Thailand: Deadly Destination John Stapleton, 2014-11-17 The daily robbing bashing drugging extortion and murder of foreign tourists on Thai soil along with numerous scandals involving unsafe facilities and well established scams has led to frequent predictions that Thailand's multi billion dollar tourist industry will self destruct Instead tourist numbers more than doubled in the decade to 2014 The world might not have come to the hometowns of the many visitors fascinated by Thailand but it certainly came to the Land of Smiles While the Thai media is heavily censored and bad news stories about tourists suppressed nonetheless there is more than enough evidence to demonstrate that something has gone seriously awry with the nation's tourist industry In 2014 just as in the years preceding it there were train bus ferry speedboat motorbike and car accidents murders knifings unexplained deaths numerous suicides diving accidents robberies gone wrong anonymous bodies washing up on the shores and a string of alcohol and drug related incidents Thailand had a dying king and serious succession problems weak democratic institutions an economy slipping into recession faced issues of corruption across many of its key services and was host to international crime syndicates awash with despised foreigners and drifting perilously towards civil war Tourists choose one destination over another for a number of reasons most of which Thailand scores highly on But on the core issue of tourist safety Thailand scores very badly indeed

THAI GIRLS and FARANGS: How to Meet a Nice Respectful Thai Girl Fugu-Fish Publishing, Gary Johnson, 2016-12-14 THAI GIRLS AND FARANGS How to Meet a Nice Respectful Thai Girl When it comes to relationships everyone has their own opinions of what to do and what not to do Some make it look easy when trying to find a partner and have a lasting relationship while others find it extremely hard and give up trying Some men even find it hard talking to women and resort to paying for companionship That's why a lot of men come to Thailand I think it's because meeting someone who doesn't judge them for their quiriness or deficiencies and overlook things most western woman judge is very compelling to some So this book is not a guide to meeting Thai girls it's just my interpretation on the whole farang and Thai girl culture and how easy it can be to

find and settle down with a nice Thai girl and truly be happy So why not give my book a try you never know you might meet the girl of your dreams as well what have you got to lose
