Down to Earth Approach is heralded by students and instructors alike as the most friendly and inviting introduction to sociology available. James Henslin guides students on an intellectual voyage through the sociological imagination, helping them better understand both themselves and their world. With humor, personal reflection, and illuminating examples, he shares with readers his passion for sociology. Six central themes run throughout the text: down to earth sociology, globalization, cultural diversity, critical thinking, the new technology, and the influence of mass media on everyday life. Each of these themes is reflected in the central narrative, in boxed features throughout the text, and in MySocLab Essentials of Sociology. A Down to Earth Approach 9th edition is the first edition of Henslin's to feature integration with MySocLab. MySocLab now features diagnostic quizzing, Social Explorer activities, The Way We Live video activities, links to The Social Lens blog, and over 100 primary source readings.
