**Soul Care** R. Timothy Jones, 2020-06-22 For a couple of generations we have been preoccupied with enlarging our territory which may have been done at the expense of the core of our being the soul Consequently our lives are lived with much frustration emptiness and discontent An African proverb says it best A river that forgets its source will surely dry up The dry soul is but one of several inferior spiritual conditions Some of us have been sidetracked by the cares of the world Some feel far from God Others have been traumatized by unfortunate circumstances or events Whether one's soul is dry distracted distant discouraged or damaged it is God the Creator of the soul who restores the soul Psalm 103 is the foundation for this book As it emphasizes worship it also encourages the reader to remember benefits that lend themselves to living from the inside out Psalm 103 prescribes the tenets of forgiveness healing redemption lovingkindness tender mercies and contentment as reasons to worship and fundamental keys to a healthy soul They pave the road to spiritual renewal Embracing these benefits is rudimentary to soul care So that your youth is renewed like the eagle's 5      **Soul Care & Soul Cure** James V. Potter, Ph.d., Paula M. Potter MA, Paula M. Potter, 2013-07 Man's soul is priceless of value beyond measure so valuable only God's first beloved son could redeem his fallen brothers and sisters which he did through the Atonement A great deal has been taught within the Body of Christ regarding our need to crucify the flesh and to live and walk in the spirit but little has been taught about one's responsibility concerning their soul The need purpose goals and objectives of soul care and soul cure are far too often overlooked or misunderstood In nine chapters this book both reveals God's design for soul care and cure it provides a pattern for developing church and community based Pastoral Care Ministries which through a discipleship model can help transform souls into God's model for humanity It is a pattern that is both therapeutically

efficacious and soul winning Soul Care it reveals God's plan for the care cure and transformation of man's soul It sets forth a plan which integrates the principles of biblical theology and effective practices of psychology holding true to the tenets of each a model of integrative soul care cure Soul Care Soul Cure is an essential tool for pastors chaplains counselors Christian workers counseling students and all who are interested in the care cure and transformation of man's soul *Soul Care* Carolyn J. Sweers, 2017-04-10 Soul care said Socrates was the most important activity a human could do It was far more important than such common human concerns as the desire for money or honor likes on Facebook Socrates demonstrated by example what he meant by soul care 1 a realistic attitude about death 2 the importance of an examined life 3 recognition of the limits of human understanding and 4 the responsibility of being a good citizen As this book tries to show these Socratic themes are very similar to the three Lenten practices fasting almsgiving and prayer Lent begins on Ash Wednesday a stark reminder of mortality and the importance of focusing on things that really matter Fasting though traditionally associated with food has a broader meaning of refraining from any and all impediments to spiritual development Almsgiving is a practice made necessary by the interconnectedness of the human community Prayer is the practice of recognizing what I call the framing Mystery of our lives Though nothing in the book is inconsistent with the Christian practices as I have understood and lived them the intent of the book is to describe the essentials of soul care in such a way as to engage the reader It is hoped that this engagement will lead to the sort of examined life that Socrates said was so essential Come See for yourself
