The 1916 Rising Compact Irish History

Conor Heffernan

The 1916 Rising Compact Irish History:

Ireland's 1916 Rising Mark McCarthy, 2016-05-06 In light of its upcoming centenary in 2016 the time seems ripe to ask why how and in what ways has memory of Ireland's 1916 Rising persisted over the decades In pursuing answers to these questions which are not only of historical concern but of contemporary political and cultural importance this book breaks new ground by offering a wide ranging exploration of the making and remembrance of the story of 1916 in modern times It draws together the interlocking dimensions of history making commemoration and heritage to reveal the Rising's undeniable influence upon modern Ireland's evolution both instantaneous and long term In addition to furnishing a history of the tumultuous events of Easter 1916 which rattled the British Empire's foundations and enthused independence movements elsewhere Ireland's 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present In doing so it unearths the far reaching political impacts and deep seated cultural legacies of the actions taken by the rebels as evidenced by the most pivotal episodes in the Rising's commemoration and the myriad varieties of heritage associated with its memory This volume also presents a wider perspective on the ways in which conceptualisations of heritage culture and identity in Westernised societies are shaped by continuities and changes in politics society and economy In a topical conclusion the book examines the legacy of Queen Elizabeth II's visit to the Garden of Remembrance in 2011 and looks to the Rising's 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance

Irish Childhoods Pádraic Whyte, 2011-05-25 While much has been written about Irish culture's apparent obsession with the past and with representing childhood few critics have explored in detail the position of children's fiction within such discourses This book serves to redress these imbalances illuminating both the manner in which children's texts engage with complex cultural discourses in contemporary Ireland and the significant contribution that children's novels and films can make to broader debates concerning Irish identity at the end of the twentieth and beginning of the twenty first centuries Through close analysis of specific books and films published or produced since 1990 Irish Childhoods offers an insight into contrasting approaches to the representation of Irish history and childhood in recent children's fiction Each chapter interrogates the unique manner in which an author or filmmaker engages with twentieth century Irish history from a contemporary perspective and reveals that constructions of childhood in Irish children's fiction are often used to explore aspects of Ireland's past and present

Ireland's Independence: 1880-1923 Oonagh Walsh, 2003-09-02 This timely introduction presents a clear balanced account of the rapid and complex events from 1880 leading up to the formation of the Irish Free State in 1922

A Pocket History of the 1916 Rising Tara Gallagher, Fiona Biggs, Fionnbarra O Duibhir, 2015 This compact yet detailed book explores the 1916 Rising in Ireland from the historical context to a day by day account of the events to biographies of the leading figures

The 1916 Rising Edward Purdon, 1999

Compact illustrated account of Easter Rising **Books Ireland**, 2007 The History of Physical Culture in Ireland Conor

Heffernan,2021-01-24 This book is the first to deal with physical culture in an Irish context covering educational martial and recreational histories Deemed by many to be a precursor to the modern interest in health and gym cultures physical culture was a late nineteenth and early twentieth century interest in personal health which spanned national and transnational histories It encompassed gymnasiums homes classrooms depots and military barracks Prior to this work physical culture s emergence in Ireland has not received thorough academic attention Addressing issues of gender childhood nationalism and commerce this book is unique within an Irish context in studying an Irish manifestation of a global phenomenon Tracing four decades of Irish history the work also examines the influence of foreign fitness entrepreneurs in Ireland and contrasts them with their Irish counterparts *The History Highway* Dennis A. Trinkle,Dorothy Auchter,Scott A. Merriman,Todd E.

Larson,2016-12-05 Save yourself and your students hours of research time Now extensively revised and expanded The History Highway is widely recognized as the one essential tool for students teachers and researchers seeking a reliable guide to history sites on the web The History Highway offers the broadest most current coverage of the astonishing amount of historical information available on the Internet provides detailed easy to use and up to date information on more than 3000 web sites covers U S and World history and all sub fields features ten new chapters with coverage of futurism environmental history immigration history and Mediterranean and Middle Eastern history all sites have been thoroughly checked by specialists in the relevant field of history the best sites in each field are clearly identified hard cover and paperback editions include a CD of the entire contents with live links to sites and e book version with live links to sites is in preparation **The**
