**Memorial Day** (May 30) is a day to remember the men and women who have died in the U.S. military. It is a day to reflect on the sacrifices they made for our country.

**Pharmaceuticals: How Many  
PCs will need E-Scripts?**  
Continued from page 10

Pharmaceuticals will be the biggest beneficiaries of E-Scripts, says the American Medical Association. "The pharmaceutical industry will be able to track the use of their products more closely than ever before," says the AMA's Dr. Robert M. Anderson, president of the American College of Physicians. "It will be able to identify and eliminate off-invoice discounts, which are a major source of waste in the drug supply."

But the pharmaceutical industry is not alone in benefiting from E-Scripts. "The E-Scripts program will also help to reduce the cost of drugs for patients," says Dr. Anderson. "It will help to ensure that patients are getting the best possible deal on their prescriptions."

Tyler, 2013-04-11 *Revolting Subjects* is a groundbreaking account of social abjection in contemporary Britain exploring how particular groups of people are figured as revolting and how they in turn revolt against their abject subjectification The book utilizes a number of high profile and in depth case studies including chavs asylum seekers Gypsies and Travellers and the 2011 London riots to examine the ways in which individuals negotiate restrictive neoliberal ideologies of selfhood In doing so Tyler argues for a deeper psychosocial understanding of the role of representational forms in producing marginality social exclusion and injustice whilst also detailing how stigmatization and scapegoating are resisted through a variety of aesthetic and political strategies Imaginative and original *Revolting Subjects* introduces a range of new insights into neoliberal societies and will be essential reading for those concerned about widening inequalities growing social unrest and social justice in the wider global context

**African American Gothic** M. Wester, 2012-11-09 This new critique of contemporary African American fiction explores its intersections with and critiques of the Gothic genre Wester reveals the myriad ways writers manipulate the genre to critique the gothic's traditional racial ideologies and the mechanisms that were appropriated and re articulated as a useful vehicle for the enunciation of the peculiar terrors and complexities of black existence in America Re reading major African American literary texts such as *Narrative of the Life of Frederick Douglass* *Of One Blood* *Cane* *Invisible Man* and *Corregidora* *African American Gothic* investigates texts from each major era in African American Culture to show how the gothic has consistently circulated throughout the African American literary canon

**Social Representations for the Anthropocene: Latin American Perspectives** Clarilza Prado de Sousa, Serena Eréndira Serrano Oswald, 2021-04-30 The Anthropocene has become a field of studies in which the influence of human activity on the Earth System and nature is both the main threat and the potential solution Social Representations Theory has been evolving since the 1960s It links knowledge and practice in everyday life and is an effective way to deal with systemic crises based on common sense This book assembles key contributions by Latin American scholars working with social representations in the social sciences that are of conceptual relevance to the study of the Anthropocene and that investigate the societal

consequences of complex interrelations between common sense and topics of global relevance such as the contradictions of sustainable development the construction of risks beyond risk perception health negotiation and governance in the field of education gender equality the usefulness of longitudinal and systemic ethnography and case studies and agency and the link between inequality crises and risk society in the context of COVID 19 presenting theoretical and methodological innovations from Spanish Portuguese and French research that have rarely been available in English This is the first book to address the relevance of Social Representations Theory for the Anthropocene as a societal era It presents the multidisciplinary scope of Social Representations This book covers emerging research contributions in Social Representations Theory from Latin America This book presents innovative research and commentaries by established researchers in the field This multidisciplinary book should be in the libraries of many disciplines in the social sciences and humanities *Flannery O'Connor* R. Neil Scott, 2002 [Speaking through the Mask](#) Norma Claire Moruzzi, 2018-09-05 Hannah Arendt was famously resistant to both psychoanalysis and feminism Nonetheless psychoanalytic feminist theory can offer a new interpretive strategy for deconstructing her equally famous opposition between the social and the political Supplementing critical readings of Arendt's most significant texts including *The Human Condition* *On Revolution* Rahel Varnhagen *The Origins of Totalitarianism* *Eichmann in Jerusalem* and *The Life of the Mind* with the insights of contemporary psychoanalytic feminist and social theorists Norma Claire Moruzzi reconstitutes the relationship in Arendt's texts between constructed social identity and political agency Moruzzi uses Julia Kristeva's writings on abjection to clarify the textual dynamic in Arendt's work that constructs the social as a natural threat Joan Riviere's and Mary Ann Doane's work on feminine masquerade amplify the theoretical possibilities implicit in Arendt's own discussion of the public political mask In a bold interdisciplinary synthesis Moruzzi develops the social applications of a concept the mask Arendt had described as limited to the strictly political realm a new conception of political agency as social masquerade traced through the marginal but emblematic textual figures who themselves enact the politics of social identity *Children on the Threshold in Contemporary Latin American Cinema* Rachel Randall, 2017-10-10 *Children on the Threshold in Contemporary Latin American Cinema* Nature Gender and Agency analyzes child and adolescent protagonists in Latin American cinema This book contends that child characters have taken on a critical representational role within Latin American cinema because of their position on the threshold between nature and culture which converts them into a focus of and a limit to state or colonial biopower Rachel Randall provides a comprehensive examination of the key themes and developments in boys and girls cinematic representations since the adoption of children's rights discourses in the region Recommended for scholars interested in Latin American studies film studies and cultural studies
