Truly & Falsely Jesus Saleh Ali, 2023-03-06 Jesus Christ is a unique being because of his miraculous birth his ascension and the Second Coming Therefore significant disputes have emerged regarding his reality and mission The Bible itself contains two opposing images of Jesus their parts have been scattered into the chapters of the books of the New Testament Certainly these two opposing images of Jesus cannot of course both be concurrently authentic at the same time But one must be for Truly Jesus and the other one is for Falsely Jesus The two contradictory images of Jesus in the Bible as well as the disputes regarding his reality and his interrelation to salvation as a savior will remain until his Second Coming Then Truly Jesus is manifested to the man of that time and the Falsely will be destroyed But what about a person today Is he aware of the two images of Jesus the true image and the false one that are scattered in the Bible Does he not feel the necessity of exploring Jesus who in his heart whether he is the true one or the false Certainly whoever has based his faith in Jesus on clear and conclusive evidence is rightly guided or else he is in plain error This book is a new analytical study where it assembles all the scattered parts of each of the two contradictory images of Jesus in the Bible highlights them as two complete images examines them explores their differences and how did Falsely Jesus appear and why Also this book presents to those who believe in the Hereafter the proofs of the only one true formula of salvation and to those who do not believe the proofs of the necessity of an afterlife The hope with this book is to offer the clarity of intention and the ability to distinguish between the two readings of Jesus as presented in this book

People Born In June Andrey Davydov, Olga Skorbatyuk, Kate Bazilevsky, 2017-06-23 ANTI HOROSCOPE HUMAN SOFTWARE Series of 12 books Did you know that those born on June 4 leap years or June 5 common years are not only perpetual servants by character who are flexible try to please and anticipate desires The master is laughing I'm laughing the master is sad I'm sad but also they will ask a great price of the master for being whoever the master wants to see They are masters of illusions lie with or without reason Or for example did you know that those people who were born on June 6th of leap years or on June 7th of common years are not only very flexible and display calmness of a Sphinx on their faces but in matrimonial relations and they always seek to have a family they act like a night cuckoos and will cuckoo anyone over unobtrusively between the pillows they will get what they want into their spouse's head And these people are essentially untamable like cats who always walk around by themselves Hence the question are you sure that you know people whom you think you know as your own self Yes of course you know them if we take word play into account You really do know them like you know yourself that is just as bad You know your own and other people's masks and roles but that is all You do not believe this Then open this book and see for yourself This book is for those people who are fed up with horoscopism who are tired of

listening to nonsense about themselves and other people from psychologists or their all knowing relatives friends and acquaintances It will help you save not just some time in your life but your whole life because otherwise you will spend your entire life on something that is a priori impossible And it is impossible not because you are idiots but because Homo sapiens cannot fully know themselves and other people without an external and most importantly objective source Perhaps that is the reason why humanity was left factory instructions to each one of us the Catalog of Human Population Yes that is right There exists the Catalog of Human Population which you can open and find out everything about any person you are interested in including yourself Information about people presented in this book and in other eleven books in the series titled Anti Horoscope Human Software is from there and not from your favorite horoscope
