Society Basics Pkg Canadian:

Health and Canadian Society David Coburn, Carl D'Arcy, George Murray Torrance, 1998-01-01 Health and Canadian Society provides a comprehensive overview of the relationship between health health care and Canadian society It is a wide ranging volume that moves from personal and micro concerns to a more macro and institutional focus It includes chapters of a descriptive nature and others with a more explanatory intent They have been selected from the major journals or have been expressly written for this book Ninety five percent of the contributions are new to this edition The chapters and the studies reported on are methodologically diverse ranging from ethnographic studies to statistical analyses of data from large national surveys Though the chapters are written by anthropologists economists historians political scientists and physicians as well as sociologists they all have a sociological turn Recognized as the standard textbook on the sociology of health in Canada Health and Canadian Society is an essential reference for sociologists health care providers health administrators and policy planners

Basic Income for Canadians Evelyn L. Forget, 2020-10-13 Before the COVID 19 pandemic the idea of providing a basic income to everyone in Canada who needs it was already gaining broad support Then in response to a crisis that threatened to put millions out of work the federal government implemented new measures which constituted Canada's largest ever experiment with a basic income for almost everyone In this new and revised edition Evelyn L Forget offers a clear eyed look at how these emergency measures could be transformed into a program that ensures an adequate basic income for every Canadian Forget details what we can learn from earlier basic income experiments in Canada and internationally She weighs the options investigates whether Canadians can afford a permanent basic income program and describes how it could best be implemented across the country This accessible book offers everything a reader needs to decide if a basic income program is the right follow up to the short term government response to COVID 19

Socialization and Values in Canadian Society Elia Zureik, 1985-01-15

Growing Up Canadian Peter Beyer, Rubina Ramji, 2013-06-01 A significant number of Canadian raised children from post 1970s immigrant families have reached adulthood over the past decade As a result the demographics of religious affiliation are changing across Canada Growing Up Canadian is the first comparative study of religion among young adults of Muslim Hindu and Buddhist immigrant families Contributors consider how relating to religion varies significantly depending on which faith is in question how men and women have different views on the role of religion in their lives and how the possibilities of being religiously different are greater in larger urban centres than in surrounding rural communities Interviews with over two hundred individuals aged 18 to 26 reveal that few are drawn to militant politicized religious extremes how almost all second generation young adults take personal responsibility for their religion and want to understand the reasons for their beliefs and practices The first major study of religion among this generation in Canada Growing Up Canadian is an important contribution to understanding religious diversity and multiculturalism in the twenty first century Contributors include Peter Beyer Kathryn Carri re Wendy Martin and Lori

Powell,Jon Hendricks,2009-06-10 In recent years major social forces such as ageing populations social trends migration patterns and the globalization of economies have reshaped social welfare policies and practices across the globe Multinational corporations NGOs and other international organizations have begun to influence social policy at a national and local level Among the many ramifications of these changes is that globalizing influences may hinder the ability of individual nation states to effect policies that are beneficial to them on a local level With contributions from thirteen

countries worldwide this collected work represents the first major comparative analysis on the effect of globalization on the international welfare state The Welfare State in Post Industrial Society is divided into two major sections the first draws from a number of leading social welfare researchers from diverse countries who point to the nation state as case studies highlighting how it goes about establishing and revising social welfare provisions The second portion of the volume then moves to a more global perspective in its analysis and questioning of the impact of globalization on citizenship ageing and marketization The Welfare State in Post Industrial Society seeks to encourage debate about the implications of the most pressing social welfare issues in nation states and integrate analyses of policy and practice in particular countries struggling to provide social welfare support for their needy populations **Journal of Human Services Abstracts** ,1984
