the writers is to concentrate on meaning starting from the more general everyday senses and building to an understanding of theologically significant concepts To avoid artificially restricting the focus of the articles TDOT considers under each keyword the larger groups of words that are related linguistically or semantically The lexical work includes detailed surveys

of a word's occurrences not only in biblical material but also in other ancient Near Eastern writings. Sumerian, Akkadian, Egyptian, Ethiopic, Ugaritic, and Northwest Semitic sources are surveyed among others as well as the Qumran texts and the Septuagint and in cultures where no cognate word exists the authors often consider cognate ideas. TDOT's emphasis though is on Hebrew terminology and on biblical usage. The contributors employ philology as well as form critical and traditional historical methods with the aim of understanding the religious statements in the Old Testament. Extensive bibliographical information adds to the value of this reference work. This English edition attempts to serve the needs of Old Testament students without the linguistic background of more advanced scholars; it does so however without sacrificing the needs of the latter. Ancient scripts, Hebrew, Greek, etc. are regularly transliterated in a readable way and meanings of foreign words are given in many cases where the meanings might be obvious to advanced scholars. Where the Hebrew text versification differs from that of English Bibles the English verse appears in parentheses. Such features will help all earnest students of the Bible to avail themselves of the manifold theological insights contained in this monumental work.

The Rhetorical Approach to 1 Thessalonians Ezra JaeKyung Cho, 2020-10-12. This book is the rhetorical approach to 1 Thessalonians particularly on funeral orations. Though many scholars have interpreted 1 Thessalonians in light of a thematic perspective, mirror reading, and epistolary approach, the author asserts that Paul employs elements of epideictic funerary oratory to persuade his audience. Encountering the growing persecution, sufferings, and even death of members, the believers of Thessalonica needed encouragement. As a rhetorical strategist, Paul needed effective methods to answer these problems, which he did so with Greco-Roman funeral orations. Moreover, this book delves into the funerary language with the paradoxical concepts Paul uses to illustrate *topoi* and the purpose of funeral oration in 1 Thessalonians. Consequently, this book proves these ideas by showing how funeral orations shed light on the whole of 1 Thessalonians in the exordium (1 Thess 1:2-3), the narration (1:4-3:10), the consolation and exhortation (4:1-5:15), and peroration with prayer (5:16-28).

Hindu Divorce Livia Holden, 2016-04-22. This comparative study investigates the place of Hindu divorce in the Indian legal system and considers whether it offers a way out of a matrimonial crisis situation for women. Using the narratives of the social actors involved, it poses questions about the relationship between traditional jurisdictions located in rural areas and the larger legal culture of towns and cities in India and also in the UK and USA. The multidisciplinary approach draws on research from the social sciences, feminist and legal studies, and will be of interest to students and scholars of law, anthropology, and sociology.

The Haven Jeffery Harris, 2024-01-05. It's the year 1817 when a quiet, peaceful town deep within the Appalachian Mountains of North Carolina is attacked by a malevolent witch, a witch who will stop at nothing to tear away the people's faith and peace they all once had. It all started with the Edwards family, a peaceful family of farmers who soon discover the withering of their crops, followed by missing cattle, and soon their youngest daughter goes missing. What started out with the Edwards family started happening to the rest of the town, leaving

many to believe a curse has been placed on the Edwards family and now most of the frightened town blames them Soon a preacher named Hezekiah who has experience with dealing with witch hauntings and demonic curses sets out to help the family while learning many secrets along the way such as a local witch who lived just outside of the town and the fact that eighteen years ago four elderly witches who were responsible for many murders and blamed for the disappearing of many children throughout the Appalachian Mountains were caught and murdered by a mob of vengeful people And the night they were killed the main witch left a curse Could it be that they returned fulfilling their curse Or could there be someone else lurking and picking up where they left off So many secrets along the way of a long journey to discover who or where this witch is A town that once had peace and fellowship with one another is now torn apart *The Primitive Christian's Estimate of War and Self-defense* Josiah Woodward Leeds,1876 The Ante-Nicene Fathers: Lactantius, [etc.], Apostolic teaching and constitutions, Homily, and Liturgies Alexander Roberts,Sir James Donaldson,Arthur Cleveland Coxe,Allan Menzies,1886
