That Man A Memory Of Tommy Handley:

That Man Bill Grundy, 1976 **The Romantic Age in Britain** Boris Ford, 1992 This is a comprehensive survey for students specialists and general readers of all major branches of the arts in 16th century Britain It also reveals the cultural and social setting in which writers musicians architects and other artists of the period worked *Can't Buy Me Love* Jonathan Gould, 2007-10-02 That the Beatles were an unprecedented phenomenon is a given In *Can't Buy Me Love* Jonathan Gould explains why placing the Fab Four in the broad and tumultuous panorama of their time and place rooting their story in the social context that girded both their rise and their demise Nearly twenty years in the making *Can't Buy Me Love* is a masterful work of group biography cultural history and musical criticism Beginning with their adolescence in Liverpool Gould describes the seminal influences from Elvis Presley and Chuck Berry to The Goon Show and Alice's Adventures in Wonderland that shaped the Beatles both as individuals and as a group In addition to chronicling their growth as singers songwriters and instrumentalists he highlights the advances in recording technology that made their sound both possible and unique as well as the developments in television and radio that lent an explosive force to their popular success With a musician's ear Gould sensitively evokes the timeless appeal of the Lennon McCartney collaboration and their emergence as one of the most creative and significant songwriting teams in history Behind the scenes Gould explores the pivotal roles played by manager Brian Epstein and producer George Martin credits the influence on the Beatles music of contemporaries like Bob Dylan Brian Wilson and Ravi Shankar and traces the gradual escalation of the fractious internal rivalries that led to the group's breakup after their final masterpiece *Abbey Road* Most significantly by chronicling their revolutionary impact on popular culture during the 1960s *Can't Buy Me Love* illuminates the Beatles as a charismatic phenomenon of international proportions whose anarchic energy and unexpected import was derived from the historic shifts in fortune that transformed the relationship between Britain and America in the decades after World War II From the Beats in America and the Angry Young Men in England to the shadow of the Profumo Affair and JFK's assassination Gould captures the pulse of a time that made the Beatles possible and even necessary As seen through the prism of the Beatles and their music an entire generation's experience comes astonishingly to life Beautifully written consistently insightful and utterly original *Can't Buy Me Love* is a landmark work about the Beatles Britain and America **London Calling**, 1947 *London Calling ...*, 1952 *Myth, Memory and the Middlebrow* I. Habermann, 2010-05-19 This study explores Englishness as a symbolic form from the 1920s to the 1940s Two case studies focused on J B Priestley and Daphne du Maurier explore crucial ways in which popular middlebrow authors imagine and shape the nation providing an innovative approach to literary negotiations of cultural identity **Tavistock Memories** Trevor James, 2010-05-15 Boyhood recollections of life in Tavistock before during and after WW2 *The Listener*, 1976-07 **Footfalls Echo in the Memory** Verner C. Bickley, 2009-12-14 The Education Service was a vital arm of the British Colonial Service while the British Council has been paramount in promoting the English

language and culture overseas But are both agents of British colonialism and neo colonialism Or are both simply altruistic purveyors of language and culture to a wider world Verner Bickley as an Education Officer in the British Colonial Service and in the British Council provides the answer and shows that educational and cultural values were paramount and important in themselves and through the medium of the near global English language vitally important in both culture and technical training Life in overseas postings was set against a backdrop of turbulent international relations following World War II including service in the Royal Navy in India and Ceylon soon to become independent Sri Lanka Bickley was Education Officer in Singapore during the tumultuous 1950s at the time of the Malayan Emergency and in the lead up to independence in 1957 which he announced on Radio Malaya His service with the British Council began with a posting to Burma during the premiership of U Nu struggling with ethnic problems and to be ousted by military coup And during his time in Indonesia the British Embassy was burnt to the ground by rioters Later service was in Japan basking in its success as an emerging economic powerhouse This is an essentially warm and human story enlivened especially during the British Council period by a succession of diverse personalities including royalty British and Thai as well as writers like Anthony Burgess Graham Greene and Willis Hall and actors such as Donald Sinden Patrick Stewart and Max Adrian Don't You Know There's A War On? Nigel Rees, 2014-12-08 Nigel Rees presents a nostalgic and witty guide to wartime catchphrases from the now ubiquitous Keep Calm and Carry On to lesser known gems such as lions led by donkeys Following his hugely popular survey of domestic sayings More Tea Vicar Rees returns with a witty and fascinating examination of the catchphrases that saw us through wartime Britain and are still relevant in times of crisis today Including domestic phrases of the time propaganda and slang developed by soldiers abroad the book describes the provenance and development of these intriguing quirky and sometimes crude phrases that were born out of times of conflict and have in many cases become part of our language
