The books on child rights are generally published by the United Nations Children's Fund UNICEF and other international organisations working in the field of children such as Save the Children These books focus on the useful child rights perspective but they neither integrate theories nor use the preventative approach The proposed book A Rights based Preventative Approach for Children's Psychosocial Well Being will be the first to apply the child rights perspective and the preventative approach to intervention for children's psychosocial

well being It is an integration of theories with practice and teaching relevant in different parts of the world The book is divided into the following three parts Part 1 Introduction to a Rights based Preventative Approach for Children's Psychosocial Well Being Part 2 Primary Prevention for Children's Psychosocial Well Being Part 3 Secondary and Tertiary Prevention for Children's Psychosocial Well Being Social Psychology Karen A. Hegtvedt, Cathryn Johnson, 2017-07-12 Social Psychology takes a sociological approach to the study of the individual in relationship to society It's main purpose is is to highlight how social psychology provides varied yet inter related explanations for individuals experiences in groups Guide to Child Psychotherapy and Counseling Christiane Brems, 2008-03-19 Christiane Brems an experienced clinician supervisor and educator presents a metatheoretical yet practical guide to working with children ages 3 to 12 years She draws heavily on developmental interpersonal family systems and self psychological schools of thought and integrates the core components of all of these approaches in a clear and concise manner She stresses the need for intensive assessment to precede conceptualization and treatment planning so that treatment techniques are dictated by the needs of each child and family Brems has contoured the third edition to meet the practical needs and expectations of students and practitioners Divided among four sections the chapters follow the logical development of clinicians mirroring the natural flow of work with childrenfrom the practitioners self exploration to learning about special aspects of children such as diversity and development to awareness about the special needs and demands of children as related to environmental legal and ethical issues Brems prepares clinicians to discover their own personal traits that may facilitate or hinder their work with children She walks child therapists and counselors through the initial stages of intake assessment and conceptualization The material on assessment instruments is thoroughly updated discussions refer to the latest versions of instruments and if new instruments emerged that meet one of the purposes deemed essential to child treatment they are included The text contains case examples each illustrating a specific therapeutic technique Understanding Ethics and Ethical Decision-Making Vincent Icheku, 2011-08-31 This book has been about ethics and ethical decision making As ethical reflection permeates every decision made in practice the book discussed the importance of developing moral reasoning ability which is crucial for handling ethical dilemma and making ethical decisions in nursing and social work practice. The book encouraged the use of models as another form of ethical decision making paradigms. The book used discussions based on case studies to illustrate how ethics inform practice and allow one to make decisions that are morally justifi able This book will enable our students to gain a step by step approach to the knowledge and application of Ethics to practice The book drew from the work of many scholars and designed a simple model to help students gain the knowledge of ethical analysis and decision making Vidal Johnson Senior Lecturer in Law and Ethics London South Bank University I was impressed by the way this author consistently addressed both social work and nursing ethical issues highlighting the importance of ethics and application in nursing and social work practice Michelle Evans Senior lecturer in Learning Disability Mental Health and Social Work
