Social Work With Families Theory And Practice:

Social Work with Families Robert T. Constable, Daniel B. Lee, 2004 *Social Work with Families* Carlton E. Munson, 1980 Up to now family practice books have focused almost exclusively on therapy in their approach to the complex problems facing the contemporary family This up to date collection of 32 articles on social work with families goes beyond any available book in its examination of the dynamics of family behavior It takes a comprehensive view of the American family using developmental theory to organize and illuminate the various aspects of family life and its relation to society Social Work with Families touches every facet of family dynamics that the social worker is likely to encounter in practice It begins with an overview of the major components of developmental theory the societal institutional group interactional and individual psychological aspects The following sections apply this analytic framework Thus in Part II the family is analyzed as an institution in relation to other institutions governmental economic educational and religious The third section focuses on the family experiencing problems as a unit e g marital difficulties parent child conflict problems of indebtedness and other aspects of coping The final part considers the family in which an individual has been identified as the primary focus of concern because of retardation various physical malfunctions alcoholism emotional difficulties or terminal illness Because the developmental approach takes both institutional and individual elements of human behavior into account it offers a uniquely insightful means for viewing ethnic minority issues Social Work with Families makes a major contribution to the establishment of a logical integrated scheme for analyzing the family providing student and practitioner alike with a realistic framework for diagnosing and treating the American family in strife CARLTON E MUNSON author of Social Work Supervision The Free Press 1979 and Social Work Education and Practice is Associate Professor at the Graduate School of Social Work of the University of Houston Texas 99a comparative study of the Boston police strike police reform in Ireland fighting for it getting the Beria Reserve the political prisoner in relation to social welfare of the new social welfare and parole services today practice Critical social work with children and families Steve Rogowski, 2013-03-27 This book traces the changing fortunes of radical and critical social work examining the theory context and application of such approaches Advancing the notion that critical practices are both necessary and possible in the neoliberal world despite the challenges critical practices face it explores new approaches to family and child services arguing for emancipatory practices that are geared toward meeting immediate needs while still offering a vision of a more just and equal future society Including case studies key point summaries and suggestions for further reading this is a thorough new resource for students and teachers

Social Work Treatment Francis J. Turner, 2011-03-15 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention This treasure trove of practice knowledge equips professionals with a broad array of theoretical approaches

each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a broad based theoretical approach to practice it helps the reader avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to social workers regardless of their setting or specialty

Social Work Practice with Fathers Jennifer L. Bellamy, Brianna P. Lemmons, Qiana R. Cryer-Coupet, Jennifer A. Shadik, 2022-10-31 Social workers need to work with fathers across many service systems but lack guidance on how to do so and most engagement assessment and intervention work for family serving systems is mother and child focused Father inclusive readings and resources are also limited Drawing on the expertise of well regarded research and practice experts in the field this comprehensive book provides guidance to social work practitioners and researchers on how to engage assess and serve fathers Instructors can use the text to include fathers in courses on the human behavior and social environment family systems clinical practice diversity or service systems Social service systems unfortunately have often struggled to positively engage men as parents Recent demographic trends indicate that fathers are providing more direct care to children and single father households are one of the most rapidly growing demographic groups in the United States Barriers to their successful engagement include biases and assumptions about men and fathers a lack of father friendly policies and practices in the field limited training on how to work with fathers and relatively limited father inclusive social work research until recently This book addresses these barriers It is a guide to social workers in their efforts to better serve men as parents and does so from an ecological and systems perspective Multiple case examples and practical tools are provided as well as specific content on major social service systems Topics explored include Father Engagement Organizational Father Friendly Assessments Interventions with Fathers Setting the Course for Future Theory Research and Practice with Fathers Social Work Practice with Fathers Engagement Assessment and Intervention is a book that could be folded into foundation courses in social work or used by practitioners in the field It is an essential text for graduate students in social work psychology sociology child development allied health and similar disciplines and professions and a go to resource for helping professionals practitioners such as social workers psychologists and licensed professional counselors Advanced undergraduate students in these disciplines and professions also will find the text useful in their studies and work

