

A dramatic landscape photograph featuring a narrow, sandy path that leads from the foreground into a dark, rocky gorge. The path is illuminated by a warm, golden light, likely from a low sun, which creates a strong reflection on the wet sand. The gorge walls are steep and rugged, with some vegetation visible. At the end of the path, the path opens up to a view of the ocean under a cloudy sky. The overall mood is contemplative and serene.

Life is made of ever so many
partings welded together...
Divisions among such must come,
and must be met as they come.
