That Touch Of Mink:

That Touch of Ink Diane Vallere, 2014-04-01 Madison Night returns with another twisty page turner The suspense is intense the plot is hot and the style is to die for so says mystery entertainment giant Catriona McPherson winner of multiple Agatha Awards When a rare five thousand dollar bill arrives in the mail interior decorator Madison Night knows it s a message from her past In happier times she once joked that she could be bought for 5000 how could she deny a bill with her name on it Suspecting the bill indicates trouble she consults a numismatist They set up a meet but upon arrival she finds an abandoned office a scared dog and a dead body in the kitchen The twist The victim isn t the numismatist it s a John Doe The police led by Lt Tex Allen are on the case but it s Madison who discovers the victim s identity But where s the numismatist Before long she uncovers a kidnapping plot a unique counterfeit operation and the true price of her own independence **THAT TOUCH OF INK** by Diane Vallere A Henery Press Mystery If you like one you ll probably like them all **Affairs to**

Remember Bruce Babington, Peter William Evans, 1989 *Currents of Comedy on the American Screen* Nicholas Laham, 2014-01-10 This book analyzes the evolution of film and television comedy from the 1930s through the present defining five distinct periods and discussing the dominant comedic trends of each Chapters cover the period spanning 1934 to 1942 defined by screwball comedies that offered distraction from the Great Depression the suspense comedy reflecting America s darker worldview during World War II the 1950s battle of the sexes comedy the shift from the physical exaggerated comedy of the 1950s to more realistic plotlines and the new suspense comedy of the 1970s and 1980s focusing on the popular dumb cop or dumb spy series along with modern remakes including 2006 s The Pink Panther and 2008 s Get Smart **The Legend of The Mick** Jonathan Weeks, 2023-03-01 In the 1950s America entered the television age And

Mickey Mantle a country boy from Commerce Oklahoma was made for the moment Signed by the New York Yankees as a teenager he made his major league debut in 1951 as a right fielder alongside Joe DiMaggio When DiMaggio retired at the end of the season Mantle inherited not only Joltin Joe s position in centerfield but also his stature as the face of the franchise His boyish good looks breathtaking power from both sides of the plate and blazing speed on the basepaths made him an instant superstar He won league MVP three times came in second three times was a 16 time All Star a Triple Crown winner in 1956 and a seven time World Series champion Mickey Mantle s career was the stuff of legend and in this book Jonathan Weeks tells us why Mantle s extraordinary and at times incredible tales carry readers on an enthralling journey through the life of one of the most celebrated sports figures of the twentieth century All of the most popular anecdotes such as the Mantle s mammoth blasts which led to the phrase Tape Measure Home Runs are thoroughly covered along with many lesser known narratives The book is divided into two sections In Part One Mantle s life and career are recounted chronologically Part Two contains assorted stand alone anecdotes in shorter form Appendices include statistics a chronology and salary details among other bits of pertinent information **Film, Fashion, and the 1960s** Eugenia Paulicelli, Drake Stutesman, Louise

Wallenberg,2017-09-11 A fascinating look at one of the most experimental volatile and influential decades Film Fashion and the 1960s examines the numerous ways in which film and fashion intersected and affected identity expression during the era From A Hard Day s Night to Breakfast at Tiffany s from the works of Ingmar Bergman to Blake Edwards the groundbreaking cinema of the 1960s often used fashion as the ultimate expression for urbanity youth and political un awareness Crumbling hierarchies brought together previously separate cultural domains and these blurred boundaries could be seen in unisex fashions and roles played out on the silver screen As this volume amply demonstrates fashion in films from Italy France England Sweden India and the United States helped portray the rapidly changing faces of this cultural avant gardism This blending of fashion and film ultimately created a new aesthetic that continues to influence the fashion and media of today

