That Kind Of Danger:

That Kind of Danger Donna Masini, 1994-04-30 With a driving music and often startling power these poems are about the way lives are broken and rebuilt the layers of history we are often oblivious to the redemptive and transforming power of memory and imagination Urgent unwavering this provocative debut volume ultimately celebrates the tentative yet joyful moments of transcendence and grace that seeing and naming render possible Dangerous Jesus Kevin Kb Burgess, 2023 The words fragile compliant irrelevant are crossed out on book jacket *Dangerous Courage* Alexandra J. Dover, 2015-10-20 My story starts out with me immigrating to America at the young age of four This is a unique story of true events that I endured in life I will talk about my depression from the young age of five and all the heartache compounded with my depression From the young age of five is when I came to realize that my life was full of so much pain and misfortune From abuse to abandonment at the hands of my parents I struggled to survive on my own Oftentimes wanting to give up I would find a way to go on Along the way there were so many kind souls that helped me to find my way and do so much Through all the suffering and pain as a child I overcame so much Surprisingly not the way one would assume Danger's Hour James Francis, 2002-04-01 From veteran submariner James Francis comes a gripping novel of survival and loyalty above and below the surface of the sea The submarine USS Tulsa speeds silently through the Norwegian Sea tracking the newest Russian nuclear sub as it makes a trial run Then out of the darkness another sub appears colliding with the Tulsa and sending her to the ocean floor As an international team of rescuers is organized the story starts to leak out and a worldwide media blitz ensues placing even more pressure on an already dangerous mission And all the while inside the crippled ship Captain Geoff Richter must struggle to maintain order and ensure the survival of his crew as the oxygen is slowly depleted power systems begin to fail and time runs out Body Voice Imagination David Zinder, 2013-10-15 First published in 2008 Routledge is an imprint of Taylor Francis an informa company **Knocking on Danger's Door** Amara Holt, Dive into the thrilling heart of Knocking on Danger's Door where the lines between law and lawlessness blur in the pulse pounding dance of destiny and defiance This electrifying novel weaves a tale of unexpected alliances and dangerous gambles set against the backdrop of a town gripped by the roar of motorcycle engines and the shadow of crime Meet Ric the enigmatic biker with ties to a motorcycle club under the microscope for a slew of criminal activities On the opposite end of this perilous chessboard is our heroine the quintessential good girl and daughter of the town's most steadfast cop Their worlds collide not with the clash of enemies but with the silent agreement of mutual aid knitting their fates together in ways neither could have predicted Knocking on Danger's Door invites readers into a riveting narrative of two souls caught in the web of their own making With each favor exchanged their bond deepens drawing them closer to the heart of darkness that threatens to consume their town When our heroine finds herself in the den of the Night Reapers a gun to her head and her innocence on the line she must confront the reality of her choices Has she tread the path to her liberation or has she merely become a pawn in Ric's game

Crafted with a masterful blend of suspense and romance Knocking on Danger's Door is more than just a story It's a journey to the edge of trust and betrayal love and loyalty courage and fear Fans of thrilling romance and motorcycle club dramas buckle up for an unforgettable ride As the tension mounts and secrets unravel one question remains Can love truly flourish in the shadows of danger or will it be the final sacrifice at the altar of survival Discover Knocking on Danger's Door your next must read that teeters on the brink of passion and peril Perfect for fans of heart stopping action complex characters and raw emotional depth Don't miss out on this gripping tale of love loyalty and the choices that define us *In Danger's Embrace*

A.M. Griffin,2016-06-07 In many ways my life is complete or as complete as it can be with aliens roaming Earth killing and enslaving humans Jason my love is by my side and my friendship with Wade is back on track Even better it seems the threats of annihilation from the aliens have turned out to be nothing but hot air Yet despite the peace of our Arrowwood refuge there is still a war waging outside something I've tried not to think too much about Just as I've ignored the fact that a sanctuary can also be a prison or a tomb we are forced to step out of safety and live or die in danger's embrace **Reports of Cases**
