Lohmann, Nancy Lohmann, 2002 Encompassing management approaches such as Theory Z and research of nonprofit studies this book addresses ways in which skills and activities of social administration can further social work practice in the areas of social justice confronting oppression **Jane Addams:**

Progressive Pioneer of Peace, Philosophy, Sociology, Social Work and Public Administration Patricia Shields, 2017-01-19 This book examines the life and works of Jane Addams who was awarded the Nobel Peace Prize 1931 Addams led an international women s peace movement and is noted for spearheading a first of its kind international conference of women at The Hague during World War I She helped to found the Women s International League of Peace and Freedom She was also a prophetic peace theorist whose ideas were dismissed by her contemporaries Her critics conflated her activism and ideas with attempts to undermine the war effort Perhaps more important her credibility was challenged by sexist views characterizing her as a silly old woman Her omission as a pioneering feminist peace theorist is a contemporary problem This book recovers and reintegrates Addams and her concept of positive peace which has relevancy for UN peacekeeping operations and community policing Addams began her public life as a leader of the U S progressive era 1890 1920 social reform movement She combined theory and action through her settlement work in the often contentious immigrant communities of Chicago These experiences were the springboard for her innovative theories of democracy and peace which she advanced through extensive public speaking engagements 11 books and hundreds of articles While this book focuses on Addams as peace theorist and activist it also shows how her eclectic interests and feminine standpoint led to

pioneering efforts in American pragmatism sociology public administration and social work Each field which traces its origin to this period is actively recovering Addams contributions *The Handbook of Human Services Management* Rino J. Patti, 2009 Focusing on an effectiveness driven approach to management in the human services Rino J Patti's *The Handbook of Human Services Management* Second Edition explores the latest information on practice innovations theoretical perspectives and empirical research to provide an essential perspective on what managers do to create and sustain organizations that deliver high quality effective services to consumers Offering the most comprehensive coverage of human services management available today this second edition includes 24 chapters authored by distinguished practitioners and scholars in human services management 10 that are entirely new and 14 that have been extensively revised The Handbook is accompanied by an Instructor's Manual *Issues Around Aligning Theory, Research and Practice in Social Work Education* Allucia L. Shokane, Jabulani C. Makhubele, Lisa V. Blitz, 2018-12-01 *Issues Around Aligning Theory Research and Practice in Social Work Education* provides a reflection on social work education with a slant towards an Afrocentric approach aiming to facilitate strong reflective thinking and to address local realities about social work education on the African continent as well as in broader global contexts This volume focuses on issues around aligning theory research and practice in social work education A significant contribution is made here to the scholarly understanding of opportunities to sustain the academic discourse on social work education Social work as a profession and a social science discipline is dynamic and it ought to meet the challenges of the realities of the societies in which it serves given the history of the changing society of South Africa from apartheid to democracy Over the years social work education and training has undergone tremendous curricular changes with the enactment of the White Paper for Social Welfare and the national review respectively by the South African Council for Social Services Professions SACSSP and the Council on Higher Education CHE for the re accreditation of all Bachelor of Social Work BSW programmes in South Africa fulfilling the prescripts of the Higher Education Act No 101 of 1997 as amended and Social Service Professions Act No 110 of 1978 It is worth mentioning that the curricular changes will also continue with the current reviewing of Social Service Professions Act No 110 of 1978 as amended which is underway in South Africa This book is really ground breaking The Afrocentric perspective on social work practice contributes to the current discourse on decolonisation of social work teaching and practice From a methodological perspective the book is premised on multi inter and trans disciplining in social sciences It covers aspects of social work education and practice through research narrative qualitative African methodology secondary data analysis etc engendering values and ethics report writing supervision in fieldwork as well as exchange programmes and international service learning addressing a number of concepts such as cultural competency cultural awareness and sensitivity are addressed *Dilemmas in Human Services Management* Raymond Sanchez Mayers, PhD, Federico Souflee, Jr., PhD, Dick J. Schoech, PhD, 1994-05-11 Drawing on their experience as teachers and social workers the authors introduce students to the complex skills necessary for effective

management in human service administration In this textbook they present actual problems through concise case studies with study guide questions for discussion The illustrative case studies cover a broad range of situations and dilemmas that a human services student can expect to encounter as an administrator from sexual harassment to ethical concerns By focusing on human service agencies the authors fill a gap in social work literature for administration planning and management students
