## **Social Protection Sector Strategy From Safety Net To Springboard:**

Social Protection Sector Strategy, 2001-01-01 This book presents recent World Bank analytical work on the causes of violence and conflict in Columbia and the pilot lending programmes which have been designed to promote peace and help development It is divided into three sections The first sets the framework for the history of violence and the mechanisms of its propagation looks at its costs and also at current policy initiatives to reduce it The second part looks at the social economic causes of conflict and the costs of achieving peace The last part reviews the recent experience of the World Bank in assisting countries that are experiencing or have overcome domestic armed conflict

**Social Protection and Labor at the World Bank, 2000-08** Robert Holzmann, 2009 Social Protection Labor at the World Bank 2000 2008 presents a progress review of the sector strategy by the World Bank published in early 2001 The strategy proposed a new conceptual framework

OCoS Social Risk Management OCoto review and reform existing interventions and propose new ones that better assist vulnerable people in addressing the many risks to which they are exposed

2001 Annual Review of Development Effectiveness William Battaille, 2002-01-01 This is the fifth annual review which explores long term development effectiveness trends and analyses the choice of lending and non lending instruments and activities to achieve World Bank development objectives The 2001 review confirms a significant improvement in the outcomes of the Banks lending performance It finds that selecting the right combination and sequence of activities for a particular objective can make the difference between success and failure whether at individual project level for country assistance programmes or for global sectoral and thematic priorities At each level there is unexploited potential to maximise strategic selectivity and this is especially important in countries with a poor policy framework or acute institutional development needs

**International Protection of Human Rights: Achievements and Challenges** Felipe Gómez Isa, Koen de Feyter, 2006-01-01 At the beginning of the nineties there was an expectation within the human rights community that the next decade would be a period of consolidation for the international human rights regime This did not happen In fact the human rights regime underwent dramatic changes in response to new circumstances We have tried to highlight both the achievements and the challenges ahead in this Manual the result of a joint project under the auspices of HumanitarianNet a Thematic Network on Humanitarian Development Studies led by the University of Deusto Bilbao the Basque Country Spain and the European Inter University Centre for Human Rights and Democratisation EIUC Venice Italy

The Vietnamese Health Care System in Change Kerstin Priwitzer, 2012 Within the last twenty years a large scale bottom up privatization has taken place in Vietnam changing and dismantling the public health care system This process has led to severe tensions inherent in the transitional society of Vietnam between equity and access to health care support especially for the poor elderly migrants and ethnic minorities on the one hand and its efficiency on the other hand The book traces the reform efforts to modernize the health care system by the Communist Party of Vietnam and the Vietnamese government The author bases her findings on little known primary

literature and interviews with key stakeholders of the policy network involved in the reform of the health care system thereby painting an authentic atmospheric picture of the profound changes in the health care system in Vietnam

*Poverty, Inequality, and Inclusive Growth in Asia* Juzhong Zhuang, 2011-10-01 While Asia's growth record in recent decades is remarkable it has been marred by rising inequalities This book looks at recent trends of income and non income inequalities in developing Asian countries discusses their underlying driving forces and examines key policy issues that need to be addressed to ensure that the benefits of growth will be more equitably shared in Asia The book also presents a set of country studies that provide rich information on growth poverty and inequality dynamics and the policy challenges that arise in marching toward inclusive growth

The Politics of Marketising Asia T. Carroll, D. Jarvis, 2014-05-29 Economic growth continues to transform the economic and political landscape of Asia Equally the policies now being adopted to promote private sector participation re structure state entities and reduce the presence of the state in the provision of public goods and services are tied to fundamental transformations in Asia's state society relations The global cast of contributors present a timely analysis of the impact of neo liberalism on Asia's developmental policies and the organisation of Asian states and markets Ironically the developmental state that has historically driven Asia's rapid economic transformation is now threatened by an increasingly dominant neoliberal agenda that aims to roll back the state in the name of market fundamentalism

Poverty and Exclusion in North and South Elizabeth Dowler, Paul Mosley, 2005-07-25 Over the past decade there has been a worrying increase in poverty in the industrialised countries of the North while many of the developing countries of the South have experienced some improvement This collection argues that there are a number of likenesses between the predicaments of North and South and that these warrant further investigation and analysis

*Good Jobs for Inclusive Growth in Central Asia and the South Caucasus*, 2019-02-01 This study explores prospects for inclusive growth in the Central Asia and the South Caucasus region and highlights the central role played by the creation of good jobs The study reviews economic performance in the region and discusses prospects through 2030 introducing two growth scenarios related to the adoption of structural reforms for creating good jobs and inclusive growth It also highlights the importance of adopting a full policy reform scenario

Poverty Reduction and the World Bank, 2002-01-01 Attacking persistent poverty in low and middle income countries is the key issues confronting the global development community today This report considers the current status of poverty around the world and examines the World Bank's activities during 2000 and 2001 to address this situation This report focuses on the progress made by the World Bank in implementing the poverty reduction agenda recommended by the World Development Report 2000 2001 hardback print edition ISBN 0195215982 paperback print edition ISBN 0195211294 and looks at the challenges that remain

