That Place:

This Place That Place Nandita Dinesh, 2022-06-14 An impassioned and inventive debut novel about two people earnestly searching for a way to preserve their friendship across seemingly insurmountable political divides IN A NAMELESS COUNTRY under military occupation two friends prepare to attend a wedding The young man is from the occupied region This Place the woman is from the occupying nation state That Place The complicated relationship between these two protagonists with unusual professions he is a Protest Designer and she is a De programmer is tested when on the eve of the wedding the occupying power That Place formally annexes This Place and declares a curfew Suddenly finding themselves confined to the same isolated space the young woman and man try to kill time but inevitably wind up talking about the ways in which the war between their homelands pervades the unexplored and undeniable attraction between them Will their relationship become another casualty of war This Place That Place is an evocative debut that functions as a bold allegory for militarized occupations anywhere As much a visual read as it is a literary one this brilliant literary debut provides new ways to think about the intersections between the personal and the political between occupier and occupied between the kinds of bonds that endure and those that have no choice but to fracture

From That Place in My Heart Gianina Sipitca, 2013-03-12 I started writing poetry in my early forties When I was younger I was much shier in my writings and never would have imagined I would someday write my own poems I used to read a lot of poetry mostly the Romanian classics like Mihai Eminescu George Cosbuc Topirceanu Alexandri the French poets Baudelaire La Fontaine or the likes of Pablo Neruda whom I later discovered My poetry is inspired by life yet just like the classics when I write I like to let my imagination go and pretend that I am composing a fictional piece This is why sometimes even the rhythm changes not only the rhyme of each verse within the poem I have a poetic nature and I am drawn to metaphors but I can also use description to depict a story in the most honest direct way while allowing for the poetical value to be revealed within the content of the whole poem I do not like to be constrained in any way and my poetry is generally free verse with some rhyme I get my inspiration from love spirituality or politics I write directly in Romanian or English and

sometimes French Some of my poems can be very closely drawn from my life such as those dedicated to my brother Catalin or to my husband Mihai Others can have a link or be inspired by the work of others In both cases I tend to maintain a close involvement and satisfy my need for deeper spirituality closer relationship to God and love for those close to me or generally for fellow man I would not consider myself an erudite and my poetry is simple Hardship pain love sheer joy despair or anxiousness they all inspired me at one point or another I have lived them all and all those experiences made me what I am today In my poem Never Bowed or in Key To The West I talk about my pride and difficulties I felt when trying to integrate in the American society while a first generation emigrant **We Had to Get Out of That Place** Steven Grzesik,2022-09-20 Steven Grzesik s counter culture experience in Greenwich Village ended with a bad acid trip followed by a draft notice The Vietnam War then at its height seemed doomed to failure by cynical politicians and a skeptical public a prediction he weighed against his sense of duty to himself and to his country Through a variety of combat duties with the infantry the 36th Engineer Battalion F Co 75th Rangers and the 174th Assault Helicopter Co and several close calls with death Grzesik s detailed memoir recounts his two tours in country where he hoped merely to survive with a semblance of heroism yet ultimately redefined himself **Margate!!! Or Sketches ... descriptive of that ... place of resort** Mary Pilkington,1813 **Where the Heck Is That Place Called Hope?** Angela Thompson,2007-06 A satirical yet very serious look at depression from the sufferer spouse child and coworkers **Narrative of a Journey to Kalât, Including an Insurrection at that Place in 1840** Charles Masson,1843 **This Time, That Place** Clark Blaise,2022-10-18 Blaise is probably the greatest living Canadian writer most Canadians have never heard of Quill Quire If you want to understand something about what life was like in the restless peripatetic striving anxiety ridden shimmer cultural soup of the late twentieth and early twenty first centuries writes Margaret Atwood read the stories of Clark Blaise This Time That Place draws together twenty four stories that span the entirety of Blaise s career including one never previously published Moving swiftly across place and time through and between languages from Florida s Confederate swamps to working class Pittsburgh to Montreal and abroad they demonstrate Blaise s profound mastery of the short story and reveal the range of his lifelong preoccupation with identity as fallacy fable and dream This Time That Place Selected Stories confirms Clark Blaise as one of the best and most enduring masters of the form on either side of our shared borders **A Complete Latin-English and English-Latin Dictionary** John Tahourdin White,1878
