

The Making of the English Working Class (1963)

Social History English Working Class

Donald MacRaild, Avram Taylor

Social History English Working Class:

The Making of the English Working Class E. P. Thompson, 2016-03-15 A history of the common people and the Industrial Revolution A true masterpiece and one of the Modern Library's 100 Best Nonfiction Books of the twentieth century Tribune During the formative years of the Industrial Revolution English workers and artisans claimed a place in society that would shape the following centuries But the capitalist elite did not form the working class the workers shaped their own creations developing a shared identity in the process Despite their lack of power and the indignity forced upon them by the upper classes the working class emerged as England's greatest cultural and political force Crucial to contemporary trends in all aspects of society at the turn of the nineteenth century these workers united into the class that we recognize all across the Western world today E P Thompson's magnum opus *The Making of the English Working Class* defined early twentieth century English social and economic history leading many to consider him Britain's greatest postwar historian Its publication in 1963 was highly controversial in academia but the work has become a seminal text on the history of the working class It remains incredibly relevant to the social and economic issues of current times with the Guardian saying upon the book's fiftieth anniversary that it continues to delight and inspire new readers [*The Making of the English Working Class* Edward Palmer Thompson, 1964](#) This account of artisan and working class society in its formative years 1780 to 1832 adds an important dimension to our understanding of the nineteenth century E P Thompson shows how the working class took part in its own making and re-creates the whole life experience of people who suffered loss of status and freedom who underwent degradation and who yet created a culture and political consciousness of great vitality **British Economic and Social History** R. C. Richardson, William Henry Chaloner, 1996 [*A Social History of England 1851-1990* Francois Bedarida, 2013-06-17](#) In this the second edition of *A Social History of England* Francois Bedarida has added a new final chapter on the last fifteen years The book now traces the evolution of English society from the height of the British Empire to the dawn of the single European market Making full use of the Annales school of French historiography Bedarida takes his inquiry beyond conventional views to penetrate the attitudes behaviour and psychology of the British people **The Working Class in Britain** John Benson, 2003-08-22 Who made up the working class in Britain who were the ordinary men and women and what were their aspirations The first generation of postwar British labour historians tended to be preoccupied with working class activism This text attempts to chart not only this struggle but to describe and analyse the rich and varied tapestry of working class history as a whole It demonstrates that class both existed and mattered although ordinary men and women had diverse lives and lifestyles Professor Benson examines work wages incomes and the cost of living family kinship and community relations and the individual in the context of nation and class **The British Working Class 1832-1940** Andrew August, 2014-06-11 In this insightful new study Andrew August examines the British working class in the period when Britain became a mature industrial power working men and women dominated massive new urban

populations and the extension of suffrage brought them into the political nation for the first time Framing his subject chronologically but treating it thematically August gives a vivid account of working class life between the mid nineteenth and mid twentieth centuries examining the issues and concerns central to working class identity Identifying shared patterns of experience in the lives of workers he avoids the limitations of both traditional historiography dominated by economic determinism and party politics and the revisionism which too readily dismisses the importance of class in British society

The Cambridge Social History of Britain, 1750-1950 F. M. L. Thompson, 1990 Whilst in certain quarters it may be fashionable to suppose that there is no such thing as society historians they have had no difficulty in finding their subject The difficulty rather is that an outpouring of research and writing is hard for anyone but the specialist to keep up with the literature or grasp the overall picture In these three volumes as is the tradition in Cambridge Histories a team of specialists has assembled the jigsaw of topical monographic research and presented an interpretation of the development of modern British society since 1750 from three perspectives those of regional communities the working and living environment and social institutions Each volume is self contained and each contribution thematically defined contains its own chronology of the period under review Taken as a whole they offer an authoritative and comprehensive view of the manner and method of the shaping of society in the two centuries of unprecedented demographic and economic change New Directions in Social and Cultural History Sasha Handley, Rohan McWilliam, Lucy Noakes, 2018-02-22 What does it mean to be a social and cultural historian today In the wake of the cultural turn and in an age of digital and public history what challenges and opportunities await historians in the early 21st century In this exciting new text leading historians reflect on key developments in their fields and argue for a range of new directions in social and cultural history Focusing on emerging areas of historical research such as the history of the emotions and environmental history New Directions in Social and Cultural History is an invaluable guide to the current and future state of the field The book is divided into three clear sections each with an editorial introduction and covering key thematic areas histories of the human the material world and challenges and provocations Each chapter in the collection provides an introduction to the key and recent developments in its specialist field with their authors then moving on to argue for what they see as particularly important shifts and interventions in the theory and methodology and suggest future developments New Directions in Social and Cultural History provides a comprehensive and insightful overview of this burgeoning field which will be important reading for all students and scholars of social and cultural history and historiography Atlas of British Social and Economic History Since c.1700 Mr Rex Pope, Rex Pope, 2002-03-11 All students of history use maps This atlas is designed specifically to enhance the understanding of British history since 1700 as well as emphasizing social as well as economic change The contributors are all subject specialists who have taught in higher education institutions and a large proportion of both maps and text is based on their own original research The combination of maps and text is intended to illustrate not only historical developments such as the spread of

agriculture or the growth of an integrated transport system but also regional contrasts at points in time The end product offers support for those historians who question the usefulness of thinking in terms of national economic histories