Those Girls Katherine J. Lehman,2011-09-27 Long before Carrie Bradshaw in Sex and the City there was Mary Richards in The Mary Tyler Moore Show Every week as Mary flung her beret into the air while the theme song proclaimed You re gonna make it after all it seemed that young independent women like herself had finally arrived But as Katherine Lehman reveals the struggle to create accurate portrayals of successful single women for American TV and cinema during the 1960s and 1970s wasn t as simple as the toss of a hat Those Girls is the first book to focus exclusively on struggles to define the single girl character in TV and film during a transformative period in American society Lehman has scoured a wide range of source materials unstudied film and television scripts magazines novels and advertisements to demonstrate how controversial female characters pitted fears of societal breakdown against the growing momentum of the women s rights movement Lehman s book focuses on the single girl an unmarried career woman in her 20s or 30s to show how this character type symbolized sweeping changes in women s roles Analyzing films and programs against broader conceptions of women s sexual and social roles she uncovers deep seated fears in a nation accustomed to depictions of single women yearning for matrimony Yet as television began to reflect public acceptance of career women series such as Police Woman and Wonder Woman proved that heroines could wield both strength and femininity while movies like Looking for Mr Goodbar cautioned viewers against carrying new found freedom too far Lehman takes us behind the scenes in Hollywood to show us the production decisions and censorship negotiations that shaped these characters before they even made it to the screen She includes often overlooked sources such as the TV series Get Christie Love and Ebony magazine to give us a richer understanding of how women of color negotiated urban singles life And she reveals how trailblazing characters continue to influence portrayals of single women in shows like Mad Men This entertaining and insightful study examines familiar characters caught between the competing fears and aspirations of a society rethinking its understanding of social and sexual mores Those Girls reassesses feminine genres that are often marginalized in media scholarship and contributes to a greater valuation of the unmarried independent woman in America

Movies of the 60s Jürgen Müller,2004 J rgen M ller s overview of the films of the 1960s has over a hundred A to Z entries that include synopses film stills cast and crew listings box office

figures trivia and actor and director biographies The book covers examples of Italian French German and American movies that strongly characterized the 1960s The Familiar Made Strange Brooke L. Blower, Mark Philip Bradley, 2015-06-04 In *The Familiar Made Strange* twelve distinguished historians offer original and playful readings of American icons and artifacts that cut across rather than stop at the nation's borders to model new interpretive approaches to studying United States history These leading practitioners of the transnational turn pause to consider such famous icons as John Singleton Copley's painting *Watson and the Shark* Alfred Eisenstaedt's photograph *V J Day 1945 Times Square* and Alfred Kinsey's reports on sexual behavior as well as more surprising but revealing artifacts like Josephine Baker's banana skirt and William Howard Taft's underpants Together they present a road map to the varying scales angles and methods of transnational analysis that shed light on American politics empire gender and the operation of power in everyday life *Art Directors in Cinema* Michael L. Stephens, 2008-04-08 Often forgotten among the actors directors producers and others associated with filmmaking art directors are responsible for making movies visually appealing to audiences As such they sometimes make the difference between a hit and a bomb This biographical dictionary includes not only the world's great and almost great artists but the unjustly neglected film designers of the past and present Among the more than 300 art directors and designers are pioneers from silent films designers from Hollywood and Europe's Golden Ages Asian figures post Golden Age personalities leaders of the European and American New Waves and many contemporary designers Each entry consists of biographical information an analysis of the director's career and important films and an extensive filmography including mentions of Academy Award nominations and winners Doris Day Helen Akitt, 2020-07-21 No one personified the hopes and dreams of post war America more than Doris Day She was ranked the biggest box office star for four years 1960 and 1962 1964 and ranked in the top 10 for 10 years 1951 1952 and 1959 1966 became the top ranking female box office star of all time and is currently ranked sixth among the all time top 10 box office performers Having graduated from dance band singer to Hollywood queen in 1948 Doris quickly became the nation's big screen sweetheart Her movie career also featured two Oscar winning songs *Secret Love* from 1953's *Calamity Jane* and *Que Sera Sera Whatever Will Be Will Be* from *The Man Who Knew Too Much* Yet she impressed British director Alfred Hitchcock by being able to deliver the intensity of performance he wanted without guidance Indeed some critics went so far as to claim she was wasted on lighter fare While America's favorite blonde had little luck with her men in real life she married four times she was more than content to share the music and movie spotlight with co actors The late 1950s early 1960s string of light romantic comedies she made many with Rock Hudson confirmed her reputation as an all American screen queen and brought her an Oscar nomination for 1959's *Pillow Talk* She left Hollywood in 1968 on the death of her third husband Marty Melcher after which she hosted a TV series *The Doris Day Show* for five years until 1973 She devoted her time to animal rights causes Yet a strong fan following took Doris back to the charts in the current millennium proving that class is timeless This book catalogues her Hollywood career her

tangled love life and the behind the scenes challenges she had to overcome to claim her iconic status

The Engaging World of Kindle Books: A Thorough Guide Unveiling the Advantages of E-book Books: A Realm of Ease and Flexibility E-book books, with their inherent portability and simplicity of access, have freed readers from the limitations of physical books.
