## **Social Issues And Party Politics:**

Social Conservatives and Party Politics in Canada and the United States James Farney, 2012-06-04 The strength of the Tea Party and Religious Right in the United States alongside the Harper Conservatives stance on same sex marriage and religious freedom in Canada has many asking whether social conservatism has come to define the right wing of North American politics In this timely and penetrating book James Farney provides the first full length comparison of social conservatism in Canada and the United States from the sexual revolution to the present day Based on archival research and extensive interviews it traces the historic relationship between social conservatives and other right wing groups Farney illuminates why the American Republican Party was quicker to accept social conservatives as legitimate and valuable allies than the Conservative Party of Canada This book will be indispensable for understanding why a movement so powerful amongst American conservatives has been distinctively less important in Canada and how the character of Canadian conservatism means it will likely remain so *The European Union and Party Politics in Central and Eastern Europe* P.

Lewis, Z. Mansfeldová, 2006-10-30 This book examines the influence of the EU on party politics in the ten new EU countries from a variety of perspectives and using a range of empirical sources The book thus makes an original and distinctive contribution both to contemporary EU studies and to the literature on CE party systems and party development **Party Politics in Taiwan** Dafydd Fell, 2006-09-27 In 1991 Taiwan held its first fully democratic election This first single volume of party politics in Taiwan analyzes the evolution of party competition in the country looking at how Taiwan's parties have adjusted to their new multi party election environment It features key chapters on the development of party politics in Taiwan the impact of party change on social welfare corruption and national identity party politics in the DPP era Including interviews with high ranking Taiwanese politicians and material on the 2004 Presidential election this important work brings the literature up to date It provides a valuable resource for scholars of Chinese and Taiwanese politics and a welcome addition to the field of regime transition and democratization **Handbook of Party Politics** Richard S Katz, William J

Crotty, 2006-01-26 The Handbook of Party Politics is the first book to comprehensively map the state of the art in contemporary party politics scholarship This major new work brings together the world's leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today **The Reshaping of West European Party Politics** Christoffer Green-Pedersen, 2019 This book focuses on the issue of the agenda of party politics Studying how political parties come to compete about some issues rather than others allows us to assess the role of new political parties This book highlights the central role of the parties that have traditionally governed in West European countries **The Problem of Party Government** Richard Rose, 2015-12-22

**Intra-Party Politics and Coalition Governments** Daniela Giannetti, Kenneth Benoit, 2008-10-27 This book explores how intra party politics affects government formation and termination in parliamentary systems where the norm is the

formation of coalition governments The authors look beyond party cohesion and discipline in parliamentary democracies to take a broader view assuming a diversity of preferences among party members and then exploring the incentives that give rise to coordinated party behaviour at the electoral legislative and executive levels The chapters in this book share a common analytical framework confronting theoretical models of government formation with empirical data some drawn from cross national analyses and others from theoretically structured case studies A distinctive feature of the book is that it explores the impact of intra party politics at different levels of government national local and EU This offers the opportunity to investigate existing theories of coalition formation in new political settings Finally the book offers a range of innovative methods for investigating intra party politics which for example creates a need to estimate the policy positions of individual politicians inside political parties This book will be of interest to political scientists especially scholars involved in research on political parties parliamentary systems coalition formation and legislative behaviour multilevel governance European and EU politics

**Understanding British Party Politics** Stephen Driver, 2011-05-16 This is an excellent text which charts a safe path for students through the minefield that is contemporary British party politics in a wonderfully efficient yet engaging way Colin Hay University Of Sheffield

