Social Process And Institution The Canadian Case:

Social Process and Institution James E. Gallagher, 1971 **The Sociology of Canadian Mennonites, Hutterites and Amish** Donovan E. Smucker, 2010-10-30 The editor provides an important new scholarly tool for locating and understanding the enormous expansion of scholarly research dealing with the sociology of Canadian Mennonites Hutterites and Amish. Although the book includes research from American scholars the editor devotes special attention to Canadian works concerning these important and interesting minorities. Using the tripartite division of Mennonites Hutterites and Amish the bibliography includes 800 entries each with a concise summary and evaluation. The entries are listed under the subheadings books theses articles and unpublished manuscripts. Preceding the bibliography itself is an essay by the editor originally presented to the Canadian Sociology and Anthropology Association. The essay outlines the differing conceptual assumptions of the researchers included in the book the major methodologies employed and the main conclusions to be drawn from their work.

Literary History of Canada Carl F. Klinck, Alfred G. Bailey, Claude Bissell, Roy Daniells, Northrop Frye, Desmond Pacey, 1976-12-15 Hailed as a landmark in Canadian literary scholarship when it was originally published in 1965 the *Literary History of Canada* is now being reissued revised and enlarged in three volumes. This major effort of a large group of scholars working in the field of English language Canadian literature provides a comprehensive up to date reference work. It has already proven itself invaluable as a source of information on authors genres and literary trends and influences. It represents a positive attempt to give a history of Canada in terms of writings which deserve attention because of significant thought form and use of language. Volume 3 has been newly written for this edition of the *History* and covers the years from about 1960 to 1974. The contributors to this volume are Claude Bissell, Desmond Pacey, Lauriat Lane Jr, Michael S. Cross, Thomas A. Goudge, John Webster Grant, John H. Chapman, William E. Swinton, Henry B. Mayo, Malcolm Ross, Brandon Conron, Clara Thomas, Sheila A. Egoff, John Ripley, William H. New, George Woodcock and Northrop Frye.

Aboriginal Voices and the Politics of Representation in Canadian Introductory Sociology Textbooks John Steckley, 2003 The philosophical underpinnings of this textbook make it a most interesting read for scholars of Aboriginal Studies the social sciences humanities and cultural studies and humanistic curriculum development. John Steckley's familiarity with and respect for the epistemology of the Huron Mohawk and Ojibwa peoples enlightens and enables his research. In this book he provides a critical framework for assessing Aboriginal content in introductory sociology textbooks. He defines what is missing from the seventy seven texts included in his study of the manifestation of cultural hegemony in Canadian sociology textbooks. This critique is suitable for students and professors of sociology as Dr Steckley addresses the impact of the ellipses from the textbooks they have traditionally used.

Urban Sociology in Canada Peter McGahan, 2013-10-22 *Urban Sociology in Canada* Second Edition introduces the fundamentals of the theoretical structure of Canadian urban studies. help illustrate the generalization and concepts The book first covers the classical foundations of urban sociology and then proceeds to discussing the growth of urban system The third part talks about the process of entrance to the urban system while the fourth part deals with the spatial shape of the urban system The last two parts tackle urbanism and the regulation of urban system respectively The book will be of great use to social scientists who involve urban population as the main demographics of their research study *Canadian Essays and Collections Index, 1971-1972* Joyce Sowby, Association canadienne de bibliothèques, Canadian Library Association, 1976

International Women's Rights Cases Robyn Emerton, Kirstine Adams, Andrew Byrnes, Jane Connors, 2016-09-17 The last two decades have seen major advances in the legal protection of the human rights of women around the world A series of international and national court cases has

developed an important body of jurisprudence that has been relied on by courts and advocates in many countries to support women's claims for equality and the full enjoyment of human rights and fundamental freedoms. Growing out of a series of judicial colloquia organized by the Commonwealth Secretariat, this compilation brings together a selection of over fifty significant cases from international and national courts. The cases are grouped by theme and presented in full text or edited format. Together they highlight the way in which courts have used international human rights norms and national constitutional standards to contribute to women's equality. A detailed introduction provides a summary of the significance of the cases and references further material available on women's human rights. Cases decided under United Nations human rights treaties, the European and American Conventions on Human Rights and other international instruments as well as cases decided by national courts in Asia, Africa, Europe, Australasia and North America are all included. The compilation will be of interest to all those with an interest in the advancement of the human rights of women, especially equality advocates, lawyers and judges, scholars and students.

A History of Human Rights in Canada Janet Miron, 2009. Human rights, equality and social justice are at the forefront of public concern and political debate in Canada. Global events, especially the war on terrorism, have fostered further interest in the abuse of human rights, especially when sanctioned or perpetuated by democratic governments. This groundbreaking contributed volume seeks to shed light on this topic by uniting original essays that examine the history of human rights in Canada. Contributors explore a variety of themes integral to the post-confederation period, including immigration and ethnicity, gender, sexuality, class, disability, state formation and provincial-federal relations. Three key issues emerge throughout: incidents of discrimination in both government and society; the efforts of human rights and civil liberties activists to create a more open and tolerant society; and the implementation of state legislation designed to protect or enhance civil rights.
