A Place Like Home Alicia Wiggins, 2009-05-01 Rural Benton Lake is sanctuary to Katrice Ware and Lee Oliver. However, more than one chance meeting with the sexy widower is turning Katrice's well organized and solitary haven upside down. Intrigued by her beauty and sense of independence, Lee is equally baffled by Katrice's aloofness. As their attraction grows deeper, they're forced to reconcile their pasts if there is to be any hope for a future together, especially as they wonder if home is really where the heart is.

There's No Place Like Home Jean Studebaker, 2011-06-29 In the 1950s and 60s, Kansas farm life meant milking cows, gathering eggs, and butchering hogs and steers. It meant raising a garden, preparing meals from scratch, sewing clothes, and churning butter. It meant living close to the earth. It was a special time when children could wander the pastures and fields without fear and come home dirty after a day of hard play and harder work. Farmers produced much of what they needed to live and were almost completely self-sufficient. Farm life was basic, simple, and sweet, and family was the most important thing. *There's No Place Like Home* is the story of a Kansas farm family. It is the unique story of life in a different time and place, before technology and automation changed how things are done on the farm. It was a time when a farm life was a family project and everyone contributed. A collection of anecdotes and oral histories, this story includes the tales of a childhood on a Kansas farm in the mid-20th century and the joys and regrets for generations of such a life. It is the story of a life on the Kansas prairie, a celebration of the land and people of Kansas, and a re-telling of the histories of one family recounted around the kitchen table. It tells of the struggles, hopes, and disappointments of life in a simpler time and place.
