October 17 2012 started as any other day for Navy airman and fitness trainer Brett Parks until he heard screams for help Without hesitation he ran towards the sound and apprehended the mugger unaware that the criminal had a gun Moments later the attacker fired a devastating shot directly into Brett s body The bullet shredded Brett s kidney pierced his intestines and destroyed several inches of the largest vein in his body Three sets of surgeons hands applied pressure inside Brett s open stomach to stop the bleeding while nurses delivered coolers full of blood to the operating room every 15 minutes As the medical team worked fervently to save Brett s life his wife received the bleak news that their unborn daughter and young son may grow up without a father But the God whom Brett had given his life to years before had other plans After a medical battle that included a 20 day coma multiple surgeries and an unexpected amputation Brett emerged from his coma to begin a long and challenging recovery medically and spiritually Miracle Man details Brett Parks recovery as he experienced it and the miracles and greatness of our God in heaven however Miracle Man is less about Brett and more about what God has done through his story Miracle Man A Bullet that Ignited a Purpose Filled Life shows readers how to prepare by doing what God puts in front of you set goals by being who God wants you to be and never give up because God has a purpose for your life that only you can fulfill **The Haldanes of Gleneagles** Neil Stacy, 2017-09-28 The Haldanes have been in Scotland for

over 800 years and their story illustrates many of the defining themes of Scotland's history. Haldanes played significant roles in the Bruce war of independence, the political upheavals which accompanied the establishment of the Stewart dynasty, the religious struggles of the sixteenth and seventeenth centuries, the Darien Scheme and the Act of Union, the Jacobite rebellions, the development of the East India Company and in the theological controversies of the nineteenth century. In the twentieth century Haldanes are still to be found in the public eye with some influence on matters of national significance. In this book Neil Stacy follows the fortunes of the family, highlighting the extraordinary contribution they have made in so many areas as well as uncovering some of the more colourful episodes in the family's history, such as long buried secrets of romance in the teeth of parental opposition, a military career threatened by a youthful liaison with a blackmailing barmaid and an attempt to run a temperance hotel in the western Highlands which ended in high farce.

Roberts, 2023-04-11

This reference work offers comprehensive perspectives on servant leadership. Featuring a cadre of leading world class scholars, practitioners and contributing authors from diverse fields of inquiry, it aims to collate research on servant leadership with a particular focus on its moral and spiritual dimensions. It is divided into sections that center on topics such as character, philosophical influences, diversity and inclusion, critiques of servant leadership as well as examples of servant leaders. Though first introduced in the 1970 by Robert Greenleaf, the field of servant leadership is still lacking consensus on a definition and a theoretical framework. The goal of this reference work is to begin to fill this gap by assembling the scholarship of the top scholars in this field and providing a go-to source for information on the theory and practice of servant leadership. This handbook will serve as an essential resource for researchers, scholars and students of organizational behavior, human resource management and business ethics as well as consultants and business leaders interested in discovering the best leadership models to suit contemporary organizations.

*Monthly Entries for the Spiritual but not Religious through the Year* Mark G. Boyer, 2022-08-30

This is a book about spirituality for the spiritual but not religious. Those who identify themselves as spiritual but not religious make up one quarter of the population in the United States. This book provides 189 monthly entries based on the national and international celebrations that occur every month. Each entry begins with the name of the occasion and the date when it is marked during the month. A text from the Bible, a US public law, a presidential proclamation, a United Nations declaration, etc. that illustrates the day is presented. The text is followed by a reflection which gleams the spirituality from the text and provides historical background on the day being celebrated. Journal meditation questions follow the reflection and a prayer concludes the entry. This book is for the spiritual but not religious, a practice of

spirituality that does not regard organized religion as a valuable means to further interior spiritual growth A section of the introduction to the book explores who the spiritual but not religious are and presents the common themes that surface from research about them     Reports of Cases Argued and Determined in the Supreme Court of South Carolina South Carolina.