**Guide to U.S. Political Parties** Marjorie R. Hershey, 2014-04-01 This one volume reference presents the major conceptual approaches to the study of U S political parties and the national party system describing the organization and behavior of U S political parties in thematic narrative chapters that help undergraduate students better understand party origins historical development and current operations Further it provides researchers with in depth analysis of important subtopics and connections to other aspects of politics Key Features Thematic narrative chapters organized into six major parts provide the context as well as in depth analysis of the unique system of party politics in the United States Top analysts of party politics provide insightful chapters that explore how and why the U S parties have changed over time including major organizational transformations by the parties behavioral changes among candidates and party activists and attitudinal changes among their partisans in the electorate The authors discuss the way the traditional concept of formal party organizations gave way over time to a candidate centered model fueled in part by changes in campaign finance the rise of new communication technologies and fragmentation of the electorate This book is an ideal reference for students and researchers who want to develop a deeper understanding of the current challenges faced by citizens of republican government in the United States

**Party Politics in European Microstates** Fernando Casal Bértoa, Patrick Dumont, 2022-11-30 This book represents the first comprehensive study of the evolution of parties and party systems in all nine democratic European states with less than one million inhabitants As small political units have for long been considered to be most conducive to stable democracy this volume analyses the actual role of political parties and partisan competition in the operation of modern democracy in those European microstates Drawing on the crucial contribution of leading country experts in the field it provides rich systematic contextualized knowledge on these lesser

known cases It further contributes to the mainstreaming of small state research in social science studies by comparing the experience of party politics in European microstates with that of larger countries in the same region of the world This volume will be of key interest to scholars and students of party systems and political parties elections and democracy small states European politics and more broadly of comparative politics *Feminists and Party Politics* Lisa Young,2000 The contemporary women s movement has transformed North American society Change has been greatest in the realm of everyday life but feminism has also challenged the substance and practice of politics *Feminists and Party Politics* examines the effort to bring feminism into the formal political arena through established political parties in Canada and the United States Political Institutions and Lesbian and Gay Rights in the United States and Canada Miriam Smith,2008-08-18 This book examines why the US and Canada have produced such divergent policy outcomes in affording rights to their gay and lesbian citizens Smith s contribution will prove vital as movements for lesbian and gay rights continue to recast the social landscape in North America and beyond **Pro-Family Politics and Fringe Parties in Canada** Chris MacKenzie,2014-05-14 Pro Family Politics and Fringe Parties in Canada explores the organizational and ideological nature of political parties that are initially formed to do the work of social movements Specifically it examines the development of the Family Coalition Party of British Columbia FCP from its origins as a group of alienated Social Credit Party members to its rebirth as the Unity Party of British Columbia and through its struggles as a marginal political entity along the way While addressing the FCP s relationship to the larger North American pro family movement Chris MacKenzie also deftly demonstrates how the party can be seen as organizationally congruent with its ideological antithesis the Green Party Basing his findings on seven years of field research he identifies the obstacles that political parties involved in social movement work must overcome in order for them to achieve their goals He concludes that despite their invaluable contribution to democracy such party movements have limited political institutionalization Consequently their only realistic goal may be to merge their ideals with those of another larger political body This book makes a substantial contribution to our understanding of the genesis development and impact of political party movements in Canada Moreover it provides useful insight into the dynamics and issues that make up the current pro family movements in Canada and the United States *Abortion Politics* Ziad Munson,2018-05-21 Abortion has remained one of the most volatile and polarizing issues in the United States for over four decades Americans are more divided today than ever over abortion and this debate colors the political economic and social dynamics of the country This book provides a balanced clear eyed overview of the abortion debate including the perspectives of both the pro life and pro choice movements It covers the history of the debate from colonial times to the present the mobilization of mass movements around the issue the ways it is understood by ordinary Americans the impact it has had on US political development and the differences between the abortion conflict in the US and the rest of the world Throughout these discussions Ziad Munson demonstrates how the meaning of abortion has shifted to reflect the changing

anxieties and cultural divides which it has come to represent Abortion Politics is an invaluable companion for exploring the abortion issue and what it has to say about American society as well as the dramatic changes in public understanding of women's rights medicine religion and partisanship

### **Social Issues And Party Politics Introduction**

In today's digital age, the availability of Social Issues And Party Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Issues And Party Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Issues And Party Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Issues And Party Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Issues And Party Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Issues And Party Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Issues And Party Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Issues And Party Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Issues And Party Politics books and manuals for download and embark on your journey of knowledge?