Theorizing the Dynamics of Social Processes Harry F. Dahms, Lawrence Hazelrigg, 2010-08-18 Intends to assemble a set of essays that invent develop and or demonstrate strategies for theorizing one or several dynamic processes so as to identify illustrate by example and analyze specific problems as well as connect theorizations of process across different disciplines of inquiry *The Penguin Social History of Britain* Jose Harris, 1994-03-31 The late nineteenth century and Edwardian era suggests Jose Harris in this book represent a sharp break with the early years of Queen Victoria s reign Indeed despite the intense upheavals of two world wars it was the beliefs social structures and oppositional forces established between 1870 and 1914 which dominated British life right up until the 1960s **Citizenship, Identity, and Social History** Charles Tilly, 1996-03-07 A collection of original essays on citizenship and identity **Cultural Theory and Popular Culture** John Storey, 2015-05-08 In this 7th edition of his award winning Cultural Theory and Popular Culture An Introduction John Storey has extensively revised the text throughout As before the book presents a clear and critical survey of competing theories of and various approaches to popular culture Its breadth and theoretical unity exemplified through popular culture means that it can be flexibly and relevantly applied across a number of disciplines Also retaining the accessible approach of previous editions and using appropriate examples from the texts and practices of popular culture this new edition remains a key introduction to the area New to this edition Extensively revised rewritten and updated Improved and expanded content throughout A new section on The Contextuality of Meaning that explores how context impacts meaning A brand new chapter on The Materiality of Popular Culture that examines popular culture as material culture Extensive updates to the companion website at www.routledge.com/cw/storey which includes practice questions extension activities and interactive quizzes links to relevant websites and further reading and a glossary of key terms The new edition remains essential reading for undergraduate and postgraduate students of cultural studies media studies communication studies the sociology of culture popular culture and other related subjects **Trade Union and Social History** A.E. Musson, 2013-11-05 There is perhaps no area of British life where attitudes are more strongly influenced by shared traditions and past experiences than the trade union movement the memory of the working class movements is a long one It is therefore all the more important in the light of recent events to examine the origins and development of trade union organization over the decades if we are to understand the unions of today which have emerged as one of the most crucial and strongest elements in the economy This book is the product of twenty years detailed research and general reflection on the course of trade union development and ranges over the whole field of British trade union history from the early craft societies to the structure of modern trade unionism It begins by illuminating the problems associated with researching and writing in this field and goes on to trace the main trends of trade union development linking these with modern trade union

problems Particular attention is paid to some of the important aspects of this history the Owenite period the so called New Model unions the origins of the Trades Union Congress and more recent changes in trade union organization These themes are woven into a broad study which includes detailed investigation of individual trade unions particularly the printing unions and also an early employers association with a general review of the whole movement Trade union history is closely bound up with social conditions and Professor Musson also examines a number of such related aspects as the struggle for a free press the origins of the co operative movement and the early factory system This classic book was first published in 1974 Social Classes and Social Relations in Britain 1850-1914 Alastair J. Reid,1995-09-28 The analysis of social classes and social relations in the second half of the nineteenth century has caused major debates among social historians In this book first published in 1995 Alastair Reid provides a critical summary of the different approaches to the subject giving an account of how interpretations have developed since the 1960s and highlighting the strengths and weaknesses of each approach The author explains how the influence of social sciences in the 1960s led scholars to emphasise the rise to power of the bourgeoisie and the increasing subordination of the industrial working class Recently more detailed research has led to a return to the older historical emphasis on the persistence of aristocratic power the increasing independence of the working classes and the centrality of voluntary agreement in a social order based on consent The conclusion suggests new ways in which the subject might be approached A select bibliography allows the reader to pursue the topic in more detail

Workers and Canadian History Gregory S. Kealey,1995 This collection of twelve essays by Gregory Kealey will be of great interest to students and scholars of Canadian history labour history Marxist and socialist theory and history and political science **The Remaking of the British Working Class, 1840-1940** Andrew Miles,Mike Savage,2013-02-01 Mike Savage and Andrew Miles provide a comprehensive introduction to the working class in Britain in the years after 1840 This textbook Includes a provocative timely and clear defence of class analysis Breaks new ground in showing how social mobility and urban change affected working class formation Demonstrates how the history of the working class is politically reconstructed Shows how class and gender interact in mediating social and political change **Social Theory and Social History** Donald MacRaild,Avram Taylor,2017-03-14 The expansion of social history that took place in the twentieth century has produced some of the most exciting works in the field of historical studies As the range of the social historian s concerns has grown so has the range of methodologies and theoretical approaches they employ Historians have made greater use of the theoretical insights of social scientists and boundaries between the disciplines have become blurred as a consequence Social Theory and Social History Covers the major developments within social history Offers an introduction to the most important social theorists Discusses the relationship between history and the social sciences Considers the use of theory in the writing of history Examines current debates within historiography In this concise introductory guide Donald M MacRaild and Avram Taylor explore the complex relationship between social theory and social history arguing that an awareness of the

relation between the two is the key to a deeper understanding of the process of historical change **Studying History**
Jeremy Black, Donald MacRaild, 2017-03-06 This best selling guide will help you get to grips with the larger themes and issues behind historical study while also showing you how to formulate your own ideas in a clear analytical style Fully updated throughout further advice on using web based sources and avoiding plagiarism will equip you with the tools you need to succeed on your course Practicing History Gabrielle M. Spiegel, 2005 This essential new collection of key articles from critical thinkers and practicing historians focuses on where history is now in terms of its theory and practice For students teachers and historians alike this is an indispensable reader

Social History English Working Class Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social History English Working Class has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social History English Working Class has opened up a world of possibilities. Downloading Social History English Working Class provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social History English Working Class has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social History English Working Class. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social History English Working Class. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social History English Working Class, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Social History English Working Class has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social History English Working Class Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social History English Working Class is one of the best book in our library for free trial.