**Roaming Africa** van Reisen, Mirjam, Mawere, Munyaradzi, Stokmans, Mia, Gebre-Egziabher, Kinfu Abraha, 2019-10-24 What happens when digital

innovation meets migration Roaming Africa considers how we understand modern day mobility in Africa where age old routes strengthen the resilience of people roaming the continent for livelihoods and security assisted by mobile communication Digital mobility expands connectivity around the world and also in Africa In this book the authors show that mobility resilience and social protection in the digital age are closely related Each chapter takes a close look at the migration dynamics in a specific context using social theory as a lens This book adopts a critical perspective on approaches in which migration is regarded merely as a hazard Edited by distinguished scholars from Africa and Europe this volume the second in a four part series Connected and Mobile Migration and Human Trafficking in Africa compiles chapters from a diverse group of young and upcoming scholars making an important contribution to the literature on migration studies digital science social protection and governance     Expanding Perspectives on Human Rights in Africa M. Raymond Izarali, Oliver

Masakure, Bonny Ibhawoh, 2019-03-14 This book draws attention to emerging issues around the rights of minorities marginalized groups and persons in Africa It explores the gaps between human rights provisions and conditions showing that although international human rights principles have been embraced in the continent various minority groups and marginalized persons are denied such rights through criminalization and persecution African countries have a good record of signing and ratifying international and regional rights instruments but the political will and capacity for enforcing these with respect to minorities remain weak International contributors to the book provide new perspectives on the rights of marginalized and minority groups in different parts of Africa and the extent to which they are deprived or denied entitlement to the universality and equality articulated in law The authors show that human rights while having come of age as a moral ideal has not been fully entrenched in practice towards groups such as children indigenous populations the mentally ill persons with disabilities and persons with albinism This volume is geared toward scholars students human rights groups policy makers social workers international organizations and policy makers in the fields of criminology security studies development studies political science sociology children studies social psychology international relations postcolonial studies and African Studies     **New Frontiers in Feminist Political Economy** Shirin Rai, Georgina Waylen, 2013-11-07 This

volume brings together the work of outstanding feminist scholars who reflect on the achievements of feminist political economy and the challenges it faces in the 21st century The volume develops further some key areas of research in feminist political economy understanding economies as gendered structures and economic crises as crises in social reproduction as well as in finance and production assessing economic policies through the lens of women s rights analysing global transformations in women s work making visible the unpaid economy in which care is provided for family and communities and critiquing the ways in which policy makers are addressing or failing to address this unpaid economy     *IDA's Partnership for Poverty Reduction* Catherine Gwin, 2002-01-01 During its 40 year history the International Development Association IDA has worked to improve global welfare by allocating resources to growth and poverty reduction programs In

1990 a new framework for IDA's poverty reduction efforts was created which resulted in significant structural change to its programs. The focus of the programs became one of labor intensive growth and expanded access to social services and safety nets to improve incomes levels among the poor. Additionally the IDA agenda was expanded to include gender the environment and governance as facets of the poverty reduction framework. This report evaluates IDA's performance from 1994 through 2000 against the three specific replenishment commitments of the period. While finding the performance level only partially satisfactory the review suggests ways to improve the effectiveness of IDA programs replenishment process and its ability to match corporate and country priorities.

**Poverty and Health** DAC Network on Poverty Reduction, World Health Organization, 2003. Investment in health is a strategically important and often underestimated component of economic development. This study sets out a systematic approach to improving health in poor countries. For emerging countries substantially improved health outcomes are a prerequisite to breaking out of the poverty cycle. This book on poverty and health jointly published by the OECD and WHO sets out the essential components of a broad scope pro poor health approach for action within the health system and beyond it. It is for development practitioners in the area of health issues.

Lifelong Learning in the Global Knowledge Economy, 2003. The growth of the global knowledge economy is transforming the demands of the labour market in economies worldwide. It will require workers to develop new skills and knowledge whilst education systems will need to adapt to the challenges of lifelong learning and these changes will be as crucial in transition and developing economies as it is in the developed world. This publication explores how lifelong learning systems can encourage growth, discusses the changing nature of learning and the expanding role of the private sector in education and considers the policy and financing options available to governments to address the challenges of the global knowledge economy.

DAC Guidelines and Reference Series Poverty and Health OECD, World Health Organization, 2003-04-08. This book on poverty and health jointly published by the OECD and WHO sets out the essential components of a broad scope pro poor health approach for action within the health system and beyond it. It is for development practitioners in the area of health issues.

**Pension Reform and the Development of Pension Systems** Emily S. Andrews, 2006. Formal pension systems are an important means of reducing poverty among the aged. In recent years however pension reform has become a pressing matter as demographic aging, poor administration, early retirement and unaffordable benefits have strained pension balances and overall public finances. Pension systems have become a source of macroeconomic instability, a constraint to economic growth and an ineffective and/or inequitable provider of retirement income.

*Understanding Food Insecurity* Maria Sassi, 2017-10-24. This book provides a comprehensive overview of key aspects of food insecurity including definitional and conceptual issues, information systems and data sources, indicators and policies. The aim is to equip readers with a sound understanding of the subject that will assist in the recognition of food insecurity and the design of suitable responses. The early chapters discuss the evolution and limitations of the concept and provide a set of conceptual frameworks for the

analysis of food security Systems used to collect data and their evolution over time are then explained and the most commonly adopted indicators for monitoring food security are presented Approaches to food security are then thoroughly reviewed decade by decade Specific attention is paid to the food insecurity challenge in the new millennium focusing particularly on recent food crises and institutional and policy related consequences Finally the specific terminology of food aid and assistance is examined with discussion of the instruments recently adopted in the food aid system This book will be an informative and stimulating resource for both students and professionals

Social Protection Sector Strategy From Safety Net To Springboard: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
