Songpoetry Of Wei Chuang:

The song-poetry of Wei Chuang (836-910 A.D.) Zhuang Wei, Eugenia Y. Tu, 1991 *The song-poetry of Wei Chuang (836 - 910 A.D.)* Zhuang Wei, 1979 *Gedichte, chin. u. engl. The song-poetry of Wei Chuang 836-910 A.D.* Wei Chuang, John Timothy Wixted, 1979 *The Song-poetry of Wei Chuang (836-910 A.D.)* Zhuang Wei, 1979 *Chinese Narrative Poetry* Dore Jesse Levy, 1988

Chinese Narrative Poetry brings a new perspective to some of China's best loved and most influential poems including Ts ai Yen's Poem of Affliction Po Chu yi's Song of Everlasting Sorrow and Wei Chuang's recently discovered Song of the Lady of Ch in Composed in the shih form during the Late Han Six Dynasties and T ang periods these poems stand out as masterworks of narrative art Yet paradoxically their narrative qualities have been little recognized or explored in either traditional Chinese or modern Western scholarship The reason for this neglect is that Western literary traditions acknowledge their origins in epic poetry and thus take narrative for granted but the Chinese tradition is fundametally based on lyric and does not admit of a separate category for narrative poetry Drawing on both classical Chinese critical works and the most recent Western contributions to the theory of narrative Levy shows how narrative elements developed out of the lyrical conventions of shih In doing so she accomplishes a double purpose guiding the modern reader to an understanding of the nature of narrative in Chinese poetry and shedding light on the ways in which Chinese poets adapted the devises of lyric to the needs of a completely different expressive mode Students of Chinese literature will welcome this pathbreaking study but Chinese Narrative Poetry will interest other scholars as well because it addresses questions of crucial importance for literary theory and comparative literature particularly the central issue of the applicability of Western critical concepts to non Western literature and culture *How to Read Chinese Poetry* Zong-qi Cai, 2008 In this guided anthology experts lead students through the major genres and eras of Chinese poetry from antiquity to the modern time The volume is divided into 6 chronological sections and features more than 140 examples of the best shi sao fu ci and qu poems A comprehensive introduction and extensive thematic table of contents highlight the thematic formal and prosodic features of Chinese poetry and each chapter is written by a scholar who specializes in a particular period or genre Poems are presented in Chinese and English and are accompanied by a tone marked romanized version an explanation of Chinese linguistic and poetic conventions and recommended reading strategies Sound recordings of the poems are available online free of charge These unique features facilitate an intense engagement with Chinese poetical texts and help the reader derive aesthetic pleasure and insight from these works as one could from the original The companion volume *How to Read Chinese Poetry Workbook* presents 100 famous poems 56 are new selections in Chinese English and romanization accompanied by prose translation textual notes commentaries and recordings Contributors Robert Ashmore Univ of California Berkeley Zong qi Cai Charles Egan San Francisco State Ronald Egan Univ of California Santa Barbara Grace Fong McGill David R Knechtges Univ of Washington Xinda Lian Denison Shuen fu Lin Univ of Michigan William H Nienhauser Jr Univ of Wisconsin Maija Bell Samei

Washing Silk Robin D.S. Yates, 2020-10-26 Wei Chuang was a prolific Tang dynasty poet He not only wrote in the shih form poems in the old and new styles the latter having strict rules of meter rhyme and euphony but also was one of two literati founders of the tz u lyric tradition based on a popular song form This tripartite study provides a thoroughgoing picture of his life and work The book begins with the first detailed biography of Wei Chuang in a Western language drawn both from historical sources and Wei's poetry The shih poems are intensely autobiographical and provide insight into Wei's own experience and into the situation in China at the end of the ninth century A second section analyzes the poetry demonstrating that Wei's tz u cannot be understood without reference to his shih compositions a new approach to the totality of Wei's work Finally this volume presents translations briefly annotated of 110 shih poems including his major narrative poem The Lament of the Lady of Chin and almost all the tz u attributed to him constituting more than a third of Wei Chuang's extant poetry The translations while hewing close in meaning to their Chinese originals have considerable value as poems in English This work offers information that is useful to those interested in the literature history and general culture of medieval China The translations bring to modern readers of English poetry the pleasures of becoming acquainted with a complex and innovative voice from the Chinese past Sunflower Splendor Wuji Liu, Irving Yucheng Lo, 1975 A comprehensive anthology

