That Summer:

That Summer's Trance J. R. Salamanca, 2011-12-05 In *That Summer's Trance* his subject is betrayal both of oneself and of others in a culture of material rewards It is an unforgettable story of one actor outdone by another and it tells us more about role playing and the theater of everyday life than I would have thought possible **That Summer in Maine** Muriel Jensen, 2014-10-15 A Season of Change Spending the summer with sexy single dad Duffy March was not exactly what Maggie Lawton had planned for her first vacation in years Yes she needed a rest but sleeping in one of Duffy's guest rooms with the dangerously attractive man from her past right next door was certainly not relaxing Yet that summer in Maine was about to change her life in unimaginable ways Unexpected kisses on a sunlit beach entertaining family frolics in the surf all of these magical moments had Maggie rethinking her carefully scheduled life Her wounded heart yearned for all Duffy and his adorable little boys offered but could Maggie settle in for a long winter's nap as the wife and mother they so desperately craved That Summer Allen Drury, 2016-08-07 In *That Summer* Allen Drury turns from the world of international politics to the private politics of Greenmont an exclusive vacation colony high in the California Sierras where an intense love story is played out against tribal country club mores and tragic social pressures Greenmont is a millionaire's hideaway a super civilized encampment for the privileged few but dangerous currents run beneath its affluent exterior Major Bill Steele arrives there as an outsider lonely and shaken after a painful and humiliating divorce He is fleeing his own personal demons but the people of Greenmont have their own plans for him They see him as the perfect final solution to the increasingly serious problem of their favorite daughter Elizavetta at 35 kind and pretty but unmarried Major Steele tries to establish a gentle friendship with Eliza recognizing that her emotions are as complicated and defenseless as his own The people of Greenmont make it clear to the Major that friendship is not enough From nasty small skirmishes Allen Drury draws his vicious little society into a ruthless battle of frightening proportions and violent consequences *That Summer* is the most personal and passionate book from one of America's master novelists **That Summer Place** Debbie Macomber, Jill Barnett, Susan Wiggs, 2015-05-26 Presents the stories of three couples who prove that opposites do attract as they find love and passion under the roof of a Victorian summerhouse called Rainshadow Lodge That Summer Lauren Willig, 2014-06-03 From modern day England to the early days of the Pre-Raphaelite movement Lauren Willig's *That Summer* takes readers on an unputdownable journey through a mysterious old house a hidden love affair and one woman's search for the truth about her past and herself Willig reaches deep into her characters' souls to depict tragedy triumph and the depth of love RT Book Reviews 4 1 2 stars 2009 When Julia Conley hears that she has inherited a house outside London from an unknown great aunt she assumes it's a joke She hasn't been back to England since the car crash that killed her mother when she was six an event she remembers only in her nightmares But when she arrives at Herne Hill to sort through the house with the help of her cousin Natasha and sexy antiques dealer Nicholas bits of memory start coming back And then she discovers a pre

Raphaelite painting hidden behind the false back of an old wardrobe and a window onto the house's shrouded history begins to open 1849 Imogen Grantham has spent nearly a decade trapped in a loveless marriage to a much older man Arthur The one bright spot in her life is her step daughter Evie a high spirited sixteen year old who is the closest thing to a child Imogen hopes to have But everything changes when three young painters come to see Arthur's collection of medieval artifacts including Gavin Thorne a quiet man with the unsettling ability to read Imogen better than anyone ever has When Arthur hires Gavin to paint her portrait none of them can guess what the hands of fate have set in motion **That Summer Thing**

Pamela Bauer,2014-09-15 YOU ARE NOW ENTERING RIVERBEND INDIANA Riverbend home of the River Rats a group of small town sons and daughters who've been friends since high school The River Rats are all grown up now Living their lives and learning that some days are good and some days aren't and that you can get through anything as long as you have your friends Charlie Callahan is the original good time Charlie At least that's what everyone thinks especially Beth Pennington and she should know After all she was briefly disastrously married to him But even Charlie isn't laughing when they discover they share an inheritance left to them by Riverbend's favorite patriarch Now they're forced back together to settle the strange bequest and to deal with the problems of a troubled boy [That Summer in Silver Lake](#) Sophia Watson, The bucolic rural

change As far as Haven is concerned there's just too much going on Everything is changing and she's not sure where she fits in Then her sister's old boyfriend shows up sparking memories of the summer when they were all happy and everything was perfect But along the way Haven realizes that sometimes change is a good thing Unforgettable Publishers Weekly starred review Also by Sarah Dessen Along for the Ride Dreamland Just Listen Keeping the Moon Lock and Key The Moon and More Someone Like You This Lullaby The Truth About Forever What Happened to Goodbye **Suddenly That Summer** Lizzie

Byron,2022-05-26 Sometimes you have to go far from home to find your way back Nora is about to turn twenty seven and things couldn't be better She's just told her boss exactly what she thinks of him after being offered her dream job and is looking forward to a summer of old friends and new adventures But when Nora discovers that there's been a mistake and they've given her dream job to someone else her future and summer suddenly isn't looking so bright So when she's given the opportunity to escape to idyllic Cornwall she doesn't hesitate It was just supposed to be a distraction while she looks for something else but could this be the summer that she finds everything she's looking for right there in Cornwall
