Dissident Women, Beguines, and the Quest for Spiritual Authority Catherine Lambert, 2024-11-12 Dissident Women Beguines and the Quest for Spiritual Authority focuses on the responses of a group of twenty first century women to the lives and writings of thirteenth century beguine mystics and reveals how the struggle to discover their own inner spiritual authority connects two groups of women across centuries For contemporary women who are disenchanted with the institutional church and who seek spiritual direction models deeply rooted within the tradition may not be the most helpful The author explores the value of exemplars from the fringes ushering Hadewijch of Brabant Mechthild of Magdeburg and Marguerite Porete into the spotlight The contemporary women studied developed a relationship with the beguines that transformed and influenced their own journeys Their encounters underline the importance of remembering the beguine mystics the value of contemplative engagement with historical mystics and the need for explicit validation of the richness of the edges of tradition within spiritual direction Dissident Women Beguines and the Quest for Spiritual Authority will be of particular interest to scholars of mysticism and spirituality as well as practical pastoral and feminist theology Spiritual Direction Sue Pickering, 2014-09-16 Spiritual direction has been an intrinsic part of the Christian tradition since the earliest days of the church when desert mothers and fathers were sought out for their wisdom and guidance This guide aims to equip clergy and laity engaged in this task or in training for it **Secularism and the Pursuit of Transcendence, Volume I**

Stanley E. Porter, Wendy J. Porter, 2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent's pursuit of us

McColman organizes the mystics into nine categories: visionaries, confessors, lovers, poets, saints, heretics, wisdom keepers, soul friends, and unities, and he covers a wide range of mystics including Martin Luther King, Hildegard of Bingen, Julian of Norwich, Dag Hammarskjöld, and C. Christian Mystics Carl McColman, 2021-11-16 Christian Mystics 108 Seers, Saints, and Sages celebrates the many types of mystics: visionaries, wisdom keepers, and non-dualists whose spiritual insight and perceptive teachings have illuminated the Christian tradition for the past two thousand years. Looking at 108 mystics from Biblical times to the present day, this user-friendly guide shows how the spiritual masters of the Western tradition provide a variety of paths into the transforming heart of God. Everyone needs teachers and companions to guide and nurture us in developing rich interior lives as we seek to respond to the beatifying, deifying love of God. The mystics whose legacy includes sublime poetry, fascinating autobiographies, and potentially life-changing teachings can help anyone find greater love, purpose, and a deeper sense of God's presence. But the mystics are not a uniform bunch, which is why this book is such an essential guide to their lives, wisdom, and essential teachings. Carl McColman, author of *The Big Book of Christian Mysticism*, organizes the mystics into nine categories: visionaries, confessors, lovers, poets, saints, heretics, wisdom keepers, soul friends, and unities. By profiling twelve examples of great mystics and spiritual teachers in each category, the book can help you to learn more about the mystics and identify those whose writings will be most valuable to you as you pursue your own adventure of falling ever more deeply in love with God. All of the most famous Christian mystics are profiled here: figures like Teresa of Ávila, Meister Eckhart, Julian of Norwich, John of the Cross, Evelyn Underhill, Thomas Merton, and anonymous masters like the authors of classics like *The Cloud of Unknowing* or *The Way of a Pilgrim*. But the book also will introduce you to many lesser-known but truly wonderful mystical geniuses such as Beatrice of Nazareth, Gregory of Narek, and Coventry Patmore. Nor does the book shy away from living or recently living mystics: visionaries such as Howard Thurman, Sara Grant, Kenneth Leech, and Bruno Barnhart are all included. This informative volume will appeal to those who buy religious reference books and anyone interested in Christian mysticism.

or western spirituality But it s more than just a history book or an encyclopedia Christian Mystics 108 Seers Saints and Sages is a curated celebration of western spiritual wisdom making it accessible for all seekers today
