

SOCIOLOGICAL THEORY

Sociology is the scientific study of human society, social relationships, and the patterns of behavior that emerge within them.

OVERVIEW

Sociology explores how individuals are shaped by social structures, cultural norms, and institutions, and how they, in turn, shape society. Sociologists analyze various social phenomena such as inequality, social change, and group dynamics to understand how they impact individuals and communities.

KEY THEORIES

- **Functionalism:** The study of how societies achieve stability and order through social institutions.
- **Critical Theory:** The study of how social institutions maintain social inequalities and power imbalances.
- **Symbolic Interactionism:** The study of how society is constructed through shared meanings, symbols, and interactions among individuals.

Sociological Theory And The Problem Of Values

Daniel W. Rossides

Sociological Theory And The Problem Of Values:

Sociological Theory and the Problem of Values Don Martindale, 1974 **Sociological Theory, Values, and Sociocultural Change** Edward A. Tiryakian, 2017-07-05

This volume brings together some of the biggest names in the field of sociology to celebrate the work of Pitirim A. Sorokin, professor and founder of the department of sociology at Harvard University. Sorokin, a past president of the American Sociological Association, was a pioneer in many fields of research including sociological theory, social philosophy, methodology, and sociology of science, law, art, and knowledge. Edward A. Tiryakian's updated introduction examines major factors inside and outside sociology that have led to new appreciation of Sorokin's contributions and scholarship and demonstrates their continued relevance. This new edition also includes an updated bibliography of works by and about Sorokin.

The volume includes Arthur K. Davis who describes Sorokin's importance as a teacher in the Socratic tradition; Talcott Parsons examines internal differentiation in Christianity in its historical Western development; Thomas O. Dea deals with the institutionalization of religious values; Walter Firey examines how actors relate their conception of a distant future to their present behavior; Florence Kluckhohn focuses upon the problem of cultural variations within a social system; Robert K. Merton and Elinor Barber examine the sociological aspect of ambivalence; Bernard Barber considers the American business's efforts to institutionalize professionalism. Other contributors include Charles P. Loomis, Wilbert E. Moore, Georges Gurwitsch, Marion J. Levy Jr., Nicholas S. Timasheff, Carle Zimmerman, and Logan Wilson.

This volume is an essential collection of essays concerning the work of one of the most prominent thinkers in twentieth-century sociology.

Sociological Theory, Values, and Sociocultural Change Harriet Martineau, 2017-07-05

This volume brings together some of the biggest names in the field of sociology to celebrate the work of Pitirim A. Sorokin, professor and founder of the department of sociology at Harvard University. Sorokin, a past president of the American Sociological Association, was a pioneer in many fields of research including sociological theory, social philosophy, methodology, and sociology of science, law, art, and knowledge. Edward A. Tiryakian's updated introduction examines major factors inside and outside sociology that have led to new appreciation of Sorokin's contributions and scholarship and demonstrates their continued relevance. This new edition also includes an updated bibliography of works by and about Sorokin.

The volume includes Arthur K. Davis who describes Sorokin's importance as a teacher in the Socratic tradition; Talcott Parsons examines internal differentiation in Christianity in its historical Western development; Thomas O. Dea deals with the institutionalization of religious values; Walter Firey examines how actors relate their conception of a distant future to their present behavior; Florence Kluckhohn focuses upon the problem of cultural variations within a social system; Robert K. Merton and Elinor Barber examine the sociological aspect of ambivalence; Bernard Barber considers the American business's efforts to institutionalize professionalism. Other contributors include Charles P. Loomis, Wilbert E. Moore, Georges Gurwitsch, Marion J. Levy Jr., Nicholas S. Timasheff, Carle Zimmerman, and Logan Wilson.

This volume is an essential collection of essays concerning the work of one of the most

