The World of Fairy Tales Rudolf Steiner,2013-04-01 There is a big difference in whether or not one has a child grow up with fairy tales The soul stirring nature of fairy tale pictures becomes evident only later on If fairy tales have not been given this shows itself in later years as weariness of life and boredom Indeed it even comes to expression physically fairy tales can help counter illnesses What is absorbed little by little by means of fairy tales emerges subsequently as joy in life in the meaning of life it comes to light in the ability to cope with life even into old age Children must experience the power inherent in fairy tales while young when they can still do so Whoever is incapable of living with ideas that have no reality for the physical plane dies for the spiritual world Rudolf Steiner

whole of the School of Michael at present How can we characterize and honor one and the other stream and avoid stereotypes and misunderstandings This work approaches the matter in its historical unfolding in three successive steps in which Steiner Aristotles and Plato Schrrers incarnations form a thread The first tableau opens up in the previous Age of Michael in Greece when Plato and Aristotle inaugurated the work of the two Michaelic streams The second addresses the Middle Ages and centers around the contrast between Alain de Lille and Thomas Aquinas between the School of Chartres and Scholasticism Steiners and Schrrers life tasks in the nineteenth century form the prelude to the present The heart of the book and its longest section looks at the present It contrasts the working of Aristotelians and Platonists in the natural sciences in psychology and in the social sciences From the ground of extensive observation and characterization it then turns to pressing questions What can Platonists learn from Aristotelians And how about the reverse Starting from the example of individuals meeting across the streams how can we extend this understanding so that it becomes an ongoing practice and a cultural concern How can Michaelic individuals and institutions work in ways that honor the whole of the Michaelic movement