Crafting a Collection Anna Shields,2020-03-23 Compiled in 940 at the court of the kingdom of Shu the Huajian ji is the earliest extant collection of song lyrics by literati poets The collection has traditionally been studied as the precursor to the lyrics of the Song dynasty or in terms of what it contributed to the later development of the genre But scholars have rarely examined the work as an anthology and have more often focused on the work of individual poets and their respective contributions to the genre In this book Anna Shields examines the influence of court culture on the creation of the anthology and the significance of imitation and convention in its lyrics Shields suggests that by considering the Huajian ji only in terms of its contributions to a later model we unnecessarily limit ourselves to a single literary form and risk overlooking the broader influence of Tang culture on the Huajian ji By illuminating the historical and literary contexts of the anthology the author aims to situate the Huajian ji within larger questions of Chinese literary history particularly the influence of cultural

forces on the emergence of genres and the development of romantic literature **China's Cosmopolitan Empire** Mark Edward Lewis, 2009-10-30 The Tang dynasty is often called China's golden age Mark Lewis captures a dynamic era in which the empire reached its greatest geographical extent under Chinese rule painting and ceramic arts flourished women played a major role both as rulers and in the economy and China produced its finest lyric poets in Wang Wei Li Bo and Du Fu The Age of Confucian Rule Dieter Kuhn, 2011-10-15 Just over a thousand years ago the Song dynasty emerged as the most advanced civilization on earth Within two centuries China was home to nearly half of all humankind In this concise history we learn why the inventiveness of this era has been favorably compared with the European Renaissance which in many ways the Song transformation surpassed With the chaotic dissolution of the Tang dynasty the old aristocratic families vanished A new class of scholar officials products of a meritocratic examination system took up the task of reshaping Chinese tradition by adapting the precepts of Confucianism to a rapidly changing world Through fiscal reforms these elites liberalized the economy eased the tax burden and put paper money into circulation Their redesigned capitals buzzed with traders while the education system offered advancement to talented men of modest means Their rationalist approach led to inventions in printing shipbuilding weaving ceramics manufacture mining and agriculture With a realist's eye they studied the natural world and applied their observations in art and science And with the souls of diplomats they chose peace over war with the aggressors on their borders Yet persistent military threats from these nomadic tribes which the Chinese scorned as their cultural inferiors redefined China's understanding of its place in the world and solidified a sense of what it meant to be Chinese The Age of Confucian Rule is an essential introduction to this transformative era A scholar should congratulate himself that he has been born in such a time Zhao Ruyu 1194 **The Lotus Boat** Marsha L. Wagner, 1984 An epic spanning more than half a century of Taiwan's history this breathtaking historical novel traces the fortunes of the Pengs a family of Hakka Chinese settlers across three generations from the 1890s just before Taiwan was ceded to Japan as a result of the Sino Japanese war through World War II Li Qiao brilliantly re-creates the dramatic world of these pioneers and the colonization of Taiwan itself exploring their relationships with the aboriginal peoples of Taiwan and their struggle to establish their own ethnic and political identities This carefully researched work of fiction draws upon Li's own experiences and family history as well as oral and written histories of the era Originally published in Chinese as a trilogy this newly translated edition is an abridgement for English speaking readers and marks the work's first appearance in the English speaking world It was well received in Taiwan as an honest and influential recreation of Taiwan's history before the relocation of the Republic of China from the mainland to Taiwan Because Li's saga is so deeply imbued with the unique culture and complex history of Taiwan an introduction explaining the cultural and historical background of the novel is included to help orient the reader to this amazingly rich cultural context This informative introduction and the sweeping saga of the novel itself together provide an important view of Taiwan's little known colonial experience **A Guide to Chinese Literature** Wilt Idema, Lloyd Haft, 1997
