The Gay Man's Guide to Open and Monogamous Marriage Michael Dale Kimmel, 2017-06-09 Legal gay marriage is still a relatively new phenomenon As gay men who are now able to get married we find ourselves in a bit of a quandary for many male couples sex is a lot more important for us than it is for heterosexuals Two married men often have a stronger desire for sex wanting more of it and with a wider variety of partners than married opposite sex couples How does this work within the structure of a monogamous marriage Is an open relationship a better structure for gay marriage Assuming that gay marriages will emulate heterosexual marriages is neither a valid nor a helpful assumption But as gay men where does that leave us There are currently no rule books for how a marriage between two men could or should work While there are lots of books about how to plan your gay wedding there are virtually none that address what to do after the honeymoon is over literally and figuratively This book fills that void It offers married gay couples and gay men considering marriage an easy to follow practical framework that they can use to help create adjust and structure their marriages Using helpful examples and first hand quotes throughout Openly gay psychotherapist Michael Dale Kimmel offers a roadmap for gay men who want to be married but have questions and concerns about monogamy and monotony

Marriage in Men's Lives Steven L. Nock, 1998 There are two marriages in every marital union his and hers Men and women live in worlds that are organized around gender and their marriages reflect differing realities As life companions they respond to each other but they also respond to the cultural definitions of what it means to be a husband and a wife What has fascinated social and behavioral scientists for several years however is not only that husbands and wives experiences are different but also that his marriage is better than hers Numerous findings have reported that married men are better off than married women on measures of both physical and mental health but the reasons are not yet fully understood In Marriage in Men's Lives Dr Nock proposes an explanation to this issue He focuses on marriage as a system of rules customs and expectations The book shows that marriage changes men on basic dimensions of achievement participation in public social life and philanthropy because marriage reinforces such behaviors as part of adult masculinity Men in modern society crave well being comfort luxury and prestige and marriage affords a means of achieving these things within circumscribed legitimate boundaries Using a huge

data base of over 6 000 interviews with men the author has studied since 1979 Nock draws some interesting and far reaching conclusions about the nature of marriage and predicts that marriage is definitely here to stay Every Man's Marriage Stephen Arterburn,2010-03-16 What every man wishes he knew about what his wife desires most Authors Stephen Arterburn and Fred Stoeker believe that every man can meet the secret desires of his wife The problem is most of us aren't exactly sure what that desire is and how we can go about fulfilling it faithfully In Every Man's Marriage you can discover the common misconceptions about what it means to exercise biblical authority and understand the role of submission in the marriage relationship This groundbreaking book can help men grasp and apply essential but often overlooked principles for marital leadership Through candid reflections on their own struggles to achieve biblical unity in their own marriages along with many years of combined experience in marital counseling Arterburn and Stoeker apply solid time tested biblical wisdom to the everyday potential distortions that can lead to strife in a marriage The second book in the Every Man series this is the perfect follow up to the best selling Every Man's Battle Every Man's Marriage is a terrific resource for establishing mutual respect and sacrifice in your marriage based on Christ's example of loving His bride the church Includes a comprehensive workbook for individual or group study *The Alpha Female's Guide to Men and Marriage* Suzanne Venker,2017-02-14 As seen on Fox Friends The Alpha Female's Guide to Men and Marriage shows women who have a dominating personality how to love a man America is in love with the alpha female She's the quintessential modern woman assertive razor sharp and fully in control Her success in the marketplace is undeniable a downright boon to society But what happens when the alpha female gets married She becomes an alpha wife of course An alpha wife is in charge of everything and everyone She is quite simply the Boss The problem is no man wants a boss for a wife That type of relationship may work for a spell but it will eventually come crashing down Since 1970 just as women became more and more powerful outside the home more alpha the divorce rate has quadrupled And it is women who lead the charge Today 70% of divorce is initiated by wives Do men just make lousy husbands Not at that rate says Suzanne Venker bestselling author of The War on Men The truth is that women don't know how to be wives Why would they That's not what they were raised to become But women can learn There's an art to loving a man says Venker and any woman can master it An alpha female herself Venker learned how to be a wife the hard way through trial and error Lots of error And here's what she knows today the set of skills a woman needs to pursue a career or even to raise children is the exact set of skills that will mess up her marriage but good No man likes to be told what to do And no woman respects the man who does The Alpha Female's Guide to Men and Marriage gives women who are used to being in charge the tools they need to make their marriages less competitive and more complementary Part memoir part advice this brave manifesto argues that while marriage is more challenging for the alpha female it is possible to find peace in your marriage In fact it may be easier than you think How to Affair Proof Your Marriage - Tips for Men Dueep Jyot Singh,John Davidson,2017-03-04 Table of Contents Introduction Faced with Temptation Dare You Call Her Game It Is