prominent thinkers in twentieth century sociology **The Emergence of Sociological Theory** Jonathan H. Turner, Leonard Beeghley, Charles H. Powers, 2011-11-29 Now published by SAGE this scholarly text covers the first one hundred years of sociological theorizing from 1830 1930 focusing primarily on Comte Spencer Marx Weber Simmel Durkheim and Mead The text provides an in depth examination of these early sociological theorists with biographical background analysis of key works major influences critical insights and also answers the question What do these ideas tell us about the basic forces that shape the social world Posing this question for each theorist adds a unique perspective to the text and distinguishes it from other sociological theory books In addition it also includes material on the enduring models and principles of the theorists work that continue to inform sociological theory today [A Sociological Theory of Value](#) Natàlia Cantó Milà, 2015-07-15 In this book Natàlia Cantó Milà elaborates on Georg Simmel's relational approach to a theory of value pointing at the heuristic possibilities that this approach offers to modern sociology and to a sociology of modernity She does so by focusing on the theory of value Simmel developed in his *The Philosophy of Money* delivering an alternative reading of this book that views its theory of value as its main axial point Simmel's theory of value is depicted by Cantó Milà as including an intrinsically sociological aspect since economic as well as moral ethic and aesthetic values are conceived as resulting from human relations **Sociological Theory and the Capability Approach** Spiros Gangas, 2019-10-10 Sociological Theory and the Capability Approach connects normative strands of sociological theory to the fusion of ethics and economics proposed by Amartya Sen's and Martha Nussbaum's capability approach Spanning classical Hegel Marx Durkheim Scheler Weber and contemporary debates Parsons Giddens Luhmann it identifies areas that bridge the current gap between sociology and capability approach It thus builds on explanatory and normative concerns shared by both traditions Engaging readers from sociology and capability approach Spiros Gangas suggests that the proposed dialogue should be layered along the main areas of value theory economy and society extending this inquiry into the normative meaning attached to being human To this end the book reconstructs the notion of agency along the tracks of Nussbaum's central human capabilities considering also alienation and the sociology of emotions It concludes by addressing the capability approach through the lens of social institutions before it takes up the challenge of ideological fundamentalism and how it can be effectively confronted by capability approach This original book provides a fresh perspective on capability approach as it embeds it in the rich pool of sociological theory's accomplishments As an exercise in theoretical and normative convergence it will be required reading for academics and students in social theory cultural theory philosophy and human development studies [Key Problems of Sociological Theory](#) John Rex, 2006-04-07 This is Volume VII twenty two on a series on Social Theory and Methodology Originally published in 1961 this book was written because of the author's sense of the inadequacies of a sociological tradition dominated by empiricism and positivism The tradition of empiricism leads to attempts to settle public issues by reference to crude ad hoc generalisations So right wing facts are refuted by left wing facts and vice versa and in the

argument which ensues nothing becomes clear except the value biases which the authors seek desperately to conceal The tradition of positivism on the other hand fails in refusing to interpret observed correlations of fact except in terms of the natural sciences So the sociologist often appears to have derived little more insight through his precise methods than the untutored layman is able to do through trusting to intuition and common sense

Value Theory in Philosophy and Social Science (RLE Social Theory) James B. Wilbur, 2014-08-13 The annual Conferences on Value Inquiry bring together philosophers scientists and humanists to discuss the many facets of the problem of value in the experience of the individual and in contemporary society One of the criteria in choosing papers for the Conference is the ability to stimulate discussion and clarification The papers in the present volumes show deep concern with the problems and responsibilities in making choices of value

A Sociological Approach to Social Problems (RLE Social Theory) Noel Timms, 2014-08-07 The topics covered in this book are directly related to much of the misunderstanding of what sociology is about It is usual nowadays to label as sociological any discussion concerned however loosely with Society But a careful reading of Mr Timms treatment of the problem areas he has chosen should make clear the difference between this use of the adjective in everyday speech and its more vigorous technical use In dealing with his subject Mr Timms makes use of the concepts of sociology such as role norms social control class and family

Value in Social Theory Paul Streeten, 2013-11-05 This is Volume XXI of twenty two in a series on Social Theory and Methodology First published in 1958 this is a selection of essays on practical methodology when trying to answer the question of what are the new presuppositions of social thought which can do justice to the changes in social organisation Myrdal attempts to illustrate his repeated attempts to explore the logical political and moral foundations of social thought and action as he pursued diverse academic and political activities

Handbook of Social Theory George Ritzer, Barry Smart, 2003-07-26 The Handbook of Social Theory presents an authoritative and panoramic critical survey of the development achievement and prospects of social theory

Critical Issues in Social Theory John K. Rhoads, 2010-11-01 Critical Issues in Social Theory is an analytical survey of persistent controversies that have shaped the field of sociology It defines clarifies and proposes solutions to these critical issues through commentary on the writings of such influential social theorists as Hobbes Marx Durkheim Weber Mead Merton Parsons and Schutz Instead of being just another history or another classification of theories Rhoads's four part model allows him to focus attention on issues that remain at the core of sociological theory today First Rhoads analyzes the controversy over positivism as the proper methodological model for the study of human society Is there one science of which sociology is a branch or do the peculiarities of sociology's subject matter require a modification of the scientific method borrowed from the natural sciences Rhoads next considers the relationship of individuals to society and its structures Does society have a mode of existence distinct from its members or is it merely an abstraction derived from the characteristics of individuals Third a discussion of social order raises the question of whether social order is the consequence of rules and their underlying moral values or the

product of continuous construction based on self interest Finally the relative importance of consensus and conflict in social relationships is addressed Is society better understood as a community united by beliefs values and rules or is the social dynamic of continual conflict over beliefs values and rules more fundamental In coming to grips with these issues the author in some instances takes sides and in others arrives at a synthesis of diverse perspectives In the final chapter he points to the limitations on the possibility of rational action that come to light in the clashes over these basic issues **Central Problems**

in Social Theory Anthony Giddens,1979-11-29 One of the most creative among the younger generation of critical social theorists Giddens stands alone in his concern for the classical tradition on sociology but he also makes brilliant use of the latest philosophical and theoretical work of several contemporary schools and disciplines A very important book for all of social science Jeffrey C Alexander **Explorations in Classical Sociological Theory** Kenneth Allan,Sarah