Feminist Social Work Theory and Practice Lena Dominelli, 2017-03-14 Feminist theories of social work have been criticised in recent years for treating women as a uniform category and displaying insufficient sensitivity to the complex ways in which other social divisions those of race age disability etc impact on gender relations This major text by a leading writer in the field seeks to develop a new framework for feminist social work that takes on board postmodernist arguments to do with difference and power yet retains a commitment to collective solidarity and social change As such it will be essential

reading for students educators and practitioners alike in social work *Practical Social Work Ethics* Lorraine Green, Malcolm Carey, 2017-03-02 This is the first text of its kind to deal exclusively with applied social work ethics It focuses on an eclectic mix of difficult moral questions or issues encountered in much modern day practice It is therefore not theoretically driven with some practical elements attached but is instead is a practice based book where any theory introduced is linked to tangible practice situations It is also thought provoking controversial in parts and always engaging The book is divided into three key sections each introduced by the editors Past and Present Moral Practices with Children and Families Ethical Tensions Ambivalent Ethics and Adult Social Work Contesting Modernisation Each section covers a range of topics and poses difficult questions which link to ethical dilemmas or anxieties These are attached to themes such as whether culturally sensitive social work is always a good thing the implications of secrets and silence within inter generational families or the use of Controlled Treatment Orders or medical and social models within mental health social work Other chapters ask whether the many forms of user carer participation within social work education or practise are ethically viable explore the moral paradoxes which emerge when vested financial interest sometimes appear to eclipse users interests examine the implications of avoiding or uncritically deploying touch in social work care or consider the many moral implications of institutional abuse within social work With a focussed and clear writing style this book will be of interest to all social work students and practitioners interested in the practical yet complex moral ramifications of their applied role

Handbook of Family Therapy Training and Supervision Howard A. Liddle, Douglas C. Breunlin, Richard C. Schwartz, 1988-06-17 Over the last three decades family therapy has revolutionized the mental health field changing the way human problems are conceived and therapy is conducted In concert with the dynamic growth of family therapy the field of family therapy training and supervision has also expanded enormously yielding many new ideas and skills Yet until now few books have been devoted to it and no single volume has attempted to relate the full breadth of this growing field in terms of its conceptual and theoretical expansion as well as its practical application HANDBOOK OF FAMILY THERAPY TRAINING AND SUPERVISION fills this need by presenting a truly comprehensive view of this dynamic area To accomplish this broad yet in depth scope editors Liddle Breunlin and Schwartz have assembled 30 highly acclaimed authorities to author chapters in their respective areas of expertise For further clarification the editors have included segues that introduce and analyze each of the book s four major sections providing the reader with an overview of the section highlights of themes that run through it and discussion of the issues raised in a way that ties the chapters together The book opens with a presentation of the unique and innovative approaches to training and supervision that have evolved in each separate school of family therapy Offering a panoramic view of the entire field of family therapy these seven chapters allow for fascinating comparisons among the different schools regarding the process by which ideas about therapy evolve into training techniques and philosophies Section II follows with an explication of the pragmatics of family therapy supervision Helping family therapy trainers avoid

and anticipate the common mistakes involved with supervision the skills described in this section create an atmosphere conducive to learning and maintaining a working trainer trainee relationship and finally for training of supervisors Practical guidelines for using live and video supervision are included Section III features family therapy trainers in such diverse fields as psychiatry psychology family medicine social work nursing free standing and academic family therapy programs who describe the problems and advantages they encounter teaching these new ideas within their idiosyncratic contexts The book closes with a section that includes reflections on the field by such innovative and respected leaders as Cloe Madanes and Jay Haley Among topics covered are perspectives and recommendations for researchers evaluating family therapy practical advice for incorporating a cultural perspective into training programs feedback on the experience of live supervision from trainees perspectives An appendix follows that provides over 400 references organized by subject for easy reference Given the level and scope of this extraordinary text FAMILY THERAPY TRAINING AND SUPERVISION is an invaluable resource for anyone interested in teaching learning or simply appreciating family therapy *2012-2013 UNCG Graduate School Bulletin* , Social Work Practice With Individuals, Families, and Groups Shelagh Jane Larkin,Jaylene Krieg Schaefer,2025-01-06 Social Work Practice with Individuals Families and Groups An Integrated Approach serves as a foundational text that supports students through effective practice with multiple levels of client systems from the classroom to the profession Authors Shelagh Jane Larkin and Jaylene Krieg Schaefer have integrated the practicum experience throughout the core chapters emphasizing its role as the first area of social work practice Developed with both BSW and foundational MSW programs in mind this text offers an accessible exploration of social work practice with individuals families and groups through diverse case studies and practical examples aligned with the 2022 EPAS core competencies
