Todeschi, 2007-06 Science caught up with the psychic readings of Edgar Cayce when it proved that all of materiality consisting of atoms and therefore protons neutrons and electrons is energy in motion Everything is a vibration Even the body's five senses operate through the use of vibrations The Cayce readings suggested that vibrations were also associated with healing consciousness and even locations In fact the Cayce information presents the premise that all of life in every dimension is actually just different manifestations of the One Force the Force that moved all of Creation into being Therefore all vibration is ultimately that One Force manifesting in the material world in a variety of ways Todeschi's latest title explores how everything from consciousness to the material is connected to vibration and how we continue to create and shape our world through the vibrations all around us Vibrations are essentially spirit in motion and our thoughts and actions affect our life and the way we are living      **Library Journal**, 2003 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately      American Book Publishing Record, 2003      The Donning International Encyclopedic Psychic Dictionary June G. Todeschi, Carol Ann Liaros, 2012-01-01 For the late psychic Edgar Cayce the aura provided a pictorial representation of an individual's health thoughts talents and life potentials as well as karmic lessons and even past lives In a very real sense the aura functions as a barometer of the whole self body mind and spirit Psychic Carol Ann Liaros and Cayce expert Kevin J Todeschi have joined together to present a unique volume that teaches you to access your intuitive self in order to see these auras and colors and then goes on to explain their meaning as based on the well documented readings of Edgar Cayce Their work explores colors and the human aura in a way that provides practical tools for understanding that can be applied in your own life right now