Daynes,2016-09-22 Praised for its conversational tone personal examples and helpful pedagogical tools the Fourth Edition of Explorations in Classical Sociological Theory Seeing the Social World is organized around the modern ideas of progress knowledge and democracy With this historical thread woven throughout the chapters the book examines the works and intellectual contributions of major classical theorists including Marx Spencer Durkheim Weber Mead Simmel Martineau Gilman Douglass Du Bois Parsons and the Frankfurt School Kenneth Allan and new co author Sarah Daynes focus on the specific views of each theorist rather than schools of thought and highlight modernity and postmodernity to help contemporary readers understand how classical sociological theory applies to their lives **Essays in Social Value Theory**

Marc R. Tool,1986 This is a collection of Marc Tool s essays on institutional economics written over the 1980s *Social Theory* Daniel W. Rossides,1998 Social Theory Its Origins History and Contemporary Relevance analyzes the tradition of social theory in terms of its origins and changes in kind of societies Rossides provides a full discussion of the sociohistorical environments that generated Western social theory with a focus on the contemporary modern world While employing a sociology of knowledge approach that identifies theories as aristocratic versus democratic liberal versus socialist and also liberal feminist versus radical feminist it attempts to construct a scientific unified social theory in the West Additionally it also features African American theory American culture studies political and legal philosophy and environmental theory

Handbook of Sociological Theory Jonathan H. Turner,2006-05-17 Sociology is experiencing what can only be described as hyperdifferentiation of theories there are now many approaches competing for attention in the intellectual arena From this perspective we should see a weeding out of theories to a small number but this is not likely to occur because each of the many theoretical perspectives has a resource base of adherents As a result theories in sociology do not compete head on with each other as much as they coexist This seminal reference work was brought together with an eye to capturing the diversity of theoretical activity in sociology specifically the forefront of theory Contributors describe what they themselves are doing right now rather than what others have done in the past The goal of this volume is to allow prominent theorists working in a

variety of traditions who wouldn't usually come together to review their work. The chapters in this volume represent a mix of theoretical orientations and strategies but these theories are diverse and represent the prominent theoretical discussions in sociology today. Some areas included are Section I Theoretical Methodologies and Strategies, Section II The Cultural Turn in Sociological Theorizing, Section III Theorizing Interaction Processes, Section IV Theorizing from the Systemic and Macrolevel, Section V New Directions in Evolutionary Theorizing, Section VI Theorizing on Power, Conflict and Change, Section VII Theorizing from Assumptions of Rationality. This handbook will be of interest to those wanting a broad spectrum and overview of late 20th early 21st century sociological theory.

Social Theory and the Urban Question Peter Saunders, 2013-03-15. First Published in 2006. Routledge is an imprint of Taylor & Francis, an informa company.

Handbook of Classical Sociological Theory Seth Abrutyn, Omar Lizardo, 2021-11-01. This is the first handbook focussing on classical social theory. It offers extensive discussions of debates, arguments and discussions in classical theory and how they have informed contemporary sociological theory. The book pushes against the conventional classical theory pedagogy which often focused on single theorists and their contributions and looks at isolating themes capturing the essence of the interest of classical theorists that seem to have relevance to modern research questions and theoretical traditions. This book presents new approaches to thinking about theory in relationship to sociological methods.

Social Problems and Public Policy Lee Rainwater, 1974. Deviance is by definition a social problem. Since deviant behavior violates the normative expectations of a given group, deviance must be regarded as a problem for that group since all groups of people want their norms to be enforced. Many modern societies place considerable value on personal liberty so much so that interference with personal choices to deviate from group norms can be justified only in terms of the potential damage that particular kinds of behavior might do to the legitimate interests of others. Sociological research suggests that the social problem associated with deviance is often the behavior of individuals who violate norms cannot be justified in terms of basic values of liberty, social order or justice. In other kinds of deviance though the social problem is that people or in a more organized way social institutions interfere with individual liberty and self realization. Each selection in this volume has been chosen to cover a full range of substantive problematic issues, a range of social science perspectives that can be brought to bear on issues of all kinds and a range of social science methodologies used in studying modern society. Deviance and Liberty is divided up into thirty nine contributions and five main parts ranging from Modern Perspectives on Deviance and Social Problems, Deviant Exchanges, Gambling, Drugs and Sex, Deviant Personal Control, Illness, Violence and Crime, Deviance, Identity and the Life Cycle and Moral Enterprise and Moral Enforcement. It is a welcome addition to the libraries of those interested in the study of deviance or society as a whole.

Decoding **Sociological Theory And The Problem Of Values**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Sociological Theory And The Problem Of Values Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sociological Theory And The Problem Of Values has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sociological Theory And The Problem Of Values has opened up a world of possibilities. Downloading Sociological Theory And The Problem Of Values provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sociological Theory And The Problem Of Values has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sociological Theory And The Problem Of Values. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sociological Theory And The Problem Of Values. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sociological Theory And The Problem Of Values, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Sociological Theory And The Problem Of Values has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sociological Theory And The Problem Of Values Books

What is a Sociological Theory And The Problem Of Values PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sociological Theory And The Problem Of Values PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sociological Theory And The Problem Of Values PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sociological Theory And The Problem Of Values PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sociological Theory And The Problem Of Values PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
