Sober Faith:

Spiritual Sobriety Elizabeth Esther, 2016-04-19 It's easy to get high on God in America. But is this good religion? In a compelling follow-up to her memoir *Girl at the End of the World*, Elizabeth Esther explores how religious fervor can become religious addiction. The evidence is everywhere. In families who inexplicably choose to harm their children in order to abide by cultic church doctrine. But in ordinary believers too who use God the same way addicts use drugs or alcohol to numb pain, alter their mood, or simply to escape the realities of this messy, unpredictable thing called life. If you've ever wondered how a religion that preaches freedom and love can produce judgmental and unkind followers, if you've ever felt captive to the demanding God of your own childhood, if you've struggled to find contentment without needing another emotional hit from a life-changing conference or mountain-top experience, then *Spiritual Sobriety* is for you. The author, who grew up in a hypercontrolling church cult, will help you find hope and rebirth in the ruins of disillusioned faith. Filled with stories and warm practical advice, *Spiritual Sobriety* offers a gentle path out of the desperate cycles of craving, euphoria, hangover, and into a freer, clean, and sober faith practice.

Sober Faith Stephanie Perry Moore, 2000-07-01 Payton Skky and her girlfriends are in their senior year at their Georgia high school and loving every minute of it. But the rest of Payton's crew has strayed from God and continues to make bad decisions. While chasing after a good time, her friends begin experimenting with alcohol, drugs, and sexual sin. How can Payton help her girls turn toward God and away from those sins? Can she resist her own impulses to try things she knows are against God's will? See if Payton discovers how to show her friends that true faith is sober faith.

Empathy Prescribed Ella Vega, 2021-02-16 Empathy prescribed to progress and disagree without iniquities or conflict to exist together while being me. Chemicals that bind to create adhering matter vital to humanity and impossible to scatter. Unanimously living blissful as can be, scheming sorrow out of life, the synthesis of you and me. While living in different locales around the world, Ella Vega was provided the opportunity to understand culture, societies, and human behavior. It is with this diverse global perspective that she shares her first collection of poems that reflects on today's society and individuals. Vega, a Costa Rican American writer, encourages us to reach inside ourselves despite living within a divisive and uncertain world and realize that we are similar and that our human experiences are still rooted in basic feelings and thoughts. With deep tone and nostalgic sentiment, her rhythmic poems touch on diverse topics such as the birth of new ideas, the polarization of the world, the quest for meaning, and an objective description of emotions. *Empathy Prescribed* is a compilation of poems that brings back the relevance of written verse during an uncertain time for the world and its people.

Bonhoeffer as Youth Worker Andrew Root, 2014-10-14 The youth ministry focus of Dietrich Bonhoeffer's life is often forgotten or overlooked, even though he did much work with young people and wrote a number of papers, sermons, and addresses about or for the youth of the church. However, youth ministry expert Andrew Root explains that this focus is central to Bonhoeffer's story and thought. Root presents Bonhoeffer as the forefather and model of the growing theological

turn in youth ministry By linking contemporary youth workers with this epic theologian the author shows the depth of youth ministry work and underscores its importance in the church He also shows how Bonhoeffer s life and thought impact present day youth ministry practice Sober Faith Stephanie Perry Moore,2000 On top of the world after her debutante ball and her reconciliation with Tad Payton s happiness hits a wall when her friends decide to celebrate with alcohol leaving her torn between friendship and godliness **Home with My Sisters** Mary Carter,2016-09-27 Faith Hope and Joy As children the Garland sisters seemed to fit together as seamlessly as their names Together they survived their free spirited parents who moved from place to place and whim to whim until their father took off for good But as the girls grew up they became virtual strangers This Christmas they intend to spend the holidays in their usual way far apart But their ailing grandmother wants her girls around her once more Hope always the peacemaker convinces her reluctant sisters to travel to Leavenworth Washington Hope is immediately charmed by the setting modeled on a Bavarian village and by her grandmother s handsome mysterious neighbor Still there s scant trace of celebration within the family Joy s main motivation for visiting is to secure start up funds for a coffee shop Faith oblivious to her children s unhappiness is preparing to announce that her marriage is over and she has a new love With a festive schedule of candy cane martinis hot tubs and snowball fights Hope tries to expose and heal old resentments but moving forward as a family will take more than a little seasonal goodwill **March's Thesaurus Dictionary** Francis Andrew March,1925 *The Collected Works of Witness Lee, 1994-1997, volume 1* Witness Lee,2021-05-28 The Collected Works of Witness Lee 1994 1997 volume 1 contains messages given by Brother Witness Lee from January 9 1994 through April 19 1995 In 1994 and 1995 Brother Lee spoke fifty four messages that were published in the Life study of 1 and 2 Kings Life study of 1 and 2 Chronicles Life study of Ezra Life study of Nehemiah Life study of Esther Life study of Proverbs Life study of Ecclesiastes and Life study of Song of Songs These messages are not included in The Collected Works of Witness Lee During the entire period of 1994 until his death in 1997 Brother Lee ministered in Anaheim California The contents of this volume are divided into eleven sections as follows 1 Four messages given on January 9 through September 11 1994 These messages are included in this volume under the title God Becoming Man to Make Man the Same as He Is for His Highest Testimony Two of the messages were combined 2 Four outlines and two messages given on February 19 and 20 1994 These messages were previously published in a book entitled The Dispensing Transformation and Building of the Processed Divine Trinity in the Believers and are included in this volume under the same title 3 A personal note written on May 9 1994 This note is included in this volume under the title A Personal Note by Witness Lee concerning the Burden of His Ministry 4 Two messages given in Anaheim California on May 16 and June 25 1994 These messages are included in this volume under the title Fellowship with Full time Trainees The first message was spoken in Chinese 5 Four messages given on May 17 through 20 1994 These messages were previously published in a book entitled The High Peak of the Vision and the Reality of the Body of Christ and are included in this volume under the same title 6 Five messages given on

Psychoanalytic and Buddhist Reflections on Gentleness Michal Barnea-Astrog, 2019-03-04 Inspired by Buddhist teachings and psychoanalytic thought this book explores gentleness as a way of being and a developmental achievement It offers reflections on the unique position of gentle people as well as certain gentle layers of the psyche in general as they meet the world Examining the perceptual sensory conscious discrepancy that often exists between a gentle person and their surroundings it follows the intricate relationship between sensitivity and fear the need for self holding and the possibility of letting go Incorporating theoretical investigation clinical vignettes and personal contemplation the book looks into those states of mind and qualities of attention that may compose a favorable environment internal and interpersonal where gentleness can be delicately held There it is suggested gentleness may gradually shed the fragility confusion and destructiveness that often get entangled with it and serve as a valuable recourse Offering a unique perspective on a topic rarely discussed the book has broad appeal for both students and practitioners of psychoanalysis and psychotherapy as well as Buddhist practitioners and scholars
